Community
Programs
Report

Coordinator of Community Programs Sharon Callender provided information about district programs/initiatives of Community Programs and how they align with the three district goals.

Board member Kevin Brown thanked the Public Affairs Department for the successful Principal for a Day event. Mr. Brown visited Principal Jeff Cline at Fairfield Elementary and suggests we invite Governor Daniels next year. Mr. Brown also commented about the need to build a positive image for Ward Education Center. Lastly, Mr. Brown would like to encourage those who bring problems forward, to suggest a solution.

Board member Steve Corona commented about attending a groundbreaking ceremony in Columbus, IN for the Advanced Manufacturing Center of Excellence funded by a Lilly grant. Mr. Corona remarked that Indiana is one of 12 states that does not fund pre-school education and he thinks the state will not be able to lead in business until we do so.

Board member Pamela Martin-Diaz thanked the administration for the work done to bring back parent / teacher conferences to schools. She also thanked the teachers and staff at schools who worked long days to have conferences. While visiting schools Ms. Martin-Diaz saw Data Walls and sensed the urgency in staff and students to learn and track.

Superintendent Robinson commented on the Cambridge visit to North Side and South Side high schools. Cambridge was hired by the state to evaluate and we understand Cambridge will provide a preliminary report in early December. We will respond when the report comes to us, but we already know about and are addressing problems through the high school reinvent project.

Superintendent Robinson reported that details for the "Race to the Top" federal funds are not final, but FWCS will apply for any funds for which we are eligible.

President GiaQuinta would like information about students returning to FWCS from charter schools and any remediation needed.

President GiaQuinta also congratulated Superintendent Robinson who will be honored at the annual conference of the National Alliance of Black School Educators (NABSE) on November 21. Dr. Robinson will receive the Joseph E. Hill Superintendent of the Year Award.

President GiaQuinta commented about working on the Superintendent's contract and evaluation. He would like to have a Board committee work with the Superintendent to create an evaluation tool. He asked Board members Pamela Martin-Diaz, Mitch Sheppard and John Peirce to sit in this committee.

President GiaQuinta congratulated Judith Ann Panoch, special education teacher at Price Elementary for being named in *the Journal Gazette's* teacher honor roll.
