Grant

RECOMMENDATION: It is recommended that the Board approve the application for and acceptance of a grant for \$45,000 through the Indiana Department of Education McKinney -Vento Act. These funds will be used to support the Fort Wayne Community Schools Homeless Assistance Program.

RELATED INFORMATION: Federal funding through the McKinney-Vento Act is one component of a program which would enable Fort Wayne Community Schools to provide assistance for students residing in shelters to continue their education. During the 2008-2009 school year approximately 323 students were assisted through the program from 14 shelters and facilities in the community.

The funds are distributed as grants by the Indiana Department of Education for local education agencies to establish educational programs which promote the identification, enrollment, attendance, and success of homeless children and youth in school and preschool. The request of \$45,000 will be used to provide support, remediation, instructional materials and supplies, and other related services to Fort Wayne Community School's homeless children and their families.

This competitive grant was prepared by Y. Craig Martin, director of Student Services, and supports FWCS Goal 1: *Achieve and Maintain Academic Excellence.*
