Dear Friends,

10/15/2022

It is truly a pleasure to present Love/Sick for the first time at Tenaflly High School. Playwright John Cariani presents nine vignettes on falling in love and the pain of heartbreak. Cariani's first play, *Almost Maine* was also produced on this very stage in the Fall of 2014.

Each vignette tells the story of a couple at a specific intersection in their relationship. As the stories unravel, so do the lifecycle of relationships and ultimately of the individual from the ailment that comes with being lovesick.

Love/Sick has provided the actors a chance to bond, to grow and to experience this journey together. They have worked tirelessly to bring life to this play. It has been a delight working with this immensely talented cast and crew.

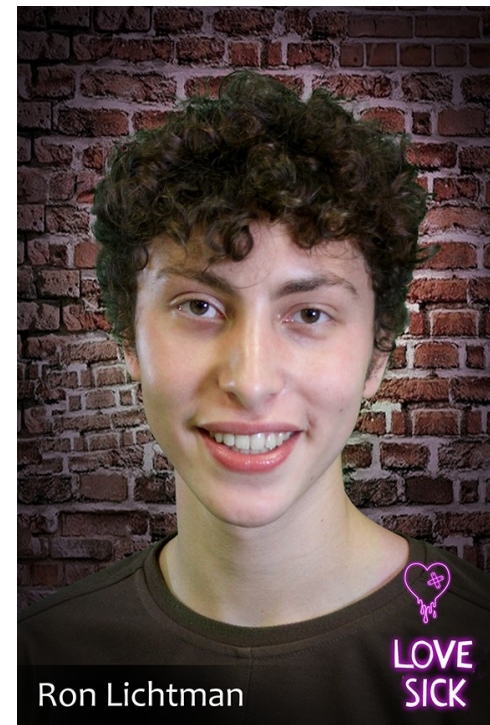

I want to thank the incredible team of Steve Moger and Andy Graziano, for their time and dedication to this show and to our Performing Arts Program. Huge thanks to our amazing stage managers Taleen and Skylar and the tech crew for their arduous efforts. Shout outs to all the PASO parents for their support, especially Claudia Ramirez-Cruz and Maggie Wallach.

Yours sincerely,

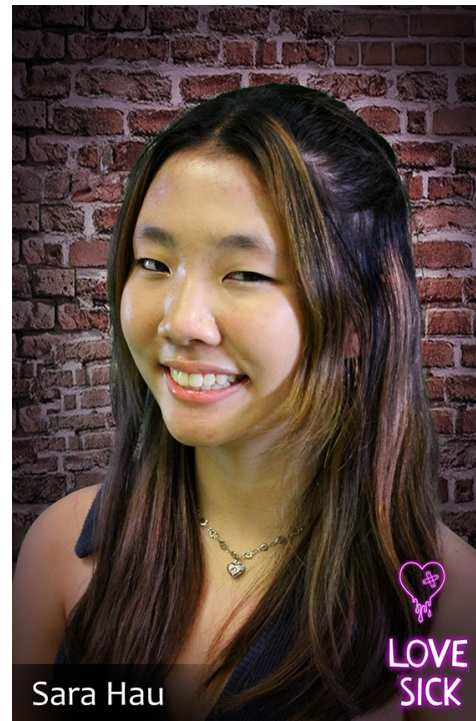

Samuel Ahn-Cooper

## Who's Who in the Cast

**Raphaella Bamonte** is over the moon about being part of Tenaflly High School's production of *Love/Sick*. Although she is just a freshman, she is not new to this THS stage—she has performed in the past 3 Tenaflly's Got Talent Shows. At TMS, Raphaella was proud to be part of *The Addam's Family* and *Bye Bye Birdie*. This past summer, Raphaella studied in NYC at Stella Adler's Teen Acting Conservatory. Raphaella wants to thank her family and friends for all of their love and support. She also wants to thank Mr. AC for his amazing direction and Mr. Graziano and Mr. Moger for their efforts that made this production possible. Finally, she wants to thank her fellow cast and crew who've made being part of *Love/Sick* so special. Raphaella hopes you enjoy the show!

**Miki Ramirez-Cruz** is very excited to be a part of yet another theater production at THS. Having participated previously in *One Acts*, as well as last year's musical, it is bittersweet that this will be her first and last play at THS. Miki would like to thank her cast mates for their enthusiasm throughout the process and tech crew for dedicating their time and effort towards building the set. Miki would also like to thank Mr. AC, Mr. Graziano, and Mr. Moger for the hard work they've put in to make this play as great as it can be.

**Iscah Cheah** is a sophomore at Tenaflly High School, she is a cast member in the upcoming fall play "*Love/Sick*" by John Cariani. In the upcoming play, she is a part of the vignette "*Singing Telegram*" as "*Louise Overbee*". Evan Solivan, (who plays the *Singing Telegram Man*) shares this scene with her. This is the second ever show she's performed at THS following the previous musical she cast in, "*Little Mermaid*". Despite enjoying theater and being on stage, she also enjoys building sets for the show as she is also a part of Tech Crew. I'm not too sure about you, but I personally think she'd really appreciate it if you watched this show ;)

## *Congratulations to the Cast and Crew*

**Gillie Halfone** is a senior (despite her height) in this year's production of *love/sick*. An Adam Driver fanatic, Gillie spends most of her time on the popular app, Twitter, wishing she were Adam Driver's wife. Last spring, she was known for flopping around in a fishtail and giving up her voice to the sea witch for the chance to get the prince to fall in love with her (Ariel in THS' production of *The Little Mermaid*). Gillie is happy to be back on stage! She would like to thank Mr. AC and Mr. Moger, along with the rest of the cast and crew, for their incredible work. Sara Hau (Abbie) is so excited to be performing in Tenaflly High School's production of *Love Sick* this year! Her last show at THS was last year's spring musical, *The Little Mermaid*, and she is so happy to be back! Sara is so grateful to be performing with such an amazing and talented cast. She would like to thank Mr. AC for his endless encouragement and enthusiasm throughout her years involved in theater. She'd also like to thank Mr. Graziano, Mr. Moger and the tech crew for all of their help to make these shows possible. Enjoy the show!

This is **Ron Lichtman's** first play at Tenaflly High school, after being part of the running crew last year for Spring Awakening and *The Little Mermaid*, Ron is really excited to step out from behind the curtains and onto the stage.

**Arda Oral** (Andy) - is extremely excited to perform in *Love Sick*. He is a junior in Tenaflly High School and loves theater. Outside of musicals he enjoys taekwondo and playing the piano. He hopes you enjoy Tenaflly High School's production of *Love Sick*. He extends special thanks to all involved in supporting the cast and making the show possible.

**Val Orozco** is a senior at THS and she portrays the characters June and Liz in *Obsessive Impulsive* and *Where Was I?* She is thrilled to be participating in not only her 1st play in Tenaflly High School but her last. You may know her best as playing Ursula in the 2022 spring production of *The Little Mermaid* as well as her other appearances in *One Acts*, *Spring Awakening*, and other THS productions. She hopes you will love and won't be sick of *Love/Sick*.

**Guy Persitz** (Ben) is so excited to be part of the cast for Tenaflly High School's 2022 fall play *Love/Sick!* Last year, he was part of the cast for the spring musical, *The Little Mermaid* (Ensemble), and One Acts 2022. When he isn't talking about pop culture, Guy enjoys baking, reading, and listening to music. Guy would like to thank Mr. AC, Mr. Moger, and Mr. Graziano, along with everybody in the cast and crew. Guy is so excited that you are here to see the show, and hopes that you enjoy it!

**Evan Solivan** is a sophomore at Tenaflly High School. He is 15 years old and Lovesick is his first play at the high school. He is very excited to perform his vignette *The Singing Telegram Man* in front of everyone."

**Michela Wallach** (*The Answer*) Celia- is so excited but also sad to be part of her first and last play at Tenaflly High School. Last year she was honored to play Wendla in THS's Spring Awakening, Andrina in THS's *The Little Mermaid*, and participate in One Acts. She would like to thank her wonderful director Mr. AC, techies and Mr. Moger, and producer Mr. Graziano. A special thanks and shout out to Taleen and Skyler for their stellar stage managing. She hopes you enjoy the show!

**Ellie Wodeslavsky** is so excited to be acting in *Love/Sick* this year! Ellie is playing Sarah in "Uh-Oh". Ellie had parts in many plays; *The Good, The Bad, The Muffin Man* (2021, Jane), *The Twelve Night* (2020, Olivia), *Charlie and the Chocolate Factory* (2018, Violet Beauregard), *The Seagull* (2017, Nina). You could have seen her play these parts in the Tenaflly Middle School, Tenaflly High School, or at the JCC. Enjoy the show!

**Sivan Yoskowitz** is a Senior at Tenaflly High School. She loves to sing, watch movies, read and write, and be with friends and family. Sivan has participated in musicals at the JCC and TMS, and she was in THS's musical production of *The Little Mermaid* last year, as well as the school's 21st Century Broadway Project her Sophomore year. She's had so much fun working with her scene partner, Ron, and the rest of the cast, and she can't wait for everyone's hard work to pay off.

**Zoe Koblence**, a 10<sup>th</sup> grader at THS, was born in New York City and moved to Tenaflly in 2017. She's participated in various recitals and talent shows as a singer. Tonight she is making her debut as an actor in Love/Sick. She is grateful to her friend and family for their love and support and would like to thank all those involved in Love/Sick for making it an awesome experience.

**Skyler Salk** and **Taleen Torosian** are very excited to see the final outcome of the show. As the stage managers, they have watched the whole process from the auditions to the final dress rehearsals, and have worked tirelessly to put the show together. They are thankful to have such an amazing crew that has dedicated so much time and effort to the show. A special thanks to Mr. AC, Mr. Moger, and Mr. Graziano for their work. Enjoy the show!

**Gabriel Gutierrez** is excited to be in this year's fall show, Love/Sick. You may have seen Gabe perform in other shows like One Acts, Madrigals, Spring Awakening, and The Little Mermaid. This will be Gabe's first play at Tenaflly High School and he is excited to be involved in a show that doesn't involve music. Gabe would also like to thank Mr. AC, Mr. Moger, and Mr. Graziano for spending their time to help make this show possible.

Dear Zoe,

Good luck on your performance today!

William Shakespeare said “All the World’s a Stage”. Maybe he meant that the stage reflects the world... Today you have a special task to hold up that mirror. Make us laugh, cry and feel connected.
