

Exploring Music 6-Course Introduction

Mrs. Girvan
dgirvan@tenafly.k12.nj.us

Welcome to Exploring Music 6! For the remainder of the semester, we will be *exploring* many facets of music: sound exploration, timbre, found instruments, form, mood and music, acoustics and instruments of the orchestra.

It is important that you keep an Exploring Music notebook and **bring it to class each day.** You will be getting a lot of handouts and other materials to keep in these notebooks.

*** If you are ever absent from a class, it is your responsibility to check to see what you missed. Feel free to email me if you want to stay on top of things.

Grading:

Work Habits (40%):	Proper participation
	Best effort at all times
	Punctual
	Prepared
Projects and quizzes (40%)	
Assignments (20%)	Smaller, 1 or 2-day assignments

Your **first assignment** is very easy (this was on the TMS website supply list):

> **Bring a 1-inch, 3-ring binder to the next class.** This sheet will be the first page in that notebook. Keep approximately 20 sheets of loose-leaf notebook paper in it as well.

Never hesitate to email me if you don't understand something or you need help. Written assignments can be either turned in during class, shared or emailed.

I have a lot in store for you this semester… get ready!
