TPS Summer Enrichment Program Offers

STEM, Creative Arts and More to Give Students Great Summer Start

*Registration Opens May 1st for Four Week Summer Enrichment Program
Monday, June 26 - Tuesday, July 25, 2023*

Tenafly, NJ – April 28, 2023 – Tenafly Public Schools announced today that registration will open on May 1, 2023 for its extremely popular, four-week, Summer Enrichment Program. This year's program will run from Monday, June 26 - Tuesday, July 25, and once again offers a wide variety of classes for grades K-9 including multiple STEM options, music, the arts, foreign language, and SAT & ACT Prep.

NEW THIS YEAR: Musical movement with “Backbeat Yoga” and a new STEM energy section to our very popular STEM program.

Participating parent, Shana Conboy, commented, “The Tenafly Summer Enrichment is a fantastic program that helps keep kids' brains engaged over the summer. It's the perfect combination of fun and education where they get to pick from a great selection of classes that speak to their interests, meet kids with similar interests, and learn from teachers who are second to none. And it's one of the best ways for kids to learn when they don't even realize they are learning because they are having fun! My son loves it and looks forward to it every summer.”

Last year, over 400 students participated and the program's highly qualified staff are committed to ensuring a safe, happy and productive summer for everyone involved.

Eric Nissenbaum, Summer Enrichment Director, noted, “This unique and comprehensive summer learning program is a true gem. Having been a teacher and administrator over the years, I see new and returning students thoroughly enjoying themselves, learning, and making great memories. We also have so many returning staff members who are continually dedicated to making each summer totally engaging and collaborative, while fostering hands-on learning experiences. The best part is seeing the students leave with big smiles on their faces each day.”

Classes will fill up fast!! To register for Tenafly Public Schools Summer Enrichment Program, go to: [Registration Begins Here](#) - Open to Tenafly and non-Tenafly residents.
