Tenaflly High School Cross Country Team Shares the Warmth

For Immediate Release

Tenaflly, NJ – November 10, 2021 – Thanks to a few local high school runners, several local families will be just a bit warmer this winter. Members of the 2021 Tenaflly High School Cross Country Team were grateful for their successful year both running and working with their Booster Club to raise funds for the team, so much so that they decided to give back.

While raising funds through a North Face winter hat sale, an idea hit. The team could give back to the community through the hat sale. After making a deal with the Booster Club, the athletes donated funds to purchase hats for local families in need, and for each hat they purchased, the Booster Club matched it with an additional hat. Nearly a dozen hats with the signature Tiger pawprint were purchased and then donated to local families in need at the "open store" held at Mackay Park in Englewood on October 31st.

For more information on the Tenaflly Public School District, please visit the district website at www.tenaflyschools.org.
