SUPPORT GHC

Your generosity helps our students and staff achieve great things.

Ready to make a difference?

Your generosity helps our students and staff achieve great things. Our School offers unmatched opportunities for our students' campus life and experience. Thank you for your continued support of Granada Hills Charter.

A California Distinguished School, Granada Hills Charter (GHC) is a TK-12 independent public school with a sponsorship program comprised of 6 tiers. GHC has nearly 5,800 students, and 470 staff on our two (2) campuses daily. The School offers 21 types of sports with forty-two 42 teams in total. Thirty-two (32) teams host approximately 130–150 games at home every year, and the number of spectators at any given game can range between 20-3800 people. We have many theater and music performances throughout the school year as well. GHC boasts an active website and the School is very present on social media (LinkedIn, Facebook, Twitter, Instagram, YouTube) where our sponsors are often listed, and included in our print and online newspaper, The Plaid Press.
