

School City of East Chicago

Dr. Marlon Mitchell, **Interim Superintendent**

Cardinal Family,

Welcome back to the School City of East Chicago for the 2023-2024 school year! It is with great pleasure and excitement that I extend my warmest greetings to each one of you as we embark on another chapter in our educational journey. We have weathered challenges and overcome obstacles together, and now we stand poised to make a difference in the lives of our students once again.

As we prepare for the upcoming year, I am reminded of the strength and resilience that defines our Cardinal family. Throughout the past years, we have faced numerous trials and tribulations, yet we have emerged stronger and more determined than ever before. It is through our collective dedication, unwavering commitment, and shared sense of purpose that we have been able to persevere.

This year, we will continue to partner and collaborate with each other and with our broader community. Together, we will work tirelessly to ensure that our students receive the highest quality education possible. Our mission remains unchanged: to provide an environment where every student can thrive academically, socially, and emotionally. By fostering a culture of excellence and providing the necessary support, guidance, and resources, we will empower our students to reach their full potential.

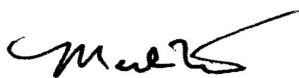

I want to take this opportunity to express my gratitude and appreciation for your unwavering dedication to our students. Your passion, expertise, and commitment to their success are invaluable. Your tireless efforts truly make a difference in their lives.

As we embark on this new school year, I want to assure you that I am ready, willing, and able to do the work alongside you. Together, we will position our district and students for success. Let us remember that teamwork makes the dreamwork. By working collaboratively, supporting one another, and embracing our shared goals, we will create a positive and nurturing environment where every student can thrive.

I am confident that this year will be one of tremendous growth and achievement. Together, we have the power to make a lasting impact on the lives of our students and the entire community. Let us seize this opportunity and make a difference that will be felt for years to come.

I am honored and privileged to serve as your Interim Superintendent. Let us embark on this journey with enthusiasm, determination, and unwavering dedication. Together, we will make this a remarkable year filled with triumphs and successes.

Here is to a wonderful and rewarding school year ahead!
