

Save Receipts For Your Child's Education Expenses

If you're buying school supplies for your children in kindergarten through 12th grade, you may qualify for one or both of these tax relief programs:

- K-12 Education Subtraction
- K-12 Education Credit

Save your receipts, because both programs can help lower your taxes and may provide a larger refund when filing your Minnesota income tax return.

Last year, more than 17,500 families received the K-12 Education Credit and saved an average of \$282. Over 138,000 families received the K-12 Education Subtraction with an average subtraction of \$1,285.

Common Expenses That Qualify:

- School supplies (pencils, paper, calculators)
- Educational computer hardware and software
- Tutoring K-12 curriculum by a qualified instructor
- Rental or purchase of musical instruments used during school

Expenses That Do Not Qualify:

- School supplies not used in education (backpacks, tissues, organizers)
- Clothing, including school uniforms (except required gym clothes)
- School lunches
- Family trip to museum or zoo
