

# THE KENTON COUNTY SCHOOL DISTRICT PURCHASING QUICK REFERENCE GUIDE

SCHOOL ACTIVITY FUNDS – A school Purchase Order approved by the Principal/designee is required prior to any purchase. Vendors used must comply with the District vendor options listed below.

DISTRICT FUNDS - A Requisition is to be completed by a staff member, and sent to the Principal/designee for approval prior to purchases utilizing district funds. Once approved by the Central Office, a Purchase Order will be assigned to an approved Requisition. No purchase or commitment to purchase from a vendor is to be made by a staff member without an approved District Purchase Order. The Board will not honor any commitment to purchase made by a staff member without following this procedure, and the staff member risks being personally responsible for initiating such purchasing arrangements.

**A staff member needs to check the district website noted below to first see if the product(s) or service(s) have been bid by the district. Allowable vendor/purchasing options for staff are as follows:**

- **Vendor has a formal district bid (see website)**
