Nike Sublimated Uniform

Care Instructions

Because these are custom sublimated uniforms, each set is valued at \$150. Please follow the instructions below when washing the uniforms:

1. Do not wash with other clothing items, including your issued socks. Jersey and shorts can be washed together.
2. Turn both the jersey and the shorts inside out prior to washing.
3. Wash only in cold water with liquid detergent. **NO BLEACH OR OTHER ADDITIVES!**
4. Do not allow uniforms to sit in the washer when the wash cycle ends, remove them immediately.
5. **DO NOT MACHINE DRY!** These uniforms must be hung to dry only.

If uniforms are damaged or destroyed when laundering the student-athlete will be obligated for the cost of a new uniform. Student-Athletes will not be obligated for replacing a uniform that is damaged or destroyed as a result of normal wear and tear during game play.

If you have questions regarding the care of uniforms, please contact Coach Johnson at gjohnson@fsd1.org.

The West Florence High School Athletic Department is focused on the individual development of each student-athlete we serve. Establishing a growth mindset in our student-athletes, through the example set by our coaches, we are developing each athletic program for success in the classroom and in competition.
