PARENT HANDBOOK

2023-2024

www.MacArthur.tulsaschools.org

MISSION AND VISION STATEMENT

MISSION: The Mission of MacArthur Elementary is to develop students who excel as lifelong learners, successful in both academic and social problem-solving and critical thinking.

VISION: At MacArthur, we believe our students are intelligent. This belief propels the MacArthur Team on a journey to grow as educators to see our students succeed at life. Using a rigorous curriculum, breaking down hidden biases, supporting teachers in developing greater conceptual understanding, and ultimately providing richer instruction across the curricula will result in meaningful learning experiences for all our students.

2023-2024 MacArthur Site Goals

1. MacArthur Elementary is committed to increased student achievement in all areas.
2. MacArthur is committed to a safe and secure learning environment for all.
3. MacArthur is committed to the increase of parent involvement.
4. MacArthur is committed to be a learning community where students are taught positive behavior and character education that nurtures academic success.

The above goals will be met through effective instruction, innovative methods and a dedicated faculty and staff.

SCHOOL HOURS

Pre-K – Kindergarten
1st – 5th Grade

7:30 a.m. to 2:25 p.m.
7:30 a.m. to 2:35 p.m.

EARLY ARRIVALS

To allow students to begin their school day on time, they may enter the school at 7:20a.m. For the safety of our students, we ask that parents not send or bring their child to school until 7:20 a.m. **There will be no adult supervision until 7:20 a.m. All students will enter through the front doors and proceed to the classroom.**

LATE ARRIVALS

Students are expected to be in the classroom by 7:35 a.m. Children arriving after this time are tardy. Please work with your child to see that he/she arrives on time. Rise and Shine and other morning activities are equally important and considered a part of your child's school day and therefore attendance is required. **Late arrivals will require adult accompaniment into the building to be counted present. The adult dropping off the tardy student is required to come to the office and sign the child into school on the Ident-A-Kid computer.**

ABSENCES

Should it be necessary for a child to miss school for any reason, it is the responsibility of the parent to notify the office (918-746-9140) by 8:30 a.m. with the child's name, grade, and reason for the absence. When the school is not notified, the absence is considered an unexcused absence. We use an automated phone calling system that will call the home of each student that is absent, if the school hasn't received a call from you by 8:30 a.m. As few as two absences in a month will cause your student to be designated as chronically absent. These absences affect the school but more importantly affects your child. We can not teach them if they are not here! Being chronically absent throughout the school year may result in your child repeating the grade level. Again, we can not teach them if they are not in school. We also work with the District Attorney's Office on attendance issues. Parents, please submit a doctor's note for any absence you wish to be excused. Also, with the early dismissal time it is expected that routine doctor visits be made at the end of the school day rather than causing an absence from school.

EARLY DISMISSAL

Children may not leave school property after arrival unless signed out through the office. For your child's protection, we ask that a parent come to the office to have a child dismissed before the end of the school day. Students will not be released for early pickup after 2:00 pm. Your child will be called to the office for early dismissal. A form of picture identification is required for picking up students. Children will only be released to those designated on the pickup list submitted at enrollment. Changes to this list must be completed in person by the parent/guardian.

IDENT-A-KID

For your child's safety we have purchased the Ident-A-Kid computer program. Students arriving late or being picked up early, as well as adults visiting, or volunteering must register on the computer. Photo identification is required of anyone signing out a student.

ADULT VISITORS will be asked to sign in in the school office, must be on the child's contact list and stay in the area designated at check-in. ALL visitors must have a visitor badge to proceed past the office.

Parents/Guardians who wish to observe in their child's classroom are required by TPS policy to provide notice to the teacher 24 hours in advance. To decrease the level of disruption to learning during a classroom visit visitors are asked to refrain from the use of phones or other electronic devices. **Parents may only interact with their own child while visiting the school.** Should you need to give an item or a message to a child, check into the office and we will deliver the item or message to the child or call them to the office for you.

The top priorities of our faculty and staff are the education and safety of all our students. To this end, we ask that you say goodbye at the front door or drop-off lane and allow students to proceed to the classroom on their own. Adults, please go only to the area of the building you are signed in to visit.

VOLUNTEERS are welcome and encouraged. All adults volunteering for any purpose must pass a background check. Once cleared by the background check, a short video is required for training purposes. The background check may take a few days so please contact the school office to verify prior to planning to volunteer.

SCHOOL CLOSING – INCLEMENT WEATHER

School closing due to inclement weather will be announced on the evening or early morning television and radio stations, the marquee, as well as, the TPS website at www.tulsaschools.org. Once school is in session for the day, Tulsa Public Schools generally will not close early even when there is inclement weather. However, parents are always welcome to pick up children early if there is a concern about weather or street conditions.

BREAKFAST PROGRAM

MacArthur students will begin each day with Breakfast in the Classroom. be served daily in the classroom FREE to 1st-5th students who wish to eat, 7:20 a.m. Pre-kindergarten and kindergarten students will be served in the beginning at 7:20 a.m. Breakfast is over, and the academic day begins by 7:45 a.m. **Parents must say good-bye at the front door or early childhood gate, whichever is appropriate.** It is proven that the more quickly the parent leaves the faster the child acclimates to school.

Breakfast will begin at cafeteria

LUNCH

Lunch menus are listed on the TPS website under the Parent Tab at the top of the page. For the past several years MacArthur has enjoyed Universal Free lunch. MacArthur will once again begin the school year with Universal Free Lunch. Free and Reduced applications are used to fund many of our school needs and must be completed annually. This can be done on Smart Choice. Thank you for assisting in completing your application. Students who bring their lunch may also purchase milk.

PROGRESS REPORTS

Parents are encouraged to frequently check their child's progress on PowerSchool at www.tulsaschools.org under the parent tab. **You will need your child's identification number which will be provided from the office.** If you do not receive a letter with instructions, please call the office. Progress reports are sent 4 weeks prior to the end of the quarter but may be sent anytime a teacher thinks it necessary. Parents are requested to sign each progress report and have the student return it to the issuing teacher. Please contact the school if you have any concerns with your child's progress. Teachers are available for conferences either by phone or in person. MacArthur faculty and staff wish to be your partner in the educational success of your child.

REPORT CARDS

Report cards are issued following each nine-week period. Parents are urged to discuss report cards with their child and encourage him/her to always do his/her best. If there is a problem or concern, the parent should contact the teacher. Students and parents may keep the report cards.

GRADES

E = Excellent, S = Satisfactory, N = Needs to improve, and U = Unsatisfactory are used to indicate achievement in grades K – 2. Pre-Kindergarten will use M=Mastered, P=Progressing and N=Not Yet Mastered. The system A, B, C, D, and F is used to indicate the scholastic achievement of students in the third, fourth, fifth and sixth grades for all subjects except PE, Music, and Art which use E, S, N, and U as defined above. Equally important with academic grades are the Citizenship and Leadership marks.

MAKE-UP ASSIGNMENTS

When a student misses school work or tests due to an excused absence, it is the responsibility of the student/parent to check with individual teachers to determine what work and tests need to be made up. When it is necessary to pick up missed class work, please allow the teacher 24 hours to gather and prepare the assignments. A student will have the number of days absent, plus one additional day to do the make-up work.

HOMEWORK

While most work that comes home is unfinished work from the school day, there are some grade levels that assign homework daily. Homework encourages students to assume greater responsibility for their learning and for the returning of the work for credit. Parents can assist students in developing good study habits by making homework a priority over other activities and designating a special time and place for homework to be done. Even when a child says he/she has no homework, they should still spend at least 20 -30 minutes studying spelling words, drilling on math facts to improve speed and accuracy, and reading any material. Research has shown that students who spend 20 minutes reading daily improve their skills significantly. Read every day! (Parents, verify with your child's teacher if your child consistently tells you he/she has no homework).

CONFERENCES

District-wide Parent/Teacher conferences are scheduled in October and March. Any time you wish to discuss your child's progress, please arrange for an appointment with the teacher. Appointments before school, after school, or during a teacher's planning time are necessary because teachers will be teaching when students are present. Any questions about specific teacher or classroom practices are to be directed to the teacher involved. If understanding cannot be reached, then a conference with the Principal or Counselor can be scheduled by calling the school office at 918-746-9140. **Our doors are always open and your child's education is our top priority!**

SCHOOL SUPPLIES

We have received basic school supplies through the generous donation of **Supplies for Success**. This is a project of the Charles and Lynn Schusterman Family Foundation, Community Action Project, and Tulsa Community Foundation. These supplies will be shared with our student body throughout the year. While we are very appreciative of these supplies, there are still much needed items that are not provided. The list of the remaining needed items will be on the supply list found at MacArthur.tulaschools.org and distributed to parents' email through SchoolConnect. Occasionally, teachers may request additional items for special projects. ALL students are requested to carry a backpack to school and home daily.

TEXTBOOKS/LIBRARY BOOKS

Textbooks and Library Books are the property of the school and should be used with care. Students are responsible for all books that are checked out to them and must pay for lost, stolen, or damaged books.

PERSONAL ITEMS

Students are to bring to school only those basic items necessary for learning. Games, toys, balls, other sports equipment, gum, candy, cosmetics, tablets, tape recorders, technology equipment, knives, guns, trading cards, pets, expensive items, etc. are to be left at home. Please see the TPS Behavior Response Plan for possible penalties for infractions. **Girls who carry purses must secure them in the locker as well.**

LOCKERS

Lockers are provided for students for their books and personal belongings including cell phones. Backpacks, coats, and purses should remain in the locker. Combination locks are allowed for grades 4 and above. The combination must be shared with the teacher. Otherwise, combinations are to be kept confidential. If a student cannot operate a combination lock, the parent may write a note and special permission may be granted from the principal to have a key lock. The student must carry one key and provide the office with a key. It is a good

idea to have an extra key at home in case the student loses their key. Locks that cannot be opened must be cut off the locker. The school will not be responsible for items lost or taken from lockers. Lockers are not to be shared with siblings or friends. Students are to use only the locker that has been assigned to them by their homeroom teacher. To encourage organization of resources, school lockers should be kept clean. School personnel may inspect lockers at any time.

LOST AND FOUND / LABEL POSSESSIONS

Parents, please label items (including coats, lunch boxes, etc.) that your child brings to school. Each year many items are misplaced or lost. Lost articles are placed in the Lost and Found cabinet in the cafeteria. Students and parents are encouraged to check Lost and Found periodically. Money, glasses, and jewelry may also be turned into the office.

PHONE

The school phones are business phones. Messages for students will be taken by the office when there is an emergency or when it is essential for a student to receive information. Students are not usually called to the phone. A student may not use the school phone except in case of emergency or special permission from the office. The phone is not to be used to ask permission to go home with another student. This type of thing must be arranged in advance so that our phones are available to conduct business.

CELL PHONES

If it is necessary for your child's safety to and from school to carry a cell phone, **they MUST turn it off and secure it in their locker daily.** Per school board policy, cell phones may not be used, or turned on, during the school day. Violation of this policy will result in confiscation of the phone. **MACARTHUR ELEMENTARY IS IN NO WAY RESPONSIBLE FOR RECOVERING OR REPLACING A CHILD'S MISSING PHONE.** It is the responsibility of the student to secure their phone.

RESTROOM USAGE

Students may visit the restroom before and after school as well as during scheduled breaks. Special trips may be allowed with teacher permission. Parents need to provide a note or medical statement if there is a medical problem requiring their child to go to the restroom outside these guidelines. Students are expected to conduct themselves in accordance with the Procedures for Bathroom usage.

BICYCLES

For safety reasons, bicycles should be walked while on school property. Bicycle racks are provided at the EAST entrance to the Early Childhood Addition (behind the Cafeteria). It is wise to have locks for the bicycles. **The school cannot be responsible for any lost or damaged bicycles.** Rules for bicycle safety are always to be followed.

MEETING EACH OTHER AFTER SCHOOL

Siblings wanting to meet after school will need to meet completely off school grounds. Please do not instruct your child to go to another classroom or outside to wait. **For safety reasons, students are not permitted to wait in the front of the school.** They must walk off school property, if so instructed, to meet their ride or walk home. To assist with orderly dismissal parents are asked to wait in their car or outside under the awnings. Let the office know when you need assistance locating someone.

TRAFFIC

To create a safe and orderly situation when delivering students or picking them up after school we ask for parental cooperation. Please drive very slowly. There is limited parking in the parking lot. **Do not park your car and leave it in the drive through lane.** Parents, please continue to remind your children of safety procedures such as looking both ways before entering a street or parking area and not walking between cars. School Staff will be available to assist students when crossing the parking lot. Tulsa Police and Tulsa Campus Police have informed the school that they will ticket drivers who unload students into the roadway as this is endangering the safety of the child.

MORNING DROPOFF

- Pre-Kindergarten and Kindergarten students will be dropped off at the EAST entrance to the Early Childhood Addition (behind the Cafeteria) beginning at 7:20.
- Bus students and car drop off other than PK and K will enter through the front drive through line.
- Autism students will enter through the South entrance beside the Gym.

AFTER SCHOOL PICK UP

The procedures for after school pickup are as follows:

- Students being picked up will be given 2 signs to hang in vehicles to expedite the pickup process.
- Parents walking children home are asked to wait outside under the awning by the Library until students are dismissed.
- Students walking from the school grounds will be dismissed out the front doors at 2:35.
- Bus riders will remain with their class until called to the bus line.
- First through fifth grade car riders will be dismissed from the southwest door by the Library after 2:35. Parents are asked to remain in the car while waiting for their child to be dismissed.
- School Personnel will be at the drive through line with a walkie-talkie to call student names for departure.
- Immediately load your car to keep the line moving.
- Pre-Kindergarten and Kindergarten students will be dismissed from the EAST entrance to the Early Childhood Addition (behind the Cafeteria) beginning at 2:25. Parents are asked to remain in the car while waiting for their child to be dismissed. If walking up, go to the gate and form a line by the fence.
- Autism students will be dismissed beginning at 2:25 from the SOUTH entrance by the gym (side parking lot). Parents are asked to remain in the car or outside while waiting for their child to be dismissed.
- If you need to come in for some reason, park your car in a parking space, NOT THE DRIVE THROUGH LINE, and enter the building.
- Any new person picking up a child must come to the office and present photo identification AND be on the parent's pickup list. If they are not on the list the child will NOT be released until parent verification is attained.
- The front doors will not be opened for early dismissal after 2:00. This is to cut down on the traffic, exposure for students in the hallway and verify who children are leaving the building with.

SAFETY PATROL

Our safety patrols, directed by a member of our staff, are a part of our school safety program. Safety patrols are selected from responsible fifth grade students. Respect and obedience to patrols is always needed for the safety of our students. Parents, please encourage your child to respect and cooperate with the patrols. Children who do not obey the safety patrol may be reported to the Safety Patrol Sponsor who will investigate and supervise correction and consequences. Should you feel a patrol is unfair to your child please report this to the Safety Patrol Sponsor. Safety Patrol Members are always expected to be an example for safe and healthy conduct.

ILLNESS, INJURY, AND MEDICATION

It is essential that the office have on file a working telephone number where a parent can be reached. This is necessary so that the parent can be notified in the event of an emergency such as, student injury or illness during school hours. Children with temperatures of 100 or above will be sent home. **A student sent home with a fever or vomiting must be symptom free for 24 hours, without the aid of medication, prior to return to school.** The school is not permitted to give any medication without written permission from the parent. PLEASE do not send medication with your child. Forms are available in the school clinic and must be completed by the parent prior to medication being sent to school. All prescribed medications must be in the original container and marked with the student's name, doctor's name, and the dosage. Contact the school Health Assistant, Ms. Creekmore, for additional information or questions at 918-746-9140.

SAFETY

Fire, disaster, Intruder on Campus, and Atmospheric Chemical Release drills are scheduled periodically throughout the year so that students are acquainted with proper safety procedures in the event of an emergency. Students are not allowed to leave school when a tornado alert is received or when weather conditions are such that a tornado appears imminent. The children will be sheltered at school in the FEMA safety rooms until danger passes.

INSURANCE

Information concerning accident insurance is available on the TPS website at www.tulsaschools.org. Tulsa Public Schools does not sell insurance, nor do we carry accident insurance for your child. We simply provide information so that you may consider the benefits. Questions concerning insurance should be directed to the insurance company.

BIRTHDAYS

Store purchased, single serve items such as cupcakes or cookies, may be shared with your child's classmates during their scheduled lunch time to celebrate his/her birthday. Classroom birthday parties are not allowed. We do not interrupt your child's class's learning time to have a party. **Arrange lunch celebrations with your child's teacher.**

PARENT PARTICIPATION/VOLUNTEERS

Parents are actively involved in the school. Numerous opportunities are made available through the MacArthur PTA and the Parent Volunteer Program. Contact the school to visit with Ms. Wells, Parent Involvement Facilitator, to discover ways you can help. We appreciate your help.

PARTIES/FOOD

Generally, there is a winter party and a Valentine's party. Our PTA requests parents' assistance with refreshments, etc. Our goal is to have a Homeroom Parent for each class to assist with the parties. For health reasons all food must be purchased from a store or bakery. Although we would love it, **HOMEMADE FOOD IS NOT ALLOWED.**

PICTURES

Individual pictures will be taken and made available for purchase in the fall and spring. Fall pictures will be for the yearbook and students will be in uniforms. Spring pictures will be free dress.

MACARTHUR ELEMENTARY SCHOOL UNIFORM POLICY 2023-2024

Students will wear the following:

- Short or long sleeved collared, Polo style shirt in solid colors of NAVY BLUE OR BLACK ONLY.
- Belts are not mandatory, but **sagging will NOT be allowed.**
- Jeans, pants, shorts, skirts, jumpers, or capris in the solid color of khaki, black, or navy blue. They must be properly fitted. **No leggings as pants will be allowed.** Skirts, shorts must extend below the fingertips when the child is standing with hands to the side.
- **Jeans MUST be free of rips and tears**
- MacArthur STAR shirts may be bought from PTA and worn on Fridays.
- All purses or distracting accessories will be in the locker and not allowed in the classroom.
- Shoes must be lace-up, buckle, zip or Velcro and have a closed heel or a heel strap. **Flip Flops are not allowed as per TPS School Board Policy. Heelies are considered dangerous in school and not allowed.**

If your child gets cold easily . . .

- Students may wear a long sleeved UNDER SHIRT under their Polo for added warmth in solid colors of WHITE, NAVY BLUE, OR BLACK. Coats and jackets belong in the locker.
- Students may wear a plain SWEATER or SWEATSHIRT in solid colors of NAVY BLUE or BLACK if needed for added warmth in the classroom.
- **HOODIES are not allowed.**
- Uniform shirts and sweaters are to be plain, without any writing or pictures.

We do not ever want to keep students from attending school because of uniforms. The Tulsa Assistance League, through MacArthur will distribute uniform shirts to all students.

If you need additional help let us know and we will try to assist.

To see pictures of acceptable uniform pieces, see the website at <https://macarthur.tulsaschools.org/>
School Board Policy concerning appropriate student attire will be adhered to, including designated free dress days.

School Board Policy concerning appropriate student attire will always be adhered to, including designated free dress days.

MacArthur School Creed

I am proud to be a MacArthur Star.

I know that I'll always go far.

**I study hard every day because I know education is the only way
to a better life, better choices, and better pay.**

I respect myself, other students, and teachers too.

I always say please and thank you.

Today I'll grow, and learn, and play,

And it will be a super day!

Common Area Procedures

| | |
|----------------------------------|---|
| Setting | Be Respectful, Be Responsible, Be Safe |
| Bathroom | <ul style="list-style-type: none"> ● Give people privacy ● Get in and Get out ● Keep it clean |
| Hallways | <ul style="list-style-type: none"> ● MacArthur Stride |
| Hallways (End of the Day) | <ul style="list-style-type: none"> ● Teachers will always supervise ● Students wait in their class for their name to light up in Pick Up Patrol |
| Cafeteria | <ul style="list-style-type: none"> ● Use good manners ● Keep food & drink in the cafeteria ● Stay seated |
| Assemblies | <ul style="list-style-type: none"> ● Respect others ● Be a good listener ● Sit crisscross on pockets |
| Office | <ul style="list-style-type: none"> ● Class or pass ● Be polite and patient |
| Arrival/Dismissal Halls | <ul style="list-style-type: none"> ● Use quiet voices ● Follow adult directions ● Stay in designated spot |
| Playground | <ul style="list-style-type: none"> ● Use equipment appropriately ● Line up quickly & silently ● Keep hands & feet to yourself |
| Outside | <ul style="list-style-type: none"> ● Follow Safety Patrol direction |

MACARTHUR DISCIPLINE PLAN **REWARDS AND CONSEQUENCES**

Students are under the supervision of many adults during the day. Each adult and/or area has behavior expectations and students are taught them so they can be successful.

Students are recognized at MacArthur when they follow behavior expectations and make positive choices. The staff at MacArthur use many different methods to let students know they are proud of their choices and improvements the students are making: Positive comments, notes, positive progress reports, good news phone calls to parents, reward activities and store, etc.

When a student chooses unacceptable behavior, the supervising adult (teacher, teacher assistant, etc.) will handle disciplinary offenses in accordance with the TPS Behavior Response Plan and communicate through the Talking Points app.

Certain behaviors are considered severe disruptions to the teaching-learning atmosphere. Therefore, these offenses will be dealt with at the discretion of the building administrator and may include detention, time out, in-school (FOCUS Room) or out of school suspension, alternative placement or any other consequence deemed appropriate in accordance with the TPS Behavior Response Plan.

We appreciate parent confidence and support as we endeavor to help children make wise and mannerly behavior choices while accepting responsibility for their words and actions and the consequences of their choices. Students can earn positive behavior points daily in the LiveSchool app which will accumulate to earn rewards and special activities.

Students may “spend” their LiveSchool paychecks for Positive Reward Activities or prizes. Faculty and staff will be watching for STAR behavior. Students caught being a STAR will earn additional behavior points for the day.

The qualities of STAR Behavior are listed below:

- S- Self-control
- T- Try Your Best
- A – Awesome Attitude
- R – Respectful
- S – Smart Choices

SCHOOL NAME

MacArthur School is named after the great American General, **Douglas MacArthur**. General MacArthur was born in Little Rock, Arkansas, on January 26, 1880. His father was also a General in the American Civil War. Douglas graduated from the U.S. Military Academy in 1903 with highest honors and became an engineer officer. He served with President Theodore Roosevelt and was the army's first public relations officer. In World War I, he reached the rank of general and won numerous honors for his heroism and leadership. From 1919 to 1922, as superintendent of West Point, he revitalized the military academy. After other assignments, including the command of the Philippine Department, he was made army chief of staff in 1930 and held the post for five years, longer than any predecessor. General MacArthur died in 1964.
