

**Interlocal Agreement  
2021-2022 Academic Year**

**Parties**

This Interlocal Agreement (hereinafter “Agreement”) has been developed between Central Washington University (“CWU”) and Puyallup School District (“School District”) to govern their relationship in administering the College in the High School/Cornerstone Program for the 2021-2022 academic year. It is intended to define the conditions under which students (hereinafter “student”) may enroll in CWU courses, and to establish operational rules for enrollment in courses offered at high school sites.

**Purpose**

The College in the High School/Cornerstone Program operated by CWU is intended to provide access for advanced study for qualified high school students in a manner that minimizes enrollment barriers. This Agreement refers to the College in the High School/Cornerstone Program at high school locations where students enroll in CWU courses at high school locations. In accordance with RCW 28A.600.290, students will receive college credit from CWU upon successful completion of a College in the High School/Cornerstone course.

**A. Funding and Fees (Non-State Funded Schools)**

This Section A applies to College in the High School student enrollments for which state funding subsidies are not provided.

1. RCW 28A.600.290, as currently enacted or hereafter amended, defines the College in the High School program for the School District, CWU, and the student.
2. CWU will provide a monthly enrollment count to individual schools. This information will be e-mailed to the individual(s) listed in section B.4. These reports must be regularly reviewed for accuracy by each school.
3. The parties to this Agreement shall maintain documentation supporting College in the High School/Cornerstone student enrollment. If a student stops attending class, but fails to officially withdraw from CWU, the student/School District will not be reimbursed, in accordance with CWU’s tuition reimbursement policies.
4. CWU will invoice for all registered students a fee of \$55 per CWU credit at the end of each term. School District has two options for how this fee is paid. The first option is for School District to be responsible for all fees and to remit payment to CWU, and the second option is for CWU to directly bill the students for the fees. Below, School District is to select its billing method by checking the appropriate box. Only one billing method can be selected. The billing method selected cannot be changed after October 1<sup>st</sup>, 2021.

Please select **one** of the following billing methods:

School District will remit payment to CWU.

School District would like to have CWU invoice students directly.

5. If School District uses CWU Testing Services, the testing fee of \$15 per exam taken by each student is automatically billed to the School District on a monthly basis. See Section G for more information about testing.

6. In the space below, the School District is to indicate who is to receive all invoice correspondences. It is important that this person or persons review and verify all invoice correspondences sent from CWU and remit payment to CWU in a timely manner. Payment is due within 60 days of School District's receipt of each CWU invoice. CWU reserves the right to assess interest on past-due amounts, at the rate of 1% per month, in accordance with applicable law.

### **B. Funding and Fees (*State Funded Schools*)**

This Section B applies to College in the High School enrollments for which state funding subsidies are provided.

2. For College in the High School funding purposes, each student is eligible to enroll in up to a maximum of 5-10 credits based upon OSPI's prioritized College in the High School subsidy list pursuant to RCW 28A.600.290(1).
3. CWU will provide a monthly enrollment count to individual schools. This information will be e-mailed to the individual(s) listed in section B.4. These reports must be regularly reviewed for accuracy by each school.
4. CWU will invoice the School District for all eligible participating students, at the rates set forth for this purpose by the State of Washington through the omnibus appropriations act referenced in RCW 28A.600.290, at the end of each academic term based on the information provided on the monthly report. All invoices will be sent by CWU to the School District business manager or designee as directed by the School District.
5. The College in the High School/Cornerstone Program is available during the fall, winter and spring quarters.

### **C. Eligibility**

1. High school sophomores (sophomores are not eligible for state subsidies), juniors, and seniors are eligible to participate in the College in the High School/Cornerstone program as defined by RCW 28A.600.290 and as provided by WAC 392-725.
2. Attachment A hereto lists all courses the School District is approved to offer as part of the College in the High School/Cornerstone program. All participating School District teachers must follow all applicable CWU requirements and policies, including but not limited to those listed in section I2 of this Agreement and the Instructor and Partner Handbooks, available at <https://www.cwu.edu/college-hs/forms>.

### **D. Credits**

1. In accordance with RCW 28A.600.290(5)(d), School District must grant high school credit to a student enrolled in a program course if the student successfully completes the course. If no comparable course is offered by the School District, the district superintendent shall determine how many credits to award for the course. The determination shall be made in writing before the student

enrolls in the course. The credits shall be applied toward graduation requirements. Evidence of successful completion of each program course shall be included in the student's secondary school credits and transcript.

2. In accordance with RCW 28A.600.290(5)(e), CWU must grant college credit to a student enrolled in a program course if the student successfully completes the course. The college credit shall be applied toward general education or major requirements. Evidence of successful completion of each program course must be included in the student's college transcript.

3. The School District shall establish on a course by course basis the amount of high school required or elective credit, or combination thereof, that shall be awarded for each CWU course successfully completed by the student based upon the conversion rate set forth in WAC 180-51-050; one high school credit (Carnegie Unit) is the equivalent of five university quarter credits of course work that is generally designated 101 level or above by CWU..

4. Pursuant to WAC 392-725-200(3), within five School District business days of a student's request for confirmation of credit, the School District superintendent or other designated School District representative shall confirm in writing the amount of high school required or elective credit, or combination thereof, which shall be awarded upon successful completion of the courses.

5. Upon confirmation by CWU of a student's successful completion of College in the High School/Cornerstone Program courses, the School District shall record on the student's secondary school records and transcript the high school credit previously confirmed under WAC 392-725-200 together with a notation that the courses were taken at an institution of higher education.

#### **E. Equity/Accommodations**

1. Any ADA accommodations made for disabled students will be the obligation of the School District.

2. For students under an Individualized Education Program (IEP) that provides for participation in College in the High School/Cornerstone program, the School District which establishes the IEP will be responsible for ensuring compliance with the IEP.

#### **F. Student Behavior**

1. The School District and CWU shall independently have and exercise jurisdiction over academic and disciplinary matters involving a student's enrollment and participation in courses, and the receipt of services and benefits from the School District or CWU.

2. Student conduct will be governed by the high school's policies and expectations as it pertains to the student's physical actions and presence in the classroom and in the school during the College in the High School/Cornerstone course offered at the high school class period. The CWU academic integrity policy and course syllabus will govern the student's academic performance, expectations and standards. Please refer to: <http://www.cwu.edu/student-rights/>.

## **G. Testing**

1. School District has the option of utilizing CWU Testing Services to satisfy placement requirements into College in the High School/Cornerstone program courses.
2. CWU will invoice School District monthly for testing services at the rate of \$15 per exam taken. CWU will waive testing fees for School District's students who utilize the Free or Reduced Lunch Program. When prompted by CWU, the School District must inform CWU of the number of students who tested and are Free or Reduced Lunch eligible.

## **H. CWU Responsibilities for College in the High School/Cornerstone Program**

CWU will:

1. Offer authorized and approved CWU courses at high school locations, taught by School District teachers who have gone through the CWU application process and been approved by the appropriate CWU faculty liaison, CWU department chair, and CWU college dean or associate dean.
2. Determine final teacher appointment for each course.
3. Provide a "College in the High School or Cornerstone Registration Form" for participating students to enroll in university credit options without requiring official high school transcripts and/or SAT/ACT scores which are needed when applying to the Running Start on-campus program. Appropriate placement testing scores may be required. (Please see registrar catalog (<http://catalog.acalog.cwu.edu/>) for official requirements for all courses) Students will be admitted as non-degree seeking, non-matriculated students.
4. Provide clear documentation of academic expectations for students enrolled in each approved course offered at the high school location. The documentation will provide guidelines, as delineated by the course syllabus, for College in the High School/Cornerstone students taking college courses.
5. Coordinate team/individual meetings with School District teacher to ensure adherence to syllabi and expected rate of student progress. Meetings will be coordinated, at CWU or the high school campus, as necessary.
6. Depending on program/accreditation requirements, conduct observation of each School District teacher at least once per year and provide feedback on the effectiveness of the classroom experience to the School District teacher and the designated high school official.
7. Provide recommendations to remedy any inadequate performance issues to the designated high school official within 60 days of classroom observation.
8. Remove from the program any instructors who have failed to comply with College in the High School/Cornerstone policies or procedures. Noncompliance issues will be handled in consultation with the School District.

9. Arrange to have each CWU approved instructor evaluated using the CWU Student Evaluation of Instruction (SEOI).
10. Solicit input from CWU approved instructors as appropriate, for development of course final exam.
11. Provide each student the opportunity to visit the CWU campus upon mutual agreement between the School District and CWU.
12. Provide each eligible student with a CWU student ID card if requested.
13. Conduct ongoing research in accordance with WAC 392-725-160 for the benefit of the program and its participants.
14. Provide access to an advisor who can talk about the benefits and implications of taking college courses.
15. In conjunction with the high school, provide students enrolled in CWU classes with suitable access to learning resources and student support services.
16. Inform School Districts of required materials including, but not limited to, textbooks for each college in the high school course. School District will be responsible for purchasing and replacing any required textbooks. See attachment for list of required textbooks if applicable.
17. Send a one-time administrative reimbursement to the School District at the end of the academic year, based on the following:
  - a) Based on end of term enrollments, CWU recognizes that some of the duties connected to this program can require more or less work depending on the number of students in that particular period (i.e. the registration process, grading, etc.). The administrative reimbursement is broken down by class size to reflect that additional work. Because additional periods of the same course do not require any extra team meetings or training time the additional reimbursement is meant to reflect further work done by the teacher (i.e. the registration process, grading, etc.).
  - b) The administrative reimbursement will be paid in the amount of \$35 per student, up to a maximum of 15 students per class period.
  - c) School District must be current with all invoice payments to CWU and, when prompted via email by CWU, submit a completed "Period Request Form" and the Washington State Invoice Voucher form A-19. The administrative reimbursement cannot be processed if these two items are not provided to CWU and/or the School District is not current with payment(s). In the space below, the School District is to indicate who is to receive all administrative reimbursement correspondence from CWU:

**I. School District Responsibilities for College in the High School/Cornerstone Program**

School District will:

1. Supervise and evaluate School District teachers per the School District collective bargaining agreement.
- 2\*. Ensure each School District teacher completes or provides the following for each approved course:
  - a) Provide a professional and prepared classroom environment.
  - b) Submit course syllabus to CWU for approval.
  - c) Provide each enrolled CWU student with the approved CWU syllabus at the start of the term.
  - d) Collect and submit to CWU student registration forms and evaluations in accordance with the university established deadlines.
  - e) Attend individual/team meetings as designated or requested by CWU.
  - f) Attend yearly summer institute training session in accordance with CWU policy.
    - a. New teachers, both brand new to teaching and new to a discipline, who have gone through the CWU application process and have been approved by CWU must attend a summer institute training prior to their first time offering a CWU course.
    - b. CWU approved returning teachers who have successfully completed 2.f.a for each approved discipline are required to attend summer institute training, at minimum, every three years (i.e. if a teacher attends in 2021, at minimum, they will have to attend in summer 2024 to remain eligible to teach CWU classes). Approved CWU teachers are encouraged to attend the summer institute annually.
    - c. Teachers approved in multiple disciplines must be in compliance with the required training for each specific discipline in order to offer CWU courses in the respective disciplines.

- g) Allow CWU to conduct classroom observation, either in person or online/remote, at least once per year for each approved course.
- h) Coordinate completion of Student Evaluation of Instruction (SEOI) in accordance with the CWU student evaluation process.
- i) Provide input to CWU faculty on the development of the course final.
- j) Ensure students complete course requirements and learning outcomes as indicated in the course syllabi.
- k) Assign grades for CWU students who are enrolled in approved courses in accordance with the university established deadlines.
- l) Check their class rosters in their MyCWU to verify enrollment.

\*Instructors found to be in non-compliance with section I.2. will be removed from the program.

3. In the event an approved instructor is unable to continue teaching their CWU course for a period of 10 consecutive instructional days (an instructional day is defined as a day in which classes are officially being held at the school and count toward the state mandated 180 days of instruction as prescribed in RCW 28A.150.220), the School District must notify CWU. If the instructor is unable to continue, only an approved instructor, who has gone through the CWU application process and been approved by CWU, may continue teaching the course. If the original approved instructor is unable to continue teaching their CWU course, after missing 10 consecutive instructional days, and no other School District teacher has been approved to offer that CWU course, the course will be cancelled, all students will be dropped from their CWU class, and any charges assessed will be reversed.

4. Respond to recommendations regarding inadequate performance as identified by CWU in accordance with the School District collective bargaining agreement.

5. For mixed enrollment classes, maintain documentation that differentiates instruction and class requirements between high school class and approved CWU course.

6. Ensure that any course materials required by CWU including, but not limited to, textbooks for each College in the High School course, are purchased, maintained, and replaced as necessary, either by the students or the School District.

7. Remit payment within 60 days of receipt of invoice or invoice date, whichever is later, to:

Central Washington University  
High School Partnerships  
400 E University Way  
Ellensburg, WA 98926-7431

8. In conjunction with CWU, provide students enrolled in CWU classes with suitable access to learning resources and student support services.

9. Student teachers can be involved with a CWU course under the direct supervision of an approved and trained CWU College in the High School teacher. Student teachers may co-teach, act in a

support role and teach under the direct supervision of the CWU approved teacher. Here, direct supervision means the CWU teacher is always in the room when the student teacher is teaching or supporting the class. In courses involving a student teacher, the CWU teacher remains the primary instructor for the course and is responsible for teaching the CWU curriculum, evaluating students, and assigning all CWU grades. If/when a student teacher is teaching, the CWU teacher must ensure they are teaching the CWU curriculum in the correct manner and following the CWU syllabus. The student teacher will not administer or grade any CWU assessments. Student teachers will not be able to establish a MyCWU or access MyCWU-protected information or resources. Teachers with a student teacher assisting in their CWU course should notify their faculty liaison. Additionally, when scheduling the class observation, teachers should schedule the visit for when they are teaching as opposed to the student teacher as the class observation needs to be of the course's primary and CWU-approved instructor. Student teachers are not permitted to take over the CWU class in any way.

10. Please indicate what term system is/are your high school(s) using (when do you put official grades on a student's high school transcripts)?

Electronic Record and Signature Disclosure		

## **CONSUMER DISCLOSURE**

From time to time, Central Washington University (we, us or Company) may be required by law to provide to you certain written notices or disclosures. Described below are the terms and conditions for providing to you such notices and disclosures electronically through the DocuSign, Inc. (DocuSign) electronic signing system. Please read the information below carefully and thoroughly, and if you can access this information electronically to your satisfaction and agree to these terms and conditions, please confirm your agreement by clicking the 'I agree' button at the bottom of this document.

### **Getting paper copies**

At any time, you may request from us a paper copy of any record provided or made available electronically to you by us. You will have the ability to download and print documents we send to you through the DocuSign system during and immediately after signing session and, if you elect to create a DocuSign signer account, you may access them for a limited period of time (usually 30 days) after such documents are first sent to you. After such time, if you wish for us to send you paper copies of any such documents from our office to you, you will be charged a \$0.00 per-page fee. You may request delivery of such paper copies from us by following the procedure described below.

### **Withdrawing your consent**

If you decide to receive notices and disclosures from us electronically, you may at any time change your mind and tell us that thereafter you want to receive required notices and disclosures only in paper format. How you must inform us of your decision to receive future notices and disclosure in paper format and withdraw your consent to receive notices and disclosures electronically is described below.

### **Consequences of changing your mind**

If you elect to receive required notices and disclosures only in paper format, it will slow the speed at which we can complete certain steps in transactions with you and delivering services to you because we will need first to send the required notices or disclosures to you in paper format, and then wait until we receive back from you your acknowledgment of your receipt of such paper notices or disclosures. To indicate to us that you are changing your mind, you must withdraw your consent using the DocuSign 'Withdraw Consent' form on the signing page of a DocuSign envelope instead of signing it. This will indicate to us that you have withdrawn your consent to receive required notices and disclosures electronically from us and you will no longer be able to use the DocuSign system to receive required notices and consents electronically from us or to sign electronically documents from us.

### **All notices and disclosures will be sent to you electronically**

Unless you tell us otherwise in accordance with the procedures described herein, we will provide electronically to you through the DocuSign system all required notices, disclosures, authorizations, acknowledgements, and other documents that are required to be provided or made available to you during the course of our relationship with you. To reduce the chance of you inadvertently not receiving any notice or disclosure, we prefer to provide all of the required notices and disclosures to you by the same method and to the same address that you have given us. Thus, you can receive all the disclosures and notices electronically or in paper format through the paper mail delivery system. If you do not agree with this process, please let us know as described below. Please also see the paragraph immediately above that describes the consequences of your electing not to receive delivery of the notices and disclosures

electronically from us.
