JUNE–AUGUST 2015

Hawthorne Schools Recognized

As we come to the close of another school year, I am happy to announce that three of our schools are being recognized by the California Department of Education as Gold Ribbon Schools. The Gold Ribbon Schools Award was created to honor schools while the California Distinguished Schools Program is on hold for the next couple of years.

The focus of this award is to recognize schools that have made tremendous gains in the implementation of the California academic content and performance standards for all students. These include the Common Core State Standards for language arts and mathematics, English language development standards, and science standards.

The award alternates between elementary and secondary schools. This year our middle schools and high school had the opportunity to complete an application. Next year our elementary schools will have the same opportunity.

Hawthorne Middle School, Prairie Vista Middle School, and Hawthorne Math and Science Academy have all been recognized as Gold Ribbon Award Schools. This is a great honor and very much deserved by all of these outstanding schools.

In closing I want to take this opportunity to thank the entire learning community staff, students, families, and community partners for helping to make the 2014-2015 another successful year. I am so proud and honored to be a part of this community!

Dr. Helen E. Morgan
Superintendent

Escuelas de Hawthorne son Reconocidas

A medida que nos acercamos al final de otro año escolar, estoy feliz de anunciar que tres de nuestras escuelas han sido reconocidas por el Programa de Escuelas Distinguidas de California mientras que el Programa de Escuelas Distinguidas de California está en espera para los próximos dos años.

El objetivo de este premio es para reconocer que las escuelas que han hecho enormes avances en la implementación del contenido académico de California y los estándares de rendimiento para todos los estudiantes. Estos incluyen los Estándares Estatales Comunes del Estado para las artes del lenguaje y matemáticas, los estándares de desarrollo del idioma Inglés, y estándares de ciencias.

El premio se alterna entre las escuelas primarias y secundarias. Este año nuestras escuelas secundarias y preparatorias tuvieron la oportunidad de llenar una solicitud. El próximo año nuestras escuelas primarias tendrán la misma oportunidad.

La Escuela Secundaria Hawthorne, Escuela Secundaria Prairie Vista, y la Academia de Matemáticas y Ciencias de Hawthorne todas han sido reconocidas con el Premio Escolar Cinta de Oro. Este es un gran honor y muy merecido por todas estas escuelas sobresalientes.

Para concluir quiero aprovechar esta oportunidad para agradecer a todo el personal de la comunidad de aprendizaje, estudiantes, familias y socios de la comunidad por ayudar a hacer del 2014-2015 otro año escolar exitoso. ¡Me siento muy orgullosa y honrada de ser parte de esta comunidad!

Congratulations Retirees

As the year comes to a close, I would like to extend my well wishes to the HSD family members who have decided to retire this year they include:

Name	School	Years of Service
Vickie Warner	Director of Special Education	36
Nancy Cousineau	Teacher, Washington School	31
Melodye Gleason	Cafeteria Manager, Kornblum School	24
Irma Segura	Food Service Worker, York School	21
Ana Cancel	LAUP Preschool Aide, Zela Davis School	18
April Tygard	Teacher, Jefferson School	18
Barbara Hargrove	Teacher, York School	17
Marina Dias	Instructional Aide, Zela Davis School	16
Tina Peace-Glover	Food Service Worker, Jefferson School	16
Eleanor Reese	Teacher, Hawthorne Math & Science Academy	11
Judith Copeland	Instructional Aide, Kornblum School	8

You will all be missed! Enjoy this new chapter of your life!

¡Felicitaciones! a los Jubilados

Mientras llegamos al final de este año, me gustaría extender mis buenos deseos a los miembros de la familia del Distrito Escolar de Hawthorne que han decidido retirarse este año incluyendo a:

Nombre	de la Escuela	Años de Servicio
Vickie Warner	Directora de Educación Especial	36
Nancy Cousineau	Maestra, de la Escuela Washington	31
Melodye Gleason	Manejadora de la Cafetería, de la Escuela Kornblum	24
Irma Segura	Empleada del Departamento de Alimentos de la Escuela York	21
Ana Cancel	Asistente del Preescolar LAUP de la Escuela Zela Davis	18
April Tygard	Maestra, de la Escuela Jefferson	18
Barbara Hargrove	Maestra, de la Escuela York	17
Marina Dias	Asistente de Instrucción de la Escuela Zela Davis	16
Tina Peace-Glover	Empleada del Departamento de Alimentos de la Escuela Jefferson	16
Eleanor Reese	Maestra, de la Academia de Matemáticas y Ciencias de Hawthorne	11
Judith Copeland	Asistente de Instrucción de la Escuela Kornblum	8

¡A todas ustedes se les extrañará disfruten de este nuevo capítulo de sus vidas

Programa de Preescolar

El Preescolar del Distrito Escolar de Hawthorne (por sus siglas en inglés HSD) es un programa gratuito de preparación escolar de 3.5 horas, para niños de 4 años

*Horario del Salón de Clases del Preescolar:
Sesión de la mañana 8:05 AM - 11:35 AM
Sesión de la tarde 12:15 PM - 3:45 PM*

Transitioning to Kindergarten

Kindergarten is the next big step on your child's academic journey. As parents, some of the ways you can help your child prepare for this exciting new adventure includes talking enthusiastically with your child about starting kindergarten, setting and practicing new routines, as well as attending your local school's transition to kindergarten meetings. A successful move into kindergarten will help your child have a positive attitude about school and learning.

Transición al Jardín de Infantes

El jardín de infantes es el siguiente gran paso en el camino académico de su hijo/a. Como padres de familia, algunas de las maneras que usted puede ayudar a su hijo/a a prepararse para esta nueva y emocionante aventura incluye hablar con entusiasmo con su hijo/a acerca de comenzar el jardín de infantes, establecer y practicar nuevas rutinas, así como asistir a su escuela local para las reuniones de la transición al jardín de infantes. Un movimiento exitoso en el jardín de infantes ayudará a que su hijo/a tenga una actitud positiva sobre la escuela y el aprendizaje.

Our Active Parents!

At Bud Carson Middle School, we feel so fortunate to have such an active parent group. Some are serving the community on the Neighborhood Action Council, which is currently focusing on recycling and the environment. Our parents also serve the school on our School Site Council and our English Learners Advisory Council and represent our school on the District English Learner Advisory Council and the District Advisory Committee. Our parent group volunteers for our afterschool art class twice a week in addition to attending all school functions. They also serve as chaperones on field trips. Some of our parents serve in similar capacities at our feeder school, Zela Davis School.

It was with great pleasure that we honored our parent volunteers at a special school lunch on May 4. We are so lucky to have a group of parents who are committed and truly see the value of being active participants at their children's school.

Kay Coop
Founder/Publisher

This school year is coming to a close. It has been a pleasure publishing the excellence in the Hawthorne Unified School District. We learned a lot this year about Common Core, Chromebooks, iPads... can't wait to see what next school year brings.

Congratulations to the students as they transition to the next grade level and for some that means another school and high school.

Our next issue is September 2nd. Have a wonderful summer. Please remember to include reading among your activities.

Enrichment Opportunities

This has been an exciting year for enrichment and extracurricular programs at Eucalyptus Elementary School. In addition to sending each grade level on a study trip, we've had the opportunity to offer programs during the day and after school in the areas of intervention, enrichment, and athletics.

In an effort to improve student attendance, behavior and academics, over 25 teachers and staff members have dedicated their time this year to extend the school day. Intervention classes were offered to support struggling kindergarten through fifth-grade students in English language arts and math. In addition, we've added enrichment classes in a variety of areas, including engineering, cooking, coding, technology, newspaper, math enrichment, and dance, and we are

also offering Homework Club. We also offered athletic activities including karate, Running Club, hockey, cheerleading, and soccer.

Next year, we hope to continue these programs and add more to the list!

Youth Entrepreneurship Challenge

Hawthorne Middle School Business Academy students participated in the 2015 Network for Teaching Entrepreneurship (NFTE) Semi-Final Youth Entrepreneurship Challenge at Hawthorne Math and Science Academy. Hawthorne had six participants in the middle school competition. The competition provided a \$500, a \$400, a \$300 and a \$200 cash prize and a chance to connect and impress Southern California entrepreneurs.

Entrepreneurship education is a fundamental tool for student engagement. Through NFTE's entrepreneurship programs, we are inspiring our next generation of innovative thinkers, problem solvers and civic leaders that will shape the future global market.

The contestants gave an eight-minute presentation highlighting viable marketing opportunities, firm financial structure and adequate investment

Mohammad, Delmy, Leslie, Nazareth, and Sidney

return. In the second round, contestants had one minute to "pitch" their idea to another set of judges who then determined the grand-prize winner.

Sidney Ramos's Punish Wraps received second place, and Mohammad Akram's Dessert Kababs received first place in the competition.

HMSA Strikes Gold!

By Sonya Smith, Ed.D., Assistant Principal

On May 22, HMSA was recognized as a Gold Ribbon School by the California Department of Education. According to the Department's news release, "The Gold Ribbon awards recognize California schools that have made gains in implementing the academic content and performance standards adopted by the State Board of Education." This includes the Common Core State Standards for English language arts and mathematics.

State Superintendent of Public Instruction Tom Torlaksen described Gold Ribbon schools as "academically successful, vibrant, and innovative centers of learning and teaching that provide great examples of the things educators are doing right – embracing rigorous academic standards, providing excellence and creativity in teaching, and creating a positive school climate."

Requirements for the Gold Ribbon application included a description of a model program, strategies for implementation and monitoring, connections to the Local Control Accountability Plan (LCAP) goals, and data to support its effectiveness. HMSA's application highlighted the school-wide and college-going culture designed to increase college enrollment rates for student populations that are underrepresented at four-year institutions.

The target areas included closing the achievement gap and providing education supports for all students, regardless of their race or ethnicity; family income; and academic proficiency or special needs status. Implementation strategies focused on five areas: school climate, social/emotional/behavioral support, data-driven decision making, professional development, and parent involvement.

Data from both CSU Analytics and the National Clearinghouse shows that HMSA alumni are enrolling in, progressing at, and graduating from four-year institutions at rates higher than the national averages.

HMSA was also recognized as a Title I Academic Achieving School at the May 22 ceremony. According to the news release, "This additional recognition is given only to schools receiving federal Title I funds that assist in meeting the educational needs of students living at or below the poverty line."

Not one to rest on his laurels, Principal Berumen will continue to challenge HMSA's staff to repeat a constant cycle of reflection in order to ensure program improvement and student success.

Seuss Spirit

Kornblum Elementary School honored Dr. Seuss with a spirit week. The campus was decorated with balloons, banners, and characters from Dr. Seuss books. Some classrooms had their entrances decorated for the Dr. Seuss theme.

Each day there was a theme from a Dr. Seuss book. On Monday, the students, staff, and parent volunteers wore green for Green Eggs and Ham. Tuesday was Crazy Hat Day for Cat in the Hat. Wednesday was Twin Day, which related to the characters Thing 1 and Thing 2. Thursday was Crazy Socks Day for Fox in Socks. On Friday, everyone wore pajamas for our lunchtime read-alouds. Students sat on the grass on colored parachutes to eat their picnic lunch. District administrators, parents, and teachers read Dr. Seuss books to students.

The students loved having their lunch picnic style and enjoyed the literature.

The goal of the week was to instill a love for literature, and the Kornblum Cardinals accomplished it. We look forward to this celebration next year.

Eagle Events and Activities

Three hundred Jefferson families enjoyed some Cinco de Mayo fun on Mariachi Night, which has become an annual event. The Mariachi Grullense Band provided popular musical favorites including "El Rey," "Amor Eterno," and "Cielito Lindo." The band was accompanied by two talented Folklorico dancers wearing beautiful traditional dresses. Food, raffle prizes, and volunteers from Parents to the Rescue were on hand to complete the event.

Other events and activities in the 3rd trimester at Jefferson include Family Literacy Night, 3rd grade dance performance, "Annie" performance, Mad Science, Environmental Defenders assemblies, 5th grade field trip, 5th grade dance, Kinder Fun, and awards assemblies. This school year has been full of enriching and meaningful experiences that will continue for years to come. We wish our families and staff a wonderful summer and look forward to working with you in 2015/2016.

Mariachi Grullense, Jenny Solis, Rashell De Leon, and Parents to the Rescue participated in Jefferson's Mariachi Night on Cinco De Mayo!

Family Math Night

This April all PVMS families were invited to Family Math Night – a fun filled evening of hands on math. Families who attended the festivities enjoyed dinner before traveling among 10 go-at-your-own-pace stations led by teachers and AVID students. Families were able to play games of strategy both with and without technology, make predictions and graph results, measure estimated distance, practice their math facts, build polyhedron and try their hand at our own Quiz Show math! With the intent of strengthening mathematical application, problem solving, and communication through the power of family interaction as the focus, students and their families also found out just how fun math can be!

Egg-cellent Involvement

Parents and teachers from the PREPARE Preschool partnered to host a fun-filled, egg-hunting event for our students on the campus. Parent volunteers, program teachers, and classroom aides collaborated to decorate several playground areas with spring décor. They hid treat-filled eggs for the students to gather in themed bags. The campus was buzzing with excitement, and our preschoolers were eager to embark on their exciting adventure!

This exciting event offered parents the invaluable opportunity to interact with their children as they extended their tactile learning while engaging multiple senses in an exploratory setting. After the event, one parent joyfully exclaimed, “Being involved in my child’s education is so important to me!” This underscores the importance of continued partnership

with parents in the programs offered at Prairie Vista South Campus. We truly believe that, through this valued partnership, our students will be greatly supported as they reach for educational excellence.

Creating Bilingual Students

Ramona School is the only elementary campus in the Hawthorne School District to offer the Two-Way Bilingual Immersion Academy (TWBI). The Academy is a bilingual program offered to both Spanish-speaking and English-speaking students in which the children learn how to read, write, and speak in both languages.

Emphasis on Spanish instruction in the early grades allows English-speaking students ample exposure to the target language, Spanish. English reading is introduced in grade three. Spanish speakers have the opportunity to expand their vocabulary and build a strong base in their first language, which enables them to be more successful as they begin to acquire English orally, and later as they transfer their reading and writing skills into English.

The classrooms look like any other, with colorful student work lining the walls, and the sound spelling cards posted. The only difference is that all of the materials are in Spanish. The social interaction that takes place helps each student develop their target language. They truly learn from one another to develop high levels of confidence and self-esteem through their study of the two languages.

Students further their cultural learning by participating in weekly Spanish dance classes. Learning comes alive as the beauty of both languages is explored through literature, dance, and song.

We are very proud of the students, parents, and staff members at the TWBI Academy. If you would like more information, you can visit www.hawthorne.k12.ca.us and scroll to the Two-Way Bilingual Immersion link.

Passion for the Arts

By Stacey Ezewiro, Literacy Coach

Wildcat student performances take center stage! Our first spotlight shines on Mrs. Cousineau and select third-graders. Their talents in reading music and playing the recorder were displayed at a recital for family and friends.

In Mr. Atienza’s Poetry Performance class, third-graders performed dramatic skits of poems written by Shel Silverstein. They used props that sparked laughter from the audience of parents and teachers. Their enthusiasm for the arts proves the importance of allowing students more opportunities to develop their creativity.

More performances continue in our Performing Arts Workshop. Third-through fifth-grade students performed an excerpt from the play Annie. They received training in voice exercises and stage presence. Each performance showcased solo singing performances from Rachel Cervantes and Anahi

Mr. Atienza’s poetry performance class.

Pintado. Our year has been filled with amazing opportunities for students to sing, dance and act. We look forward to adding to our performing arts program in the upcoming year.

Jennifer Beekman
Principal

Outstanding School Culture

York School is known for its outstanding school culture and helpful employees. York is recognized all of the classified and certificated employees during Staff Appreciation Week! The following individuals received congratulations pins for their years of service in the Hawthorne School District. Most of our staff's years of service have been right here at York School.

Congratulations to the following individuals. Ten Years: Mrs. Moreno, Mr. Delgadillo, Ms. Gody Gonzalez and Ms. Navia. Fifteen Years: Mr. Axt, Ms. Carnody, Ms. Chappell, Mrs. Reyes Mr. Lopez, Mr. Moreira, Mrs. Nguyen and Mr. Saffold. Twenty Years: Ms. Arnao, Ms. Kaplan Mrs. Silva, Ms. M. Diaz and Ms. Pierce. Twenty Five years: Mrs. D Arreola. Thirty Years: Mrs. Beekman and Mrs. Chance. Together, they account for 350 years of service! We also just recently appreciated our very helpful office staff, Mrs. Arreola (twenty five years) and Mrs. Campos (nineteen years). The dedication of the York Staff continues to be the reason why we are the "Superstars"!

A Few of York's Outstanding Staff.

Kathy Carbajal
Principal

ZD Welcomes the Arts

By *Maritza Cruz-Brown, Assistant Principal*

This academic school year, Zela Davis Elementary had the incredible opportunity to incorporate the arts as part of our enrichment program. Students in kindergarten through fifth grade were fortunate to participate in a variety of enrichment activities throughout the year.

Our kindergarten students showed their patriotism as they sang for their parents to celebrate the end of the "Red, White, and Blue" Imagine It! unit. In addition, they performed at monthly HPA meetings during which they sang their hearts out for their friends and family.

The kindergarten through second-grade students were also introduced to the spectacular world of music and dance through Music N Motion. Each week the students were introduced to basic elements of movement and dance. They also created music through the use of various instruments.

First-grade students were able to participate in a program through Dream a World, which helped our "Young Masters" inspire, explore, and discover how to perceive their surroundings and experience other cultures. The curriculum "Secrets of the Heart" also taught our students how to value friendship and be kind to one another.

Finally, our school choir is composed of primary and upper-grade students. The choir is led by Mrs. Sakata, Ms. Garza, and Mrs. Chrisman. Students worked diligently to learn a variety of songs and dances. They take pride when performing for their peers and their parents at our monthly assemblies.

Through the use of music, dance, theater, and art, our students have demonstrated how much more confident they are in everything they do.

Leadership Word Search Contest

Rules! One word in the list is NOT in the word search.
When you have completed the word search, one word will be left and that word you email to: Kay@schoolnewsrollcall.com (Please put HAW in the subject line)

Entries must be received by July 15, 2015

From the correct entries one name will be drawn to win a \$20 gift certificate redeemable at Barnes & Noble.
