

E-Learning Days

Prior Lake-Savage Area Schools (PLSAS) offers E-Learning Days to provide an opportunity for students to learn from home when our schools close due to weather. Our first inclement weather day of the school year will NOT be an E-Learning Day. The first school cancellation due to weather will remain a traditional cancellation as in the past. Should there be additional inclement weather days, an E-Learning Day will be called.

How E-Learning Days Work

- E-Learning Days will be communicated through email, phone, website, social media and local TV stations.
- Curriculum-aligned activities will be posted for students to access either through district-assigned devices or student/families' personal devices/technology.
- Activities can be completed online, through handwriting or other means to demonstrate learning objectives.
- All students will have up to 5 days to turn in assignments, receive credit and verify attendance (provisions will be made for students with IEPs or 504 plans).
- Parents/guardians will be asked to provide a note to the school in order for an absence to be considered excused.
- Staff will provide guidance and feedback on class work through Seesaw (gr. K-5) and Schoology (gr. 6-12).
- If a staff member is not available during E-Learning Days due to illness or a personal day, the teacher will communicate with the student/family within 24 hours of their return to work.

Grades K-5 Student & Staff Expectations

- Students will begin their day by logging into a Google Meet for their Morning Meeting, beginning at 8:30 a.m. for early start schools (Five Hawks and Redtail Ridge) and 9:20 a.m. for later start schools (Glendale, Hamilton Ridge, Jeffers Pond, La ola del lago and WestWood/SAGE).
- Teachers will provide additional instruction during the Morning Meeting regarding the learning plan for the day which may include whole group, small group or individual instruction.
- All elementary teachers will use the district's communication tools, specifically Google Meet and email, and unless providing direct instruction, will be available to students and families at the following times:
10:00 a.m. - 11:30 a.m.
1:00 p.m. - 3:00 p.m.

Grades 6-12 Student & Staff Expectations

- E-Learning days will proceed in an asynchronous fashion, meaning students will not attend "live" digital class sessions.
- Each class will have an asynchronous assignment posted to its Schoology page by 9:00 a.m. for PLHS and 8:00 a.m. for the middle schools.
- Students will work at their own pace on assignments for the day.
- Teachers will be available to answer questions via email and Schoology.

If you have questions or comments about E-Learning Days, please contact your building Principal.
