

Friends of MSA Fine Arts—

As I start my 22nd year at MSA, I continue to be awed EVERY DAY by the creativity and passion that our students possess. I am thankful to have the opportunity to offer an AMAZING Fine Arts program to our students and families that allows our students to SHINE! I hope you were able to enjoy one of our many events during the 2022-2023 school year, including the spring productions of Wizard of Oz, the invigorating band concerts and the K-12 Studio Art Show and Reception!

Thank you to all of you who have been members of our MSA Arts Alliance in the past. The support from parents is what keeps our programs so strong and connected to one another! Please consider joining this year at www.millsprings.org/artsalliance.

As we look to the start of the new school year, we continue to celebrate our program and its exciting changes. We would like to welcome our new Director of Theatre, Michael Reddy. He is so ready to start a new chapter of his life at MSA and we are ready for him! 😊

Parents and students (6th-12th grade) are invited to join us in the MSA Theater on Wednesday, August 23rd at 7:00 pm to hear about ALL of the Performing Arts opportunities for the 2023-2024 school year. Unable to attend? Email Kate McElliott at kmcelliot@millsprings.org for important notes from the meeting.

As always, please email me with any questions, concerns, and awesome ideas you have relating to our program! Check out www.millsprings.org/finearts and www.MSAarts.org to SEE what we do.

Artfully Yours,

Janet Ford, MSA Fine Arts Director and K-8th Visual Arts Teacher

And the rest of MSA Fine Arts...
