Medical Statement & Diet Prescription for Meals at Schools

This form is for students who are and are not defined as "handicapped." A handicapped person means any person who has a physical or mental impairment, which substantially limits one or more major life activities, has record of such impairments, or is regarded as having such impairments (7 CFR Part 15b and FNS Instruction 783-2). All sections of the form will need to be completed by a licensed physician if the student is diagnosed with a "handicap" per Federal law 7 CFR Part 15b and FNS Instruction 783-2 or one of the following medical authorities: physician, &/or physician assistant, nurse practitioner, registered/licensed dietitian if the student is not "handicapped," but is unable to consume food(s) because of medical or other special dietary needs. The first section ("Describe the student's handicap and the major life activity(s) affected by it") does not have to be completed by the appropriate medical authority when a student is not diagnosed "handicapped".
