

**AFFIDAVIT FOR COMPULSORY EDUCATION EXEMPTION
DAVIS SCHOOL DISTRICT**

Under Utah State law a parent/guardian is required to enroll and send a school-age minor (6-18) to a public or private school. A school-age minor shall be excused from attendance by the local board of education if the school-age minor's parent/guardian files a signed and notarized affidavit with the school-age minor's school district of residence. The signed and notarized affidavit filed with the District Student Services Department shall remain in effect as long as the school-age minor attends a home school, and the Davis School District remains the school-age minor's district of residence. School-aged minors excused from attendance under the law shall be issued a Compulsory Education Attendance Exemption Certificate for Home instruction annually from the District.

Has the parent or guardian filing this affidavit been convicted of child abuse [defined in UCA §53G-6-204(2)(a)]?

Yes No

Please check if either statement applies to your student. (Not required)

My student may have a disability which could qualify him/her for state or federal services consistent with the Individuals with Disabilities Education Act (IDEA) 20 U.S.C. 1401 et seq. Please contact me with further information.

My student has an Individual Education Plan (IEP). My decision to home school does not imply that the public school has not offered a free and appropriate public education. I understand that my student will no longer receive services under the IEP, unless they are dual enrolled in Davis School District.

By signing this affidavit, the parent/guardian assumes sole responsibility for the education of the minor, except to the extent the school-age minor is dual enrolled in a public school under Utah Code §53A-11-102.5. The parent/guardian is solely responsible for the selection of instructional materials and textbooks; the time, place, and method of instruction, and evaluating the home school instruction. The parent/guardian also hereby certifies that he/she has not been convicted of child abuse and/or a court of competent jurisdiction has not made a substantiated finding of child abuse against him/her as defined in Utah Code §53G-6-204(2)(a).
