Thank you to all who contributed to the Christmas concerts this year. It was wonderful to be in the gym both Monday during the day for the elementary concert and Monday evening for the MS/HS concert. The cooperation of the staff and community to allow these events to happen was very much appreciated. A special thank you to the students for demonstrating their talents and to Mr. Eric Amweg and Ms. Lori Wick for assisting the students in developing their talents.

I hope that everyone had a wonderful holiday season.

December 2022

Lunch with Santa

On December 10th we had Lunch with Santa at the school. The day was filled with fun activities like crafts, games, coloring, and more. We had a good turnout and the kids had a lot of fun. All of the members who helped as well as the officers enjoyed working with the kids and making the day super fun for them! Thanks to all the parents who let us spend the day with their kids and to all the members who came out to help!

Ugly Sweater Potluck

On December 23rd we were set to have the ugly sweater potluck. Unfortunately that day was a snow day so we have postponed it. Although when we have it everyone who wears an ugly sweater will be put into the competition and the top two will win a gift card! Which will be followed with a potluck!

Adopt a Family

Our chapter all pitched in this year as well as the elementary students to help us in accomplishing our goal of helping a family in our community this Christmas season. The senior class went out to get the family toys for their kids so they had some new toys to open on Christmas morning. We love being able to help those in need in our community and we hope that that family had a great Christmas! Thanks to everyone who helped make it happen!

State Officer Visit

We had our state Vice President Jeremiah Ihm visit us this month on the 19th. During the visit, each of the classes did activities as well as the officers spent some time with him to talk about a variety of things. Big thanks to Jeremiah for taking the time to spend the day with us!

Fruit Sales

On December 15th our fruit sales came in. The whole week of the 12th everyone pitched in to make the boxes and fill the boxes to ensure that the 15th ran smoothly with everyone picking up their orders. This year the fruit sales ended up being a huge success! It ran very smoothly with everyone's help!

Browntown parade

Our chapter got the opportunity to be involved in a newer event in the Browntown community. That event was a Christmas parade. This was a very fun experience as we got to talk to many people and have our truck decked out in Christmas lights and serve hot chocolate. Huge thanks to Diana Krebs for allowing us to be a part of this!

Sincerely your 2022-2023 FFA Reporter,
Allyse Troemel

Recycling and Other Dumpsters

As always the staff and Board thank everyone who has donated to the metal/aluminum can drive. The funds have proven to be beneficial to the staff and students of the school district. The district greatly appreciates the efforts of Powers Auction Service in providing this opportunity.

A couple of notes that we would like to make:

- Please do not place items with Freon/coolant in the recycling dumpster
- Please do not place TV's or Computer/Related technology in the dumpster
- Please do not place trash in the recycling dumpster
- The other dumpsters (serviced by Faherty) are for school uses only

We do appreciate the donations. Improper use of the dumpsters costs the district and may result in a net loss.

Sincerely,
Willy Chambers

Black Hawk Forensics...

come see what we are "TALKING" about.

The 2023 Forensics season is just around the corner, and I am excited to be back as head coach. "What is Forensics, though?" some of you may be asking.

It is competitive speaking and drama. Students choose a category or two, a piece within that category -- usually a reading, a cutting from a play, or an original speech -- and perform it at the events listed below.

Typical Saturday competitions begin with three preliminary rounds beginning at 9:00 with and the final round beginning at 2:00 p.m. Medals are awarded to finalists; trophies to 3rd through 1st place. Students typically load the school bus around 6:30 a.m. and return around 5:30 p.m.

We will use these early tournaments as practice for the Wisconsin High School Forensics Association's state festival series of Sub-district, District and State.

Any 9-12 student can join Forensics and compete as a varsity team member. Interested students should attend the informational meeting during school – date TBD. Interested parents are encouraged to email Sheila Bredeson at breshe@blackhawk.k12.wi.us.

November 9, 2022 - Regular Meeting

The meeting was called to order at 6:00 pm by Vice President Dee Paulson in the Collaboration Room. The following members were present Dee Paulson, Jessica Seffrood, Jim Baumgartner, Val Dunlavey, Alicia Sigafus and Jason Figi. Absent- Kerry Holland. Also present was administration of Willy Chambers, Cory Milz and Tim Ruppert from HSR and Eric Erickson.

Administration Report:

Chamber: I will be going through the next suggested revision of Board policies with Steve LaVallee on November 30. The policy committee may want to set a time to review the next suggested revision so that they could be approved at the December Board meeting.

I want to thank Dee Paulson, Jason Figi, and RJ Paulson to make time available to tour Mineral Point Elementary and Dodgeville High School to view HSR projects and particularly the library layouts. Alicia was not able to attend but had seen both projects at different times. I thank Tim Ruppert along with Jeff Jacobson for setting the tours up, being present to discuss the reasoning in layouts, and answering questions. I lastly would like to thank Mitch Wainwright and Ryan Bohnsack for taking time out of their days as administrators to answer questions.

Mr. Erickson share this thought with me in an email: "I want to thank the Black Hawk Sports Booster Club for a generous donation that allowed the track and field teams to replace their "team tent" that was damaged in the storms and wind of the 2021 Sectional Meet. The Boosters gave a significant portion of the \$1500 cost. While I type this, the graphics for the tent are being completed but as soon as they are done and I have them in hand... I will share some pictures!"

I sent an email to Senator Marklein and Representative Novak regarding their victories.

We will be ordering a camera for bus 66.

Board of Education Report:

Board of Education Report: The building and grounds committee meet previous to the regular meeting we went over flooring in the addition and some finishing touches. Previously we had built in's in the hallways and we now will not have the built in's it will all be portable and easy to remove or reconfigure if needed.

Also a question was raised for Fundraising verse sport specific appeal. Milz explained that when they put out for specific sport appeal order forms they do not really fall under fundraising as most are not marking them up and selling at cost so that does not need approval. If sports are going to do something like selling something to raise money it would require approval from Administration.

Public comment was called for: None

HSR Construction Update: Tim Ruppert from HSR went over the plans and let the Board know what is going to happen. Still looking at putting it out for bids in early December. A Question was raised about the football lights and as the plan has it now we will build around them and not move them. Chambers also noted that the village stated that they would no way be putting lights on the ball fields.

Motion by Figi and seconded by Dunlavy to approve track students to attend the Kansas Relays on April 14-15, 2023. Motion carried on a voice vote.
