TO: Humboldt Unified School District Governing Board Item # 6 A - E
FROM: Dr. Daniel Streeter, Superintendent Reading

DATE: January 14, 2020 Discuss

SUBJECT: Organizational Meeting of the Board for 2020 Action X

OBJECTIVE: Board Governance

SUPPORTING DATA:

Arizona Revised Statute 15-321 and Board Policy BDA require the Board to hold an organizational meeting between January 1 and January 15 of each year. The purpose of this meeting is the election of officers, the scheduling of meetings, and the establishment of an official posting place for Board notices and agendas.

The Board currently meets on the second Tuesday of each month, beginning at 6:30 p.m., and rotates meeting locations among the district's schools. The official posting locations are the district's website and the Administrative Office. Once voted on, this information is filed with the Yavapai County Board of Supervisors.

The officers of the Board and their duties are outlined in Board Policy BDB and shall consist of a president, with a term of one or two years established by the Board at the time of election, and a vice president, with a term of one year.

In addition, at the time of the organizational meeting the Board may choose between two options for the hearing of student expulsion cases. Option A would be for the board to conduct expulsion hearings; Option B allows the Board to approve all expulsion hearings to be held by a hearing officer and recommendations sent to the Board for final action. The Board previously approved a list of hearing officers and may, if they desire, vote at this time to accept Option B for the 2020 calendar year, as was done for the 2019 calendar year.

SUMMARY & RECOMMENDATION:

Sample Motions:

It is recommended the Governing Board elect a president and vice president, set meeting dates, times and locations, establish an official posting place, and elect to continue the practice of a hearing officer hearing all expulsion hearings with the recommendation sent to the Board for final action.

HUSD Certified Employee of the Month (VIP), Granville Elementary School-Stephanie Griffin

When students walk into Ms. Stephanie Griffin's classroom, they are greeted with a song and an objective. She'll ask a question and lead them to discover the answer. The room is filled with instruments like xylophones, tambourines, guitars, a drum set and a piano. Students learn about rhythms and how to read musical notes. Her instructional methods are steeped in the ORFF approach to teaching which includes, imitation, expression, and composition. Every lesson is designed to include all the elements of music including singing, dancing/movement, playing instruments, and learning how to read music. She teaches about famous musicians and musical history. She is compassionate with students and treats each child respectfully as an individual. She is the kind of teacher that leaves a lasting impression early on in a student's life.

Stephanie is a leader for HUSD and helps facilitate monthly district music PLC. She is trusted and valued by her colleagues. She dedicates her time to before school clubs like choir and also for after school individual music lessons. Steph makes an effort to be part of our Granville community and works collaboratively on issues such as student achievement. She pours her heart and soul into our school concerts and performances. Our most recent musical program, A Holiday Road Trip, was a delightful evening filled with songs, energetic choreography, skits and we even had a few laughs.

Ms. Griffin has a quote from Sidney Lanie in her classroom that encompasses all that she is, "Music is love in search of a word." Ms. Steph Griffin inspires the people she comes in contact with to explore music as an expression of our humanity. We are happy to honor Ms. Stephanie Griffin as our Granville Certified VIP.

HUSD Classified Employee of the Month (VIP), Granville Elementary School-Jayme Tisdale

Our Granville Elementary Classified VIP is Jayme Tisdale. Jayme is new to her position this year but not new to Granville. After much persuasion, we were able to convince her to leave her position as Title I Reading Aide. She has completely embraced her role as our GES art teacher. Her creativity and artistic ability go beyond the walls of her classroom transforming not only the art room, but also leaves her mark throughout the entire school, creating a vibrant and joyful environment for learning.

Teaching students grades K-6 takes a certain skill set and level of experience (and patience). Jayme carries out the daily task of managing 7 different art classes, each grade level working on different projects, each requiring different materials. Every project that she assigns has clear guidelines, directions, vocabulary, and an example that she has created. She has arranged her room for maximum efficiency so that student get supplies from different stations without distracting other students at work. Her classroom is has a peaceful atmosphere for students who are developing critical thinking, communication, problem solving and individual responsibility. She takes great care in managing the curriculum assigned to her and follows the HUSD strategic arts school plan including teaching students how to draw simple shapes, mix and incorporate colors, and working on different crafting projects. She leads students to use a variety of mediums and techniques in innovative ways to make art. Her enthusiasm for teaching is refreshing. Staff members describe Jayme as dedicated, a team player, and someone who has a passion for art. Mrs. Tisdale cultivates creativity in her students and gives them a safe space to express their individuality.

We truly appreciate Jayme's positive attitude and genuine love for teaching art to our students.

HUSD Volunteer of the Month (VIP), Granville Elementary School-Paula Stewart

Granville's Volunteer VIP is Orchestra Director Paula Stewart. Paula has over 20 years of experience in teaching string students. Last year, she started volunteering her time beginning a before school pilot stings program here at Granville. In a short amount of time she has developed an orchestra program at several schools including Lake Valley and Liberty Traditional with little to no budget and through recruitment and help of other volunteers. Orchestra students are making great progress in our district. Students can choose to play violin, viola or cello. Beginning students learn the basics of holding, playing and caring for their instruments and experienced players improve their note reading skills, learn new music and develop their sense of ensemble - playing as one - under a conductor. If you stop by Granville, you might be lucky enough to be entertained by one of the orchestra's performances like our recent HUSD first combined holiday concert with students from Granville, Lake Valley, Liberty Traditional, and guests from Glassford Hill Middle and Bradshaw Mountain High School.

Paula is reliable, conscientious, kind and dedicated. She shows genuine concern for our students and their needs. Her morning rehearsal classes are well prepared, developmentally appropriate, and organized. Students respond very well and and have fun learning to become excellent musicians. They especially appreciate her teaching techniques, relating to each child on a personal level, with warmth and sincerity that shines through her presence.

I believe that Mrs. Stewart has a calling, and that calling is teaching her students to strive for excellence, to discipline themselves to accomplish goals, and to respect each other. She is a dedicated instructor that motivates students to want to excel and takes a genuine interest in their lives. She has said that music is both a beautiful art and a way to help kids grow up to be capable adults with wonderful hearts and minds. She believes she is giving back to our wonderful community through the orchestra program. She is a VIP treasure for Granville Elementary, our district, and our community.

OBJECTIVE:

Goal #1. Raise the Level of Student Achievement in

HUSD

#3. Increase Parental/Community Involvement

SUPPORTING DATA:

BMHS has partnered with the Prescott-Zeitz Sister City group since 2015-16 in the German Exchange program. For the past several years we have sent our students over in the summer and they have sent their students to us in the fall. We have used host families to help with language, cultural experiences and technically as tour guides. All host families receive a background check. In 2017-18 BMHS partnered with PHS to provide PHS students the same opportunity as BMHS students. In 2017-18 both schools were represented in Zeitz's 1,050 year town parade. The idea of the Sister Cities organization is for each country to reciprocate what the following country has done for its students. In 2018-19 BMHS and PHS sent the most students we have since the inception of the program, six BMHS students and six PHS students. Currently, the plan for 2019-20 is to have 10 students return to Zeitz, The two chaperones that came to the US would also host the two American chaperones. The current dates for travel would be May 25 – June 17, depending on the travel agency getting us the best price. Our students would attend school in Germany, prepare a presentation on Prescott Valley and BMHS, and learn the culture of Germany while living with the host family. When they return, I would expect them to give a presentation to the board on their educational experience just like they have done in the past.

SUMMARY & RECOMMENDATION:

It is the recommendation of the administration that the travel request be approved.

Sample Motion:

I move to approve the request for eligible Bradshaw Mountain High School students and their chaperones to travel to Germany, May 25 – June 17, 2020, as presented.

Approved for transmittal to the Governing Board:

Dr. Daniel Streeter, Superintendent

Questions should be directed to: Kort Miner 928-759-4100
