Title I Summer School

Action

Consent X

OBJECTIVE:

Goal #1: To Raise the Level of Student Achievement

SUPPORTING DATA:

The District administration would like to offer a district-wide Title I Summer School to help identify students with reading deficiencies and address their needs through supplemental reading instruction. As per federal regulations, we can offer a summer school that mirrors our current K-6 schoolwide reading intervention program offered at the elementary schools. Identification of student eligibility will be based on Galileo benchmark assessment data, DIBELS benchmark assessment data, and teacher recommendation. Class sizes will be a maximum of 22 students. Summer school dates will run from Monday, June 1st - Thursday, June 25th - (four weeks, four days per week) from 8:30 am - 12:30 pm. The allocation that has been set aside through the Title I grant is \$65,000. This amount will cover all expenditures related to the complete funding of Title I Summer School.

We are planning to hire:

- 1 Summer School Coordinator
- 13 Teachers
- 13 Teacher Aides
- 1 Administrative/Attendance/Receptionist Secretary
- 1 Data Assessment Coordinator (10 days)
- 5 Bus Drivers

SUMMARY & RECOMMENDATION:

Spring Break Revision on 2020-2021 School Calendars

TO: Humboldt Unified School District Governing Board Item # 6 H

FROM: Cole Young, Assistant Superintendent - Operations Reading

DATE: Tuesday, April 7, 2020 Discuss

SUBJECT: Board Approval of K-8 & High School 2020-21 Calendar Action

Adjustment for Spring Break and Early Release

Consent X

OBJECTIVE: Goal #2: To Focus on Planning for Future Student Needs

SUPPORTING DATA:

On December 10, 2019, the Board approved District calendars for the next three years. Since such time, there has been a change in the alignment of our students with Yavapai College and the Mountain Institute CTED during Spring Break of the upcoming 2020-2021 school year. These are programs that our students use to access dual enrollment college credits and technical expertise and certification programs. With that being said, currently, as approved, our students would have to attend these programs while HUSD is on Spring Break.

SUMMARY & RECOMMENDATION:

It is the administrative recommendation that we move the Spring Break that was previously approved to be observed from March 8th through the 12th to March 15th through the 19th for the 2020-2021 school year calendars (K-8 & High School), with the corresponding early release day to reflect the Friday prior to the break.

Sample Motion:

I move to approve the date change of Spring Break to March 15th through the 19th for the 2020-2021 school year calendars (K-8 & High School), with the corresponding two-hour early release day to reflect the Friday prior to the break, on March 12th.

Approved for transmittal to the Governing Board:

Dr. Daniel Streeter, Superintendent

Questions should be directed to: Cole Young, Assistant Superintendent (759-5016)

SUBJECT:

Annual Approval of Retiree Re-Employment Program and Client Service

Action

Contract with Educational Services, Inc. (ESI)

Consent X

OBJECTIVE: Goal #2 - Focus on Planning for Future Student Needs

SUPPORTING DATA:

When a teacher, classified employee, or administrator retires through the Arizona State Retirement System, that person is not allowed to work <u>full-time</u> in a school district for the first year following retirement. For this reason, highly qualified staff members are often lost to the District after they retire.

SUMMARY & RECOMMENDATION:

Educational Services, Inc. has provided retiree re-employment services in Arizona since 1999 and works with over 120 school districts across the state. In addition the district uses their services to include placement of temporary or substitute workers. HUSD has approved a contract with ESI annually since the 2005-06 school year which has allowed us to hire excellent recent retirees while saving M&O dollars. The elements of the program and agreement are unchanged from last school year and have been reviewed and approved to form by legal counsel.

It is recommended that the Governing Board approve renewal of the agreement.

Sample Motion:

I move to approve the renewal of the Client Service Agreement with Educational Services, Inc. as presented for the 2020-2021 school year.

Approved for transmittal to the Governing Board:

Dr. Daniel Streeter, Superintendent

Employee Staffing Agreement

This Agreement for Employee Staffing Services ("Agreement") is entered into in the State of Arizona effective July 1, 2020 ("Effective Date"), by and between Humboldt Unified School District No. 22 ("Client"), and Educational Services, Inc., an Arizona corporation ("ESI").

RECITALS

- A. ESI is a corporation in the business of providing employee staffing services.
- B. Client is an entity within the State of Arizona and desires to obtain certain staffing services ("Services") from ESI. ESI is willing to provide Services to Client upon the terms and conditions contained in this Agreement.
- C. This Agreement provides for the allocation between Client and ESI of responsibilities with respect to covered employees ("Workers" pursuant to Section 2 below).
- D. This Agreement shall not diminish, abolish, or remove any rights of Workers against the Client, or obligations of the Client to any Workers, if any, that existed before the Effective Date of this Agreement.
- E. Client and ESI agree to be bound by the terms and conditions set forth in any applicable cooperative contract purchasing agreement.
- F. Client is authorized to enter into this Agreement pursuant to A.R.S. § 15-502(A).

AGREEMENT

In consideration of the foregoing recitals, and mutual promises contained herein, Client and ESI agree as follows:

1. <u>RELATIONSHIP OF THE PARTIES</u>

ESI is an independent contractor and shall perform its obligations under this Agreement as an independent contractor. All Workers provided by ESI to perform Services for Client pursuant to this Agreement shall be employees of ESI and not of Client. Client has the right to direct Workers only to the extent necessary to conduct the Client's business, and operations, and to comply with licensing and certification requirements that apply to the Client, or to any Worker. In all other respects, ESI retains full control over the employment, direction, supervision, evaluation, compensation, discipline, and discharge of Workers performing Services under this Agreement.

2. WORKER

In this Agreement, the term "Worker" or "Workers" means an individual(s) (a) employed by ESI in Arizona to work in Arizona, (b) who is performing Services for Client pursuant to this Agreement, (c) who has completed ESI's required hiring and onboarding process forms, and, where applicable, is certificated or licensed as required by law for the position in which ESI places the Worker.

ESI will not place into employment positions with the Client any Worker who does not possess, or have the ability to possess, all necessary certification and endorsements or licenses for the position assigned.

ESI will maintain equal employment opportunity and anti-discrimination policies, including complaint procedures that address discrimination, and/or harassment claims. ESI retains the right to make a final determination as to whether to hire a Worker.

3. TERM OF AGREEMENT

The initial term of this Agreement will be one (1) year following the Effective Date. Upon the expiration of the initial term, this Agreement may be renewed annually upon mutual agreement of both parties. This Agreement does not automatically renew at the end of each year.

4. TERMINATION

- A. Workers, Without Cause. Notwithstanding any other provision of this Agreement, Client may request termination of, and ESI may terminate, any Worker at any time without cause upon the submission of at least thirty (30) calendar days advance written notice.
- B. Workers, With Cause. Notwithstanding any other provision of this Agreement, Client may request termination of, and ESI may terminate, any Worker by written notice to ESI upon the occurrence of any of the following:
 - (1) A material breach by ESI, or a Worker of any of ESI's or Worker's obligations under this Agreement, or under the Worker Contract.
 - (2) If a Worker embezzles or misappropriates Client funds or property, defrauds Client, is convicted of a felony, or of any crime involving moral turpitude, has his or her certification or other licensing required for the position for which employed by ESI revoked or suspended, fails to maintain a valid fingerprint card if one is required by Client, commits an act or omission which constitutes a breach of the Worker Contract, violates the policies of the Client applicable to Client's own employees, commits

ESI20200207 -2-

- an act of unprofessional conduct, or commits an act that adversely affects the reputation of Client.
- (3) Death or permanent disability of a Worker occurring any time during the term of this Agreement, in which event this Agreement (as it relates to the Worker) shall terminate as of his or her death or permanent disability.
- (4) If it is later discovered that a Worker has made any material misrepresentations or has failed to provide any material representations in connection with the information provided to ESI.
 - C. Agreement. This Agreement may be terminated by either party, for any reason, at any time prior to the expiration of the Term, by providing ninety-day (90) written notice to the other Party, in the manner described in Section 26.

5. SCOPE OF SERVICES

In collaboration with Client, ESI shall supply Workers and shall perform the following services:

- A. Recruit, hire, train, evaluate, compensate, place, replace, supervise, discipline, and terminate Workers.
- B. Maintain a recruiting and hiring program that is in compliance with federal and state laws, rules and regulations, equal opportunity, and anti-discrimination policies applicable to, and restricting, the hiring and selection process, including, but not limited to, Title VII of the Civil Rights Act of 1964 ("Title VII"), the Americans With Disabilities Act ("ADA"), the Age Discrimination in Employment Act ("ADEA"), the Fair Credit Reporting Act ("FCRA"), the Arizona Civil Rights Act ("ACRA"), and the Arizona Employment Protection Act ("AEPA").
- C. Maintain a system of statewide background checks on all Workers provided to Client to include: pre-screening, credentialing, licensure, statewide criminal background check, and fingerprinting, the results of which shall be made available to Client upon request to the extent permitted by law. ESI shall ensure that all Workers possess all certifications and licenses necessary to perform their assignments.
 - D. Maintain a system of evaluation, which can be the Client's evaluation systems and instruments.
 - E. Maintain a program of supervision that enforces appropriate policies and procedures. In order to maintain the program, ESI may designate one or more on-site ESI employees as the supervisor, and/or, ESI contact responsible for addressing and responding to Workers.

ESI20200207 -3-

- F. Provide each Worker with information regarding his or her obligation to comply with appropriate safety, drug/alcohol, anti-harassment, anti-discrimination, anti-retaliation, and conduct policies.
- G. Inform each Worker in writing that s/he is employed by ESI, and not employed by the Client.
- H. Inform each Worker in writing that job related illness/injury reports are to be made to the Client, and ESI's on-site supervisor, or ESI contact, and provide information on where and how reports are to be made to the Client and ESI supervisor or contact.
- I. Pay Workers in compliance with applicable wage and hour laws, including, but not limited to the Fair Labor Standards Act ("FLSA"), the Fair Wages and Healthy Families Act, and Arizona Labor Code. ESI shall maintain complete and accurate records of all wages paid to a Worker assigned to provide services to Client. ESI shall be exclusively responsible for, and will comply with, applicable law governing the reporting and payment of wages, payroll-related, and unemployment taxes attributable to wages paid to Workers assigned to provide services to Client.

For SubSource Workers (substitutes), ESI will track, account and pay for paid sick time in accordance with the Fair Wages and Healthy Families Act. These costs will not be invoiced to the Client and will be ESI's responsibility.

Hourly employees will not be allowed to accrue comp time, and will be paid overtime rate, 1½ times their regular hourly rate, for any hours worked over 40 hours in a workweek. If an authorized timesheet approver (employee of Client) approves a Worker timesheet with overtime hours on it, ESI must pay that overtime, and will bill Client accordingly for that overtime.

- J. Be responsible for the adequacy of the services provided by Workers pursuant to this Agreement.
- K. ESI shall perform all other responsibilities with respect to Workers otherwise required of an employer, and not assumed by Client pursuant to this Agreement.

6. APPROVAL OF SUPPLIED WORKERS

Client has the right, but not the obligation, to pre-approve any Worker provided by ESI to fill a position for which the Client has contracted with the ESI to provide a Worker. The Client has the right to reject any Worker prior to, or, at the time of placement. Client may recommend that ESI impose discipline upon any Worker, and ESI may, in its own right, impose discipline, up to and including dismissal, upon any Worker.

ESI20200207 -4-

7. ADMINISTRATIVE FEES

Client will pay ESI an administrative fee in accordance with the Fee Schedule, attached as Exhibit A.

Client will also pay for all associated employer's payroll liabilities for the Workers. Payroll liabilities are subject to adjustment with any changes in job functions, or positions of Workers, increases in payroll taxes, including, but not limited to changes in FICA (OASDI/Medicare), federal or state unemployment tax rates, workers' compensation rates, or any government mandated insurance requirement that is not already known or currently required, or any government mandated wage increases. Any such adjustments will be effective on the date of the increase or change.

8. PRE-PAYMENT INCENTIVE

ESI pays Workers for their services to Client before receiving corresponding payment from Client. Therefore, ESI offers a pre-payment incentive of 0.25 percentage point reduction in the Contract Administrative Fee if Client pre-pays for Services. (For example: If Administrative Fee is 5.00%, the discounted Administrative Fee will be 4.75%.)

9. **PAYMENT TERMS**

ESI will bill Client with invoices as "net 30." An 8% late payment charge will be assessed for any payment that is not received within 30 days of invoice.

10. WORKERS' COMPENSATION

- A. ESI will be considered the "employer" of all Workers for the purposes of providing workers' compensation insurance within the meaning of A.R.S. § 23-901. ESI shall provide workers' compensation and employer's liability insurance in accordance with the statutory requirements of the State of Arizona, including Employer's Liability insurance with limits of liability of not less than \$1,000,000 each accident, and \$1,000,000 bodily injury or disease. The workers' compensation policy shall be endorsed to include the Alternate Employer Endorsement and shall include a waiver of subrogation in favor of Client from the workers' compensation insurer.
- B. Client and ESI understand, agree, and acknowledge that no individual will be covered by ESI's workers' compensation insurance, or be issued a payroll check unless and until that individual has, prior to commencing work for the Client, satisfied the requirements and definition of a "Worker" under Section 2 of this Agreement.
- C. Client understands, agrees, and acknowledges that the workers' compensation insurance that ESI will provide under this Agreement will only cover

ES120200207 -5-

individuals who are employed by ESI, and that such ESI's workers' compensation insurance will not cover other individuals who might perform services for Client, whether as employees, independent contractors, or otherwise. Client agrees to provide workers' compensation insurance or maintain a program of approved self-insurance covering Client's own employees.

11. CLIENT'S LIABILITY INSURANCE

Client will provide liability indemnity protection to the Workers performing Services under this Agreement, and ESI, to the extent that the Worker is providing services for the Client, and the Worker is acting within the course and scope of the authorization granted. The provision of liability indemnity protection shall not be construed as evidence that the relationship between the parties and Workers is other than specifically provided for and agreed to in this Agreement.

The coverage provided will be made available to Workers as an additional covered party under the terms of the Client's insurance coverage. Coverage will be made available by the Client's insurance company to Workers on the same terms and conditions as coverage is made available to Client employees. ESI shall be named an additional covered party to the Client's insurance agreement but only to the extent that ESI is vicariously liable for the acts of Workers while Workers are performing services for Client but not for any actual or alleged wrongful act, error or omission of ESI in its own right (e.g., claims of negligent hiring, supervising or retention, employment discrimination, etc.).

12. ESI'S LIABILITY INSURANCE

ESI shall maintain in full force and effect at all times during the term of this Agreement Commercial General Liability ("CGL") insurance with limits of liability of not less than one million dollars (\$1,000,000) per occurrence, and if such Commercial General Liability insurance contains a general aggregate limit of liability, the limit of liability shall be at least two million dollars (\$2,000,000).

13. PATIENT PROTECTION AND AFFORDABLE CARE ACT (PPACA)

ESI offers several medical benefit plan options that meet both "Minimum Value" and "Minimum Essential Coverage." ESI is the employer of record for its Workers and is the applicable large employer (ALE) with the risk for 4980H penalty exposure. ESI is responsible for determining the hours of service as a full-time employee status for variable-hour Workers for purposes of section 4980H through the look-back measurement method requirements.

14. ADMINISTRATION

- A. All Workers assigned to fill positions with the Client are employees of ESI. ESI is responsible for administrative employment matters, such as transmission of all federal, state, and local employment tax payments, providing workers' compensation insurance, as well as management of fringe benefit programs for Workers. ESI agrees to pay, and hold harmless, Client from any and all tax penalties, assessments, or governmental charges in connection with all or any of the Services provided under the terms of this Agreement. Client is responsible for payment of the Alternative Contribution to the Arizona State Retirement System for any amounts that may be due for individual Workers.
- B. Client will immediately forward to ESI any garnishment orders, involuntary deduction orders, notices of IRS liens, and other forms of legal process received by Client affecting payment of wages to Workers and will cooperate with ESI in responding thereto.
- C. Workers will receive compensation for services rendered pursuant to this Agreement solely through ESI. It is a material breach of this Agreement for Client to pay any Worker in cash, or by any other means for any Services rendered. Any individual whom a Client pays directly for any Services rendered will not be considered a Worker under this Agreement as to the Services for which the Client provides payment. Further, ESI shall provide Workers with unemployment insurance coverage to the extent required by law.
- D. ESI shall warrant compliance with all federal immigration laws and regulations that relate to Workers, and that it has verified employment eligibility of each Worker through the e-verify program.
 - E. Upon Client's reasonable request, ESI will provide documentation showing compliance with Section 16(D) with respect to any Worker.
 - F. If Client engages in ESI's RetireRehire service, Client RetireRehire Terms, attached as **Exhibit B**, summarize Client's return-to-work program. Client has sole discretion to set terms. Terms may be changed by Client at any time upon written notice to ESI.

15. PROTECTED LEAVES OF ABSENCE

A. The Uniformed Services Employment and Reemployment Rights Act of 1994 protects civilian job rights, and benefits for veterans, and members of Reserve components. Client agrees to provide for necessary employment, and/or reemployment positions in the event that Workers are called away for military service.

ESI20200207 -7-

B. The Family and Medical Leave Act protects re-instatement rights of eligible employees after the employee has been on approved Family and Medical Leave. Client agrees to provide necessary employment and/or reemployment positions in the event that Workers are returning from FMLA.

16. SAFE WORK ENVIRONMENT

- A. ESI and its Workers will comply with all health and safety laws, regulations, ordinances, directives, and rules imposed by controlling federal, state, or local governments, and will immediately report all work related accidents involving the Worker within 24 hours to Client.
- B. If applicable, and appropriate, Client will provide the Workers with personal protective equipment as required by federal, state, local law, regulations, ordinance, directive, or rule.
- C. ESI or its workers' compensation carrier has the right to inspect the Client's premises and operation but is not obligated to conduct any inspections. ESI reserves the right to audit safety activities. ESI, or its insurers, may give reports to Client on the conditions found at Client's worksites. Client will supply documentation related to safety activities as prescribed by law (e.g., safety meeting, training maintaining OSHA log). Neither ESI's insurer nor ESI warrants the result of the inspections, or the absence thereof, or that the operations or premises are in compliance with any laws, regulations, codes, or standards.
- D. Client will ensure that all facilities where the Workers perform services are in compliance with any and all applicable federal, state, and/or local laws, regulations, codes, or standards.

17. **SUPERVISION**

A. ESI, in coordination with Client, will provide direction, supervision, training, and control of each Worker in the performance of the Services. The Client will provide only daily monitoring of the Workers and will report to ESI. ESI may designate at least one (1) on-site supervisor from among the Workers assigned to complete the Services. This on-site supervisor may direct the operational and administrative matters relating to the Services and may be under the direct supervision of ESI. If ESI fails to designate an on-site supervisor, Workers assigned to perform Services for the Client shall remain responsible to ESI or designee.

ESI20200207 -8-

- B. ESI shall determine the procedures to be followed by Workers regarding the time and performance of the Workers' job functions and duties, and these will coincide with Client requirements regarding time and performance of same. Client agrees to cooperate with ESI in the formation of such policies and procedures and permit ESI to implement its policies and procedures relating to the Workers.
- C. Client may make all non-routine directives through ESI's on-site supervisor, or if an on-site supervisor is not provided, then through ESI or designee.

18. <u>INDEMNIFICATION</u>

Each party (as "Indemnitor") agrees to indemnify, defend, and hold harmless the other party (as "Indemnitee") from and against any and all claims, losses, liability, costs or expenses (including reasonable attorney fees), hereinafter collectively referred to as "claims," arising out of bodily injury to any person (including death) or property damage, but only to the extent that such claims which result in vicarious/derivative liability to the Indemnitee, are caused by the act, omission, negligence, misconduct, or other fault of the Indemnitor, its officers, officials, agents, employees, or volunteers. For Workers operating Client vehicles, Client hereby agrees to indemnify, defend, and hold harmless ESI for any and all claims, losses, liability, costs, or expenses (including reasonable attorney fees) resulting from a vehicular incident, but only to the extent that the Workers are operating Client's vehicles within the course and scope of authorization granted by the Client.

HUMBOLDT UNIFIED SCHOOL DISTRICT

Middle School Fee Schedules for SY 2020-2021

Consent X

OBJECTIVE: Goal #1: To Raise the Level of Student Achievement

Goal #2: To Focus on Planning for Future Student Needs

SUPPORTING DATA:

The attached fee schedules outline the fees that are charged to students to access certain offerings throughout our district's many programs. Fees are applied to elective courses and voluntary extra-curricular opportunities that are not required for promotion nor receive a grade. Fees can also be assessed for instrument rental in music elective courses.

Financial hardship will not exclude a student from being able to access any co-curricular/extra-curricular opportunities as principals have the discretion to waive fees on a case-by-case basis.

The only change for this year, as noted on the attachment, is an increase in preschool fees in order to cover the costs of the program, to assist with the program's ability to be self funded.

Please see the attached fee schedules for identified fees to be assessed within our Before and After School Program, Preschool Program, and both the elementary and middle school levels during the 2020-2021 school year.

SUMMARY & RECOMMENDATION:

It is the recommendation of the administration that the board approve the Preschool, Before and After School Program, Elementary and Middle School Fee Schedules for the 2020-2021 school year.

Sample Motion:

I move to approve the 2020-2021 fee schedules for the Preschool, Before and After School Program, Elementary and Middle Schools as presented.

Approved for transmittal to the Governing Board:

OBJECTIVE:

Goal #1: To Raise the Level of Student Achievement

Goal #2: To Focus on Planning for Future Student Needs Goal #4: To Attract and Retain Highly Effective Employees

SUPPORTING DATA:

Arizona Legislators approved results-based funding through Senate Bill 1530 in 2017. The initiative was to provide additional funding to schools based on the percentage of their students who passed the AzMERIT assessment in math and language arts. A school's free and reduced percentage determined the amount eligible from the state for qualifying cut scores. A memorandum has been attached to this transmittal outlining the details concerning the qualifying criteria and means of expenditures of said funding.

It is Humboldt Unified School District's plan to provide each eligible employee (Classified and Certified) of the school awarded with these results-based dollars a stipend in the amount of one thousand dollars after deducting employee related expenses. The stipend, professional development and the purchase of supplies for the specific site will make up at minimum 51% of the awarded amount. The remaining dollars will then be focused on expansion and replication of programs for the respective site and District.

This year we had three schools qualifying for results-based funding: Bradshaw Mountain Middle School, Lake Valley Elementary School, and Humboldt Elementary School.

SUMMARY & RECOMMENDATION:

It is the administrative recommendation and appropriate within the provisions of Senate Bill 1530 to award the eligible certified and classified staff of the aforementioned three schools a stipend in the approximate amount of one-thousand two-hundred fifty dollars. Based on personal tax decisions the amount of a thousand dollars take-home will vary slightly from employee to employee.

Sample Motion:

I move to award results-based funding stipends to the eligible classified and certified staff members of Bradshaw Mountain Middle School, Lake Valley Elementary School and Humboldt Elementary School in the gross amount of \$1,250 to be paid in accordance with Senate Bill 1,530.

SCHOOL FINANCE MEMORANDUM 20-023

TO: School District Superintendents, Business Managers, Charter District

Administrators, and Charter District Directors

FROM: Lyle Friesen, Deputy Associate Superintendent of School Finance

DATE: November 7, 2019

SUBJECT: FY 2020 Results-Based Funding Distribution, Eligibility Requirements, and

Accounting and Expenditure Reporting

Pursuant to session law, HB 2749, Sec. 25, the Results-Based Funding fund consists of legislative appropriations in the amount of \$68,600,000. The Arizona Department of Education (ADE) shall administer and distribute monies to School District or Charter Districts for their eligible schools, based on the statutory formula. Any monies spent from the Results-Based Funding fund by a School District or Charter District shall be accounted for at the school level, and detailed expenditure reporting will be required as part of the School District or Charter District FY 2020 Annual Financial Report (AFR).

Results-Based Funding in Two Distributions

ADE School Finance will distribute Results-Based Funding in two payments. The first payment will be distributed in December 2019 and will be approximately 60% of the calculated allocation for the eligible schools of the School Districts and Charter Districts. The second payment will be distributed in May 2020 and will consist of any remaining Results-Based Funding allocation.

The first payment will be calculated based on FY 2020 student counts (FY 2019 100th Day ADM for School District eligible schools, and FY 2020 projected 100th Day ADM for Charter District eligible schools), as of Oct 31, 2019. The FY 2020 Results-Based Funding allocation file is located at:

http://www.azed.gov/finance/2019/11/05/fy2020-results-based-funding-calculations/

The second payment will be based on recalculated FY 2020 student counts (FY 2019 100th Day ADM for School District eligible schools, and FY 2020 AzEds ADM for Charter District eligible schools), at the time of the Results-Based Funding recalculation. This second payment will equal the recalculated annual Results-Based Funding amount minus the amount of the first payment distributed to each School District and Charter District for their eligible schools.

Current calculations indicate a shortfall of approximately 5%. A supplemental appropriation to cover the shortfall, which would be subject to legislative approval, is currently being discussed and would likely be included in the second distribution of funds later in the fiscal year. If the supplemental appropriation does not materialize, the shortfall will be allocated to each School District or Charter District school based on its recalculated annual Results-Based Funding allocation at the time of the second payment.

Results-Based Funding Eligibility Requirements

A School District or Charter District does not have to apply for Results-Based Funding for their eligible schools. The ADE School Finance will calculate the funding allocation, based on the statutory formula, for the School District or Charter District schools meeting the eligibility requirements.

- 1. Each school shall receive \$225 per student count if:
 - a.) fewer than 60% of the students who are enrolled meet the eligibility requirements for Free or Reduced priced lunches; or eligibility 1 & 2 for poverty; and
 - b.) the school performed in the top 13% of all schools statewide as demonstrated by the average percentage of the students who obtained a passing score on the mathematics and language arts portions of the Spring 2018 administration of the AzMERIT statewide assessment. The Spring 2018 statewide assessment results are located at http://www.azed.gov/accountability-research/data/
- 2. Each school shall receive \$400 per student count if:
 - a.) 60% or more of the students who are enrolled meet the eligibility requirements for Free or Reduced priced lunches; or eligibility 1 & 2 for poverty; and
 - b.) the school performed in the top 13% of schools, with a student population consisting of at least 60% students meeting the eligibility requirements for Free or Reduced priced lunches or eligibility 1 or 2 for poverty as demonstrated by the average percentage of the students who obtained a passing score on the mathematics and language arts portions of the Spring 2018 administration of the AzMERIT statewide assessment. The Spring 2018 statewide assessment results are located at http://www.azed.gov/accountability-research/data/
- 3. Each school shall receive \$225 per student count if:
 - a.) 60% or more of the students who are enrolled meet the eligibility requirements for Free or Reduced priced lunches; or eligibility 1 & 2 for poverty; and
 - b.) the school performed in the top 27% of schools, but not in the top13% of schools, with a student population consisting of at least 60% students meeting the eligibility requirements for Free or Reduced priced lunches or eligibility 1 or 2 for poverty as demonstrated by the average percentage of the students who obtained a passing score on

the mathematics and language arts portions of the Spring 2018 administration of the AzMERIT statewide assessment. The Spring 2018 statewide assessment results are located at http://www.azed.gov/accountability-research/data/

- 4. Each alternative high school shall receive \$400 per student count if:
 - a.) 60% or more of the students who are enrolled meet the eligibility requirements for Free or Reduced priced lunches; or eligibility 1 & 2 for poverty; and
 - b.) the school performed in the top 27% of schools, with a student population consisting of at least 60% students meeting the eligibility requirements for Free or Reduced priced lunches or eligibility 1 or 2 for poverty as demonstrated by the average percentage of the students who obtained a passing score on the mathematics and language arts portions of the Spring 2018 administration of the AzMERIT statewide assessment. The Spring 2018 statewide assessment results are located at http://www.azed.gov/accountability-research/data/

Results-Based Funding Accounting and Expenditure Reporting

- 1). In accordance with A.R.S. §15-249.08, monies received must be allocated directly to enhance, expand or replicate the school site that generated the Results-Based Funding, and must not supplant monies budgeted or received from any other source that are generally provided to that school.
- 2). The majority of the monies received must be used for teacher salaries, to hire teachers, for school leader salaries, for classroom supplies and for other strategies to sustain outcomes for students at that school.
- 3). A portion of the monies received may be used for the expansion and replication of that school site as a quality school model.
- 4). The monies must be used to sustain and replicate results:
 - a. Providing for costs associated with adding seats and serving more students at the awarded school site, including students on a waiting list.
 - b. Mentoring school leaders and teachers from other sites to replicate the model and instructional practices that show results in closing the achievement gap.
 - c. Physically expanding the results-based funding model or strategies at another location to improve academic outcomes at that location and to accelerate academic growth.

Monies received should be deposited in Fund 457 (School Districts) and Project 1457 (Charter Districts). The Results-Based Funding will be included by School Districts on page 6 of the expenditure budget, and by Charter Districts on page 2 of the expenditure budget. If not included on the FY 2020 Adopted budget, these monies may be included at the time of a budget revision prior to May 15, 2020. Later, additional guidance will be provided regarding the detailed school-level expenditure reporting that will be required as part of the FY 2020 Annual Financial Report (AFR).

We no longer have paper forms that need to be filled out, but electronic record keeping that is routed through an approval process via the employee's direct supervisor.

The changes notated in the policy are strictly focused on using the electronic access software to report absences rather than using a paper pathway of reporting their absence to their direct supervisor.

The administration recommends the aforementioned changes be made by the Board to reflect the appropriate method to report absences through digital means online.

Three (3) days of personal leave will be available per year to professional staff not employed on a twelve (12) month contract. Requests shall be acted upon in order of receipt. The availability of substitutes may limit the number of requests granted at any one time, with no more than five percent (5%) of the professional staff being eligible for personal leave on any given day.

- All requests for personal leave must be made using the District's on-line absence reporting system in writing on an Employee Absence Form. Leave forms are available from the school secretary. Requests for personal days must be submitted at least five (5) days prior to the day of leave and be approved by your appropriate supervisor/principal.
- Completed personal leave forms must be signed by the school principal, then forwarded to and received by the District office for approval at least five (5) days prior to the day of leave.
- Personal leave may be used at the employee's discretion. The option will be given in the spring of the school year.
- No more than one (1) personal leave day may be used prior to or following a scheduled school holiday. Personal leave may not be taken on both sides of a scheduled school holiday. A leave request for this time must be submitted five (5) days in advance, and no more than eight (8) such leaves will be granted District-wide per day. Once requested, this leave will be charged whether used or not. The limit will be determined by the first eight (8) requests that are received and approved at the District office.
- Personal leave will not be granted during the first week or the last week of school, in-service training days, on Parent-Teacher Conference days, or state/standardized testing days.
- In an emergency situation the Superintendent or a principal may grant a staff member personal leave without a leave request form having been filed submitted in advance. If a principal cannot be reached, the normal absenteeism procedure will be followed.
- An additional two (2) days of personal leave may be made available to a professional staff member for emergency situations. For approval, the employee must submit, along with the Employee Absence Form, the purpose, necessity, or advisability for the request to the Superintendent at least five (5) days in advance of the day being taken. When approved, these two (2) days will be charged to sick leave.

OBJECTIVE: #2 To Focus on Planning for Future Student Needs

SUPPORTING DATA

On February 14th 2020 the Humboldt Unified School District released an RFP for Wide Area Network Services to connect the campus networks at all HUSD school sites, the District Office and the District Datacenter. The District posted the RFP on its website, ran an ad in the Daily Courier and referenced the RFP on the USAC (E-Rate) website as part of our E-Rate Form 470 submission.

SUMMARY & RECOMMENDATION

All firms were required to meet the following mandatory criteria (additional criteria were identified in the RFP):

- Dedicated bandwidth to all sites in tiered options
- 99.995% uptime
- Ethernet handoffs compatible with existing District infrastructure
- Proactive monitoring
- Availability of a District accessible dashboard / monitoring system

In addition to the mandatory criteria, the firms were scored based upon additional technical specifications and cost. A composite score for each vendor was established and the vendors were ranked. The maximum score for price was assigned to the vendor offering the lowest price, and a proportional score was assigned to the other vendors.

The response evaluation committee includes Patrick Keeling – Director of Technology, Stephanie Garcia – Network Administrator and Scott Terry – Data Coordinator. The scoring process was facilitated by Jeannette Arntzen – Procurement Specialist.

As stated in the RFP: While cost is a significant factor in considering the placement of the awards, it is not the only factor. The award will not be based on price alone, nor will it be based solely upon the lowest fees submitted.

This contract will replace our current Conterra contract expiring June 30th, 2020.

Patrick Keeling, Director of Technology, will present to the Governing Board the results of the RFP Process.

OBJECTIVE:

Goal #2: To Focus on Planning for Future Student Needs

Goal #4: To Attract and Retain Highly Effective Employees

SUPPORTING DATA:

The Professional and Support Staff Meet and Confer Committee have met to discuss wage and working conditions. After a review of all options, the committee, upon review of the budget projections for 2020-2021, came to a unanimous agreement on their recommendations.

SUMMARY & RECOMMENDATION:

The majority recommendation from the Professional and Support Staff Meet and Confer Committee is to approve the attached Stepless Compensation Placement Schedule and OT/PT Salary Schedule.

The Committee also recommends that based on the budget projections that a 5% increase be approved through inflationary dollars to be received for the school year 2020-2021. These dollars will be used to provide a 5% increase based on the 2017-2018 salary schedule for both the OT/PT schedule and Stepless Compensation Placement Schedule. This increase is infused into the Stepless Compensation Placement Schedule, as reflected in the attached documents.

Sample Motion:

I move to approve the attached Stepless Compensation Placement Schedule and OT/PT Salary Schedule with a 5% increase based on the 2017-2018 salary schedule using the inflationary dollars being funded by the legislature for the 2020-2021 school year.

OBJECTIVE: To Focus on Planning for Future Student Needs

SUPPORTING DATA

BMHS needs to increase the price of the Athletic Pass from \$30 adult/\$20 student to \$40 adult/\$30 student for the athletic contests in the 20-21 SY.

Clairinda Weatherwax has worked diligently with other Athletic Directors in our conference. This increase in price is to match what the other high schools in our conference are charging. Secondly, this will also help offset the cost for spring sports due to the fact most of the schools in our conference charge to attend spring sports and BMHS does not.

SUMMARY & RECOMMENDATION

Sample Motion:

I move to approve the cost increase of the Bradshaw Mountain High School Athletic Pass from \$30 per adult / \$20 per student to the new price of \$40 per adult / \$30 per student., beginning with the 2020-2021 school year.

OBJECTIVE: Goal #2 - Focus on planning for future student needs

SUPPORTING DATA:

In December 2019, Humboldt Unified School District was informed that it was awarded the Arizona Department of Education School Safety Program Expansion grant. The intent of the School Safety Program is to place School Resource Officers (SRO) or Juvenile Probation Officers (JPO), School Counselors and/or School Social Workers on school grounds to contribute to safe school environments that are conducive to teaching and learning. School Safety Program officers maintain a visible presence on campus; deter delinquent and violent behaviors; serve as an available resource to the school community, and provide students and staff with Law Related Education (LRE) instruction and training. Officers are required to teach a minimum of 180 hours of LRE instruction per year. In the spring of 2019, the Arizona Legislature passed HB 2749/ARS 15-154. This expanded the scope of the School Safety Program to include school counselors and school social workers as an additional component under the program.

Humboldt Unified School District received the award of a School Social Worker to be assigned to Bradshaw Mountain Middle School for a period of three school years, commencing with the 2020-2021 school year and ending at the conclusion of the 2022-2023 school year.

In order to proceed, the Humboldt Unified School District is required to approve the job description attached for a School Social Worker. The job description includes all pertinent details, including required certifications for a School Social Worker. The Social Worker position will be added to the nurse's salary schedule as it is appropriately aligned with salary and numbers of days needed for the position requirements. Once this process is completed, the Humboldt Unified School District will begin the process of recruitment and hiring for the position, which will include members of the Bradshaw Mountain Middle School leadership and staff, as well as District and community representation.

SUMMARY & RECOMMENDATION:

It is recommended that the Governing Board approve the job description for the School Social Worker position.
