Principal's Report :

- The HUSD Board meeting is tonight and the BMHS HUSD VIP's will be honored. They are teacher Lindsay Buckle, Support staff Anthony Libby and volunteer Carmen Payne.
- 5 staff members attended a High Reliability Schools workshop. This workshop looked at the different elements of a high reliability school. Mr. Miner will be sharing more about this at a later date as he would like to share with the staff first.
- Future Freshman night was last week and went well. We tried a different set up this year and had positive feedback about that. Next year, the stage will be at the far end of the gym. Some suggestions to improve Future Freshman Night were that we should run something on the screen while parents are coming in so they are sure to sit where they can see the screen and putting some of the clubs and sports tables on the upper part of the cafeteria so that there is more space.
- Winter sports update: We have 5 wrestlers who will be wrestling in the state competition Boys and Girls Soccer will be in playoffs and we will find out if Basketball will be in the playoffs tomorrow morning.
- Spring sports started this week and teams will be having their pictures on either Saturday or next Monday.
- The Governing Board Summit was on Monday at the Event Spot. This was a great opportunity for our stakeholders to find out what is going on in the district, what our vision is for the future and to have an opportunity to make suggestions about improvements that could be made.
- College Night for Juniors will be on 2/20/2020 at 6:00 p.m.. This is an opportunity for parents and students to find out what they need to do to prepare for applying for college.
- 1A / 2A Basketball playoffs will be held in the BMHS gym on 2/21/20 from 3 to 9 p.m.
- Some of our teachers and administrators will be attending an informational session with TEGY, a group that works on creating schedules for schools that best meet the needs of teachers and students. This will be on February 24th and 25th.
- Mr. Miner will be attending the NAU job fair to recruit new teachers to come and teach at HUSD.
- The HUSD Expo will be on 2/29 from 10-1 at the Findlay Event Center. This is a great opportunity to see what HUSD has to offer.
- Math Competition - our students recently participated in a math competition and brought home 2nd! We came out on top of Basis and Prescott High School.

Old Business

There was no old business

New Business
