

Educational Guardianship Requirements for International Students

It is a condition of entry to St Bede's School Trust that children without a parent resident in the UK must delegate parental responsibility to a suitable local guardian. The selection of a guardian is the parent's responsibility. While a child is with his/her guardian, the parent – not the school – is responsible for his/her welfare.

AEGIS (Association for the Education and Guardianship of International Students) and the BSA (Boarding Schools' Association) can provide you with a list of reliable local guardianship agencies, as necessary.

Alternatively, you may wish to appoint a family member or friend residing in the UK, who meets our Educational Guardianship criteria.

Please read our Educational Guardian Policy via [this link](#) and complete the Guardian Declaration form via the link at the end of the Educational Guardian Policy document.
