## **Apple Professional Learning 3-hour Workshops**

Join Apple Professional Learning Specialist, David Araujo, as we explore new and innovative ways to create on iPad. Participants will let their creativity flow as they explore curriculum resources, experiment with hands-on learning activities, and lesson plan as we infuse our creative learning to support core instruction.

### **Bring Writing to Life 8:00 AM – 11:05 AM**

#### **SHS Room G105**

Presenter(s): David Araujo, Apple Professional Learning Specialist

Targeted Audience: All Teachers (EC-12)

Take a deep dive into writing with iPad's powerful multimedia tools. Learn to generate story ideas that infuse drawing, audio, and photos to make your writing come to life.

### **Create with Video 12:30 AM – 3:30 PM**

#### **SHS Room G105**

Presenter(s): David Araujo, Apple Professional Learning Specialist

Targeted Audience: All Teachers (EC-12)

Tap into creativity with video on iPad. Learn to capture learning in action with Camera, practice designing instructional videos using Clips, and digital storytelling using iMovie.
