

2022-2023

FINAL

IMPACT REPORT

The Drew Opportunity Fund, the school's annual giving campaign, raises flexible support to help bridge the gap between public funding and the cost of providing the unique and engaging opportunities that make Drew an incredible educational continuum for our students, staff, and families.

Whether it's responding to fresh ideas, bolstering student experiences, providing teacher and staff appreciation activities, or enhancing a learning space, the Drew Opportunity Fund helps fuel Drew's efforts to be an enriching educational community for all.

The flexibility of the funds also allows us to address the most critical opportunity - to take care of one another! From mental health counseling for students to emergency family assistance, the Drew Opportunity Fund directs support where it is needed most.

TOTAL RAISED
\$82,289

82% ►

\$100,000

Thanks to the generosity of donors, the Drew Opportunity Fund provided:

Mental health
counseling
for students
