

FOCUS Parent Portal

Volusia County Schools is committed to delivering high-quality instruction to all of its students. The Parent Portal is a great way for parents/guardians to stay connected to their student's grades, attendance, assessments, and important announcements. Parent Portal accounts are available for all students enrolled with Volusia County Schools and are easy to set up. We are committed to holding student information secure — so all accounts must be verified with a PIN. This PIN is provided by the student's enrolled school and is required to establish a Parent Portal account. If you need your student's PIN, you can contact your enrolled school or call 386-734-7190 ext. 25000 for the Help Desk. Follow the instructions on this page to set up and/or access Volusia County Schools' Parent Portal.

ClassLink (VPortal) for Students

Volusia students can access all digital resources and district applications from anywhere using a single username and password. This allows students to access the same resources at home that they use in the classroom, including Microsoft 365. Access ClassLink from the [VPortal](#) on the “Portals” menu on the district website at www.vcsedu.org.
