High School Showcase

The Annual High School Showcase is scheduled for December 7, 5:30-7:30 p.m., at the Volusia County Fairgrounds. The showcase offers students and their families an opportunity to explore all high schools and their academic programs, as well as other opportunities that are available at the high school level.

Requirements and procedures for enrolling at schools other than the zoned school are available as well. Families can also contact individual schools to learn about specific program offerings and requirements.

Selecting the opportunities that are right for the student is an important key to high school success.
