#### Thompson School District R2-J Description of CDE Program Codes to be Used for Recorting Expenditures Fiscal Year 2023-24 Proposed Budget

CDE Program Code	Program Code Title	Program Code Description of Expenditures
<2100	Student Instruction	Planned learning activities and experiences that are provided for students in the settings identified by the school
<2100	Student instruction	district as the elementary school, K-8 school, middle or junior high school and high schools.
		Activities designed to assess and improve the well-being of students and to supplement the teaching process. These
2100's	Student Support	services pertain to interaction between students and teachers by designing the educational program for the needs of
		individual students.
		Activities associated with assisting the instructional staff with the content and process of providing learning
2200's	Instructional Staff Support	experiences for students. These services pertain to the interaction between students and teachers, focusing on
22003		designing the curriculum, training staff on training methods, assessing the student's learning and retention of the
		subject matter and delivering and coordinating such activities.
2300's	General Administration	Activities concerned with establishing and administering policy for operating the school district. Do not include the
23003		Chief Business Official here, but in Support Services - Business (Program 2500).
2400's	School Administration	Activities concerned with overall administrative responsibility for a school, or a combination of schools.
		Activities concerned with paying, transporting, exchanging, and maintaining goods and services for the school
2500's	Business Services	district. Included are the fiscal and internal services necessary for operating the school district. Include the Chief
		Business Official and the activities of the Chief Business Official here.
		Activities concerned with keeping the physical plant open, comfortable, and safe for use, and keeping the grounds,
2600's	Facilities / Operations	buildings, and equipment in effective working condition and state of repair. These include the activities of
2000 3		maintaining safety in buildings, on the grounds, and in the vicinity of schools. Minor remodeling which does not
		change the capital assets of the building should be charged here.
		Activities concerned with the transportation of students to and from their places of residence and the public schools
2700's	Student Transportation	in which enrolled, including any site attended for special education or vocational education, and to and from one
27003		school of attendance and another in vehicles owned or rented and operated by the school district or under contract
		with the school district. This would include all school activities.
		Activities, other than general administration, which support each of the other instructional and supporting services
2800's	Central Support	programs. These activities include planning, research, development, evaluation, information, staff, data processing,
		and risk management services.
		Transfer of funds allocable to district charter schools. This includes monthly education program funding amounts
5700's		transferred to the district on a monthly basis by CDE and any local mill levy override tax collections sent to the
		district by county treasurers which the charter school is entitled to.
