Frenchtown AM VEHICLE ARRIVAL/DROP-OFF Procedure

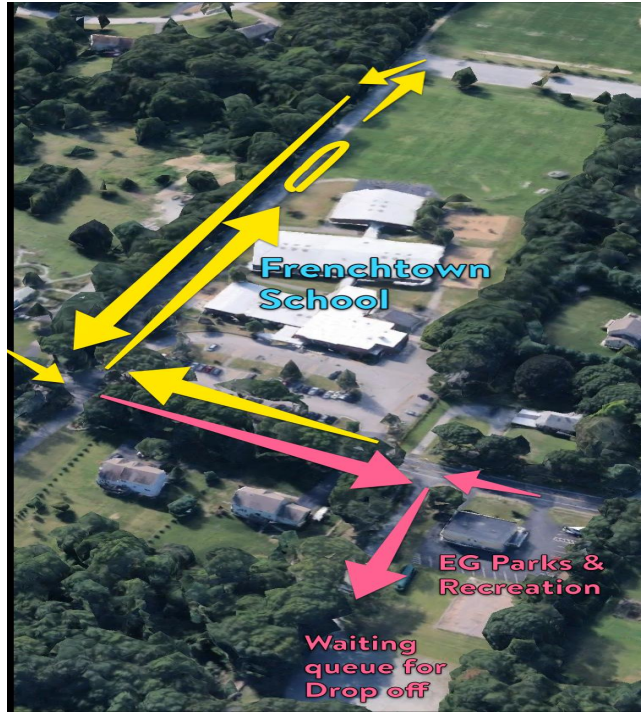

Aerial diagram below

Arrival procedures remain the same as last year with a total of 6 drop off queues located further down the access road next to the blacktop.

- East Greenwich Police (SRO) will be directing traffic at the entrance to Frenchtown School and the Access Road entrance.
- All vehicles must follow the single-lane traffic pattern outlined in **yellow** for arrival/drop-off.
- If necessary, the Parks & Rec lot will be used for traffic queuing so as not to obstruct traffic flow on Frenchtown Road. Please follow the **pink** arrows.
- Vehicles will be permitted to enter the Access Road via Frenchtown Road, and proceed in a one-way traffic flow to the “blue turnaround” painted in the back soccer field parking lot to exit onto Frenchtown Road once again.

- Please do not enter the faculty/staff parking lot by the west entrance to cut the access road line entering from Frenchtown Road.
- A Frenchtown staff member will be located at the entrance gates until 9:00 AM and will direct students when it's safe to get out of the vehicle.
- Once a staff member has signaled you to do so, all students need to exit vehicles on the right-hand/passenger side within the **designated drop-off areas painted in yellow on the Access Road.
- Due to safety concerns, please remain in your car and prepare your child to get out independently.
- A staff member will be monitoring the area and directing cars to slowly leave the drop off queues once students have cleared the yellow striped walking path to the gates.
- When leaving the drop off please drive forward and turn around in the parking lot of the back soccer fields.
- All arrivals from 9:00 AM on need to come to the front entrance of the school for drop off. No adult supervision is at the arrival gate past 9:00 to safely receive students.
- Buses have the right of way.. For everyone's safety, please do not drive around the front of buses as they exit the school grounds.
