How can WAMS cultivate your career path, your ambitions, and your dreams?

WAMS Community Partners:

Waterbury Symphony Orchestra
Shakespearience & The Palace Theatre

WAMS offers busing to our out of district students, as well as athletic opportunities with participating district schools for those who are interested in playing sports.

WAMS Lottery Information:

Thank you for considering the unique educational environment of Waterbury Arts Magnet School for your child. WAMS is an inter-district school that accepts students from Middlebury, Naugatuck, Plymouth, Southbury, Terryville, Thomaston, Waterbury and Wolcott. Each year WAMS admits new incoming students for each grade, depending upon the availability of open seats. Students are selected based on a fair, random lottery, which ensures all students have an equal opportunity to enroll. Students that are not selected are placed on a waiting list.

*Currently accepting applications until
December 16th 2022*

“This is my home!”

3 Performance Locations

Every year our theater, dance, band, orchestra and chorus departments put on 2 performances. We also host an annual art show to showcase our artists' talents.

- 1. Apron Stage** – This is the main theater performance stage.
- 2. Black Box Theater** – Doubles as a drama classroom and hosts small theater productions.
- 3. Recital Hall** - Hosts our musical performances, orchestra and chorus classes. The room is equipped with acoustic sound tiles to promote better sound quality.

Wood Shop

Brand new renovations totaling over \$60k, where students make their own sets for performances.

Photography

We offer digital photography courses, as well as a dark room for developing film. We also provide print making classes where students create posters for performances.

TV Studio\Technical Theatre

Students learn behind the scenes intel regarding sound, lighting and audio. Our TV Studio is equipped with a control room, editing suites, and a green screen.

Fitness Center

Brand new, state of the art exercise equipment for students and staff to utilize throughout the day.

College & Career Media Center

Updated Media Center totaling \$45k. We hired a new library media specialist to assist students with research and citations.

Digital Music Room\Recording Studio

Students learn how to create their own music, record podcasts, and video game coding. Rooms are equipped with Macbook workstations.
