Consider approval of revisions to District Policy 2163 - Traffic Education

Facts:

1. First reading of the proposed revisions occurred on July 10, 2023.
2. The flexibility of remote instruction for traffic education programs has been sunsetted since the height of the COVID pandemic. Districts may continue to offer traffic education via remote instruction if this is included in policy.
3. The addition of the following wording, “The District will determine and will communicate on the Traffic Education website how the classroom portion of the traffic education course will be delivered based on available resources. Instruction could be conducted in a traditional classroom environment or delivered remotely online” will allow the District to continue to provide traffic education instruction remotely.

Superintendent’s Recommendation:

It is recommended that the Board of Trustees approve the policy updates.

Other Alternatives:

1. Do not approve the recommendation and request administration propose changes.

Bozeman Public Schools

INSTRUCTION

Policy 2163

Traffic Education

Bozeman Public School District will provide a drivers' training instruction program for students who live within the geographic boundaries of the public school district, whether or not they are enrolled in the public school district and provided that students enrolled in the course will have reached their fifteenth (15th) birthday within six (6) months of course completion and have not yet reached nineteen (19) years of age on or before September 10 of the school year in which the student participates in traffic education.

All eligible students will be treated fairly and without bias in the notification, enrollment, and class administration procedures associated with the traffic education program.

The purpose of the program is to introduce students to a course of study which should lead to the eventual development of skills appropriate for a licensed driver. The traffic education program is designed to meet the criteria established by the Superintendent of Public Instruction. These criteria include requirements for instructional time, for instructor certification, recommendations for course of study, and reimbursement procedures.

The District will determine and will communicate on the Traffic Education website how the classroom portion of the traffic education course will be delivered based on available resources. Instruction could be conducted in a traditional classroom environment or delivered remotely online.

Topic:
Consider Authorization of Investment Account

Facts & Discussion:

1. Effective July 1, 2022 the District moved its banking relationship from Gallatin County to First Interstate Bank. The new account structure at First Interstate Bank includes a checking account with a required \$5,500,000 balance and an attached savings account with no minimum or maximum balance. That ‘peg’ balance has since been reduced to \$3,500,000.
2. 20-9-235, MCA allows the District to establish investment accounts and temporarily transfer into the accounts all or a portion of any of its budgeted or non budgeted funds.
3. In January 2023, the Board of Trustees authorized the creation of an investment account with the Montana Short-Term Investment Pool (STIP). STIP is now the primary investment vehicle used by the District.
4. The District was approached by a local bank to move some of its investments out of STIP and into an account there. The proposal includes:
 - Provisions for the account to be insured and/or collateralized, as required by law
 - Same day access to all balances on deposit
 - Interest earnings equal to the [daily STIP rate](#) plus 5 basis points (0.05%)
 - 30-day notice before changing any of the account terms
5. The proposed change would result in an increase of interest revenue, increased diversification with the District’s invested funds, and additional security due to the fully insured/collateralized nature of the account. It is also consistent with Goal Area 3 of the District’s Long Range Strategic Plan and [District Policy](#).

Fiscal Impact:

Estimated interest earnings will increase by 0.05% (\$500 per \$1 million invested) annually.

Superintendent’s Recommendation:

It is recommended that the Boards of Trustees:

1. Authorize the creation of this investment account and future investment opportunities under the terms presented;
2. Require two signatures to transact business on the account;
3. Designate Director of Business Services Lacy Clark as the Authorized Representative to open the account and collect the necessary signatures; and
4. Authorize the Authorized Representative to invest funds in the account in a manner that maximizes the Districts’ return while balancing its cash flow needs.

Other Alternatives:

1. Do not approve the recommendation.

Topic:

Consider Approval of Revisions to remaining [Legislative Policies](#)

Facts:

1. The MTSBA Policy Services team has prepared necessary updates to the MTSBA Model Policy manual in response to legislation approved during the 2023 Legislative Session. MTSBA policy revisions ensure compliance with changes to law and best practice.
2. The BSD7 Executive Team has done a crosswalk between the MTSBA Model Policy changes and current BSD7 policy, making important updates as necessary to 1) ensure legislative changes are updated in BSD7 policy, and 2) ensure BSD7 policies closely mirror the MTSBA Model Policies for ease in maintaining ongoing updates.
3. Because the policy changes are the result of legislative law changes the Board approval process can be done in one reading as a singular action item, consistent with Policy #1310.
4. The Executive Team has organized the 2023 MT Legislative policy changes by series and brought the 2,000 series changes to the Board for approval on July, 10,2023. This agenda item includes the remaining policy series updates from the 2023 legislative session.
5. There are a small sub-set of recommended MTSBA policy revisions, not included in this agenda item, that the Executive Team is looking at with greater detail, including working with District legal counsel, SAM, and the AA superintendents, to ensure implementation will not create liability issues for the District as some MT legislation passed during the 2023 session may be in conflict with Federal non-discrimination policy and/or the MT Constitution.

Superintendent's Recommendation:

It is recommended the Board of Trustees approve the [policy updates](#) as presented.

Other Alternatives:

1. Do not approve the recommendation and request administration propose changes.

Consider Approval of Application for Full Service Community Schools Grant

The Full Service Community Schools Grant is a federal grant designed to provide support for the planning, implementation, and operation of full-service community schools that improve the coordination, integration, accessibility, and effectiveness of services for children and families, particularly for children attending high-poverty schools.
2. This grant focuses on early literacy and the creation of family and student supports at BSD7 Title I elementary schools.
3. The grant supports all LRSP goal areas:
 - a. Academic Performance: Each student meets or exceeds the high academic standards necessary for college and career readiness.
 - b. Operations and Capacity Building: District operations, facilities, and human resources promote an efficient and innovative educational system.
 - c. Community Engagement and Partnerships: Bozeman Public Schools has created an environment in which all education stakeholders at the local, state, and national levels are supportive, engaged, and contribute to successfully educate our students.
 - d. Student and Staff Safety/Health/Welfare: Bozeman Public Schools has effective systems in place for students and staff to learn and work in a safe and healthy environment.
4. The grant application is for \$500,000 per year for five (5) years and will fund: Expanded early childhood education and services, professional development, mobile dental and vaccination services, family resource centers, high quality out of school enrichment programs, and establish collaborative leadership teams at each title school and at a district/community level.
5. The District is partnering with Thrive, MSU, United Way, and the Gallatin County Health Department to write the grant, and those agencies will also provide services should the grant receive funding.
6. Deadline for submission: August 8, 2023.
