The *Cleveland Independent School District* announced it will continue its policy to operate the Community Eligibility Program (CEP) under the National School Lunch Program and School Breakfast Program for the 2023-2024 school year at all schools. Schools qualifying to operate CEP serve breakfast and lunch to all students at no charge and eliminate the collection of meal applications for free, reduced-price, and paid student meals. This new approach reduces burdens for both families and school administrators and helps ensure that students receive nutritious meals.
