Dear Gull Lake Families and Staff,

As we move toward the August 8th Headlee Ballot Proposal vote, here is additional information that is designed to help you better understand the process and potential outcomes. These facts lay out what a Headlee Ballot Proposal is all about and the results for the District. You are invited to consider these facts and to make an informed decision at the ballot box on August 8th. Many of you have the option to turn in your requested absentee ballots up through the day of the election on August 8th. This [link](#) provides the details for your review.

Have a great weekend!
