Dear Parents/Guardians:

Below is a list of supplies that your child will need when school starts next fall. You may purchase these items at your convenience over the summer and take advantage of the "Back-to-School" sales when they occur. Although these items are required for every kindergarten student, individual teachers may have additional requests for supplies when school starts in the fall. You may have to wait until late August, when you are notified who your child's teacher will be, to purchase some of the classroom specific items.
