 - Community building with other students and faculty as they experience this life changing service immersion together.
-

Description:

All grade 7 students will participate in similar but not identical experiences during the week. The 7th grade faculty team has put a lot of work into planning a meaningful week. The students will be doing team building activities and service. Students will be participating in service activities at a variety of locations in smaller groups; organizations may include places like Freestore Foodbank, Shared Harvest, and other ministries throughout Cincinnati.

This course is well suited to: All grade 7 students will participate in this course.

Cost: \$ 125

Additional costs: Students will need a portable packed lunch on Thursday

Other Information:

Students should be dressed for hard work with the possibility of getting dirty each day. Closed-toed shoes are needed each day. Some service locations require paper or online parent permission forms to be signed, please look for those to be sent home in the weeks prior to our great week of service.
