#### **PRIOR TO THE STUDENT'S BEING GRANTED INDEPENDENT ACCESS PRIVILEGES, THE FOLLOWING SECTION MUST BE COMPLETED FOR STUDENTS UNDER 18 YEARS OF AGE:**

As the parent or legal guardian of the student (under 18) signing above, I grant permission for my child to access networked computer services such as electronic mail and the Internet. I understand that this access is designed for educational purposes; however, I also recognize that some materials on the Internet may be objectionable, and I accept responsibility for guidance of Internet use by setting and conveying standards for my child to follow when selecting, sharing, researching, or exploring electronic information and media.

#### **CONSENT FOR USE**

By signing this form, you hereby accept and agree that your child's rights to use the electronic resources provided by the District and/or the Kentucky Department of Education (KDE) are subject to the terms and conditions set forth in District policy/procedure. Please also be advised that data stored in relation to such services is managed by the District pursuant to policy 08.2323 and accompanying procedures. You also understand that the e-mail address provided to your child can also be used to access other electronic services or technologies that may or may not be sponsored by the District, which provide features such as online storage, online communications and collaborations, and instant messaging. Use of those services is subject to either standard consumer terms of use or a standard consent model. Data stored in those systems, where applicable, may be managed pursuant to the agreement between KDE and designated service providers or between the end user and the service provider. Before your child can use online services, he/she must accept the service agreement and, in certain cases, obtain your consent.

#### Technology Survey

1. Do you have internet access in your home?  
 Yes  No
2. Which of these devices do you have in your home that is available for your student to use for school work. Check all that apply.

- Desktop computer
- Laptop/Chromebook
- Tablet
- Smartphone

#### Photo/Videotape Release

Throughout the school year, there may be times when Science Hill School staff, the media or other organizations, with the approval of the school principal, may take photographs of students, audiotape/videotape students, or interview students for school-related events. These photos and/or audio/videotaped images may appear in district publications; in district video productions; on the district website; in the news media; or other nonprofit, education-related organizations' publications. Parental permission is required by federal law before any picture of any child is released by the school.

\* Please check here  if you **DO NOT** wish your child to be videotaped, photographed or their photo placed on the school website. If unchecked, permission has been given to display the products of this student's school related academics, athletic, musical and/or art work, including video or photographic likenesses, on the district/school websites. *The school district assumes no responsibility for photographs, audio/videotapes, etc. that may be made by parents or other non-school personnel at public events.*

Protection Plan Agreement  
2023-2024 School Year

Student Pledge

As part of your student's participation in the 1:1 Chromebook program, students in K-8th grade are required to purchase a protection plan for their Chromebook. The student fee is \$25 a year for one child and \$25 for the first child and \$15 a year for each additional child in the same family.

This fee will cover insurance and warranty for the device for accidental damage and general wear and tear. However, intentional damage is not covered by this protection plan.

Students will use the same device their entire time at Science Hill Independent. New students will be assigned a Chromebook as they are enrolled and have completed online safety training.
