LETTER FROM SUPERINTENDENT

#ARCADIASTRONGTOGETHER

June and July seem to go faster and faster every summer. It seems like we were just holding our graduation ceremony for the Class of 2023 and our students and staff were getting ready for summer. Now, here we are getting ready to soon welcome everyone back for the 2023-2024 school year. Many members of the staff have been doing a lot of work throughout the summer getting ready for the new year. While summer seems to be a quieter time for a school district, that does not mean that many of the personnel are not continuing to work diligently to ensure everything is ready to go for students when they return in the fall.

As we prepare for the new school year, we eagerly anticipate meeting the new students who will join us, the new staff who will join us, and the new and exciting things that the new school year always brings. While much stays the same from year to year, much also changes. New people bring new ideas and new opportunities. We welcome all of the new staff and new students to our district.

As the new year approaches, please be aware of changes to transportation routes. You may see some slight changes from past years, as our transportation department works to modify routes to meet the needs of our families and so that we can cover the routes with the current transportation staff. Speaking of transportation staff, if you are interested in making a few extra dollars, please contact John Krett to discuss the possibility of becoming a driver for us or serving as a substitute driver. We are always looking for additional bus drivers and there may be a position for you!

I want to close by saying congratulations to the Class of 2023. Hopefully, the collection of experiences over their four years of high school will help in many positive ways in the future. The high school careers of the Class of 2023 may have come to a close, but that is not an ending, but a new beginning. Regardless of what your plans are after high school, each of you will go out and have many opportunities to make great contributions to society. Take the lessons you have learned and apply them to your future. Be great, Class of 2023!

TRANSPORTATION - IMPORTANT UPDATES

**We care about the safety and welfare
of our students and staff!**

Many routes will be altered for the start of the 2023-2024 school year. "Brown Route" will be eliminated, the riders previously on the brown route will receive new bus assignments. As we near the start of Fall session be sure to check the posted pick up and drop off times within the parent portal provided on Infinite Campus. As the registration process occurs new riders will continue to be added to our routes, this can cause further alterations of previously posted pickup times. Infinite campus will have the most current available information for student and parental review.

Any changes to your child's after school transportation must be called in before 1:30 p.m. No non-emergency transportation changes will be made after 1:30 p.m. deadline. After the 1:30 p.m. deadline, please arrange to pick your child up at their regular bus stop. Secretaries will not make non-emergency changes after 1:30 p.m.

All bus tags will be issued to your child(ren) the first day of school this year. Students need to have their **student plastic-ID bus tag** on their backpacks facing outward so they can be seen. Please **DO NOT** use old bus tags. All students are issued new bus tags every year. Middle School and High School students can pick their bus tags up from the office administrative assistants. Elementary student's teachers will have their bus tags to distribute to children who ride the buses. Thank you for your assistance in this.

Student Behavior on buses: Students who ride buses must sit in their seats facing forward. No touching of any other students. Stay seated in your seat at all times. No standing up in the aisles. No switching seats. No facing backwards and talking to other students in a different seat. Bus Drivers may assign seats as needed for behavior issues that occur on the bus. **Parents please talk to your child(ren) about these rules.**

Students will be allowed to select only **one am route** pick up location and **one pm route** drop off location. Early release days will follow this also. Parents need to arrange private transportation for students if an alternate destination is desired.

Children who are having **any gatherings or friends over, all must be picked up by a parent.** If you need to make a bus route change please contact Scott at the elementary school at 323-3315 EXT 2509 or John at the bus garage at 323-7082.

Please check the transportation website for any changes that may occur. Infinite campus can also be viewed for a child's anticipated pick up and drop off times. Times posted **WILL CHANGE** as more students register so check back often.

Parents, please make sure your children(s) understand (s) the school handbook as it relates to bus and van transportation policies.

Sincerely, John Krett, Director of Transportation

This will allow us to continue to deliver quality education to all students in our school district without any severe cuts. We appreciate the investment in education our great state is making!

We would like to congratulate board member Randy Nilsestuen on 25 years of service to our school district. Randy recently retired from the board. Randy

always reminds us to put the children first. Randy - you have made a difference in our community and you will be missed.

With Randy's resignation, we are looking to appoint a replacement board member. If you are interested in applying, please submit a letter of interest to the district office by Aug. 14th.

New Speak Up, Speak Out Program

As we gear up to embark on another enriching journey of education, we are thrilled to introduce a valuable initiative that will play a pivotal role in ensuring a safe and inclusive environment for our students, staff, and families.

We are delighted to announce that the Arcadia School District will be adopting the "Speak Up, Speak Out" program, in collaboration with the Wisconsin Department of Justice. This initiative aims to empower our entire school community, providing an avenue for open dialogue and promoting a culture of safety and respect.

"Speak Up, Speak Out" is a comprehensive platform designed to encourage everyone in our school district to report any concerns they may have, ranging from bullying incidents, safety issues, or any form of misconduct. This program emphasizes the significance of speaking up and actively listening, fostering an environment where every voice is heard and valued.

Our commitment to the well-being and development of our students extends beyond academics. By implementing "Speak Up, Speak Out," we aim to create a stronger sense of unity and trust within our community, where each member feels supported and protected.

We encourage all parents, guardians, students, and staff to familiarize themselves with the "Speak Up, Speak Out" program and be actively involved in its implementation. Together, we can build a safer and more inclusive learning environment for our children.

In the coming days, you will receive further information on how to access the program and the resources available to assist in navigating its features.

Thank you for your continued support and collaboration as we work together to make the Arcadia School District a place of growth, respect, and positive change.

Standard Based Grading Update

The School District of Arcadia continuously strives to enhance the educational experience for our students, and the adoption of standards-based grading is a testament to our commitment to academic excellence. This innovative approach to assessment offers numerous benefits, which I would like to share with you.

1. Focus on Mastery: Standards-based grading shifts the emphasis from comparing students to ensuring each student truly understands the subject matter. By evaluating mastery of specific learning objectives, we can identify areas where additional support is needed, helping students progress and succeed more effectively.

2. Clearer Feedback: Students receive detailed feedback on their strengths and areas for improvement on each learning standard. This enables them to understand their progress more clearly and take targeted actions to enhance their learning.

3. Increased Equity: Traditional grading systems can sometimes hide the true proficiency of a student, especially if they have made significant progress in certain areas. Standards-based grading provides a more equitable representation of a student's skills, as it focuses on individual competencies rather than overall performance.

4. Parent-Teacher Collaboration: This grading system encourages stronger communication between parents and teachers. Teachers are able to provide details about specific skills a child may or may not yet have

mastered. This enables more meaningful conversations about your child's academic growth.

5.. Motivation and Self-Efficacy: Students tend to become more motivated and confident when they see their progress on each standard. This can lead to increased engagement in the learning process and a sense of ownership over their education.

6.. Reducing Stress: Traditional grading systems often induce unnecessary stress and anxiety. Standards-based grading alleviates some of that pressure by allowing students to focus on individual growth and learning rather than constantly chasing points or letter grades.

We firmly believe that implementing standards-based grading aligns with our commitment to fostering an environment that nurtures academic growth and overall development for each student. We are excited about the positive impact this will have on their educational journey and future success.

If you have any questions or concerns about the transition to standards-based grading, please don't hesitate to reach out. We value your partnership and support as we work together to create an exceptional learning experience for our students.

Food Service Collection Guidelines

The District uses an automated lunch accounting system (Lunch Cashier) to record food service payments and to monitor food transactions. The system functions as a debit system. Parents/guardians are expected to maintain their lunch account in a **positive** status. Any funds remaining in family lunch accounts at the end of the school year will carry over to the next school year. Refunds will be issued upon written parental request.

Parents/guardians who claim that the financial condition of their families is such that they cannot afford to pay for the cost of their children's meals will be invited to make application for free or reduced meals in accordance with federal regulations.

A la Carte Line Policy (High School Only) - Students are to have a positive balance in their account to make purchases on the a la carte food line. If the account has a negative balance, the student will have to eat from the regular lunch line until there is a positive balance.

Collection of Food Service Related Charges— The Superintendent, or designee, will be expected to pro-

tect the taxpayers of the District by making every effort to collect all food service related charges due the District. The District will have guidelines in place that identify criteria for the use of a small claims court, collection agencies/service, and write-off of debt.

Insufficient Account Balances—All students will be informed of low account balances in the lunch line. Statements will be mailed home weekly when the account balance falls between \$20.00 and -\$20.00.

All accounts at or below negative \$-20.00 will be notified by mail. Payment will be expected within seven days of the mailing. Students will not be allowed to purchase extra portions or a la carte items during the time period when the account reaches a negative balance and actual denial of access to the food service program begins.

Denial of Access to the School Lunch Program Due to Nonpayment—In accordance with USDA regulations, children receiving free meal benefits cannot be denied a meal for any reason, including failure to maintain their family lunch account in a positive status.

Just a few short years ago, the options for daycare were limited in this community and a group childcare center in Arcadia was just a thought. Thanks to the determination and community support, we are happy to announce that Little Raiders Childcare Center will be celebrating their second year of operation in August of 2023! During our first month of operation in 2021, we had a total of 36 children in our care; we now currently have 110 kids enrolled. It has been a whirlwind of changes and growth for Little Raiders.

We are grateful for all the support the School District of Arcadia and the Arcadia community has given us so we can continue to provide a childcare option for parents in the surrounding areas. Visit our website or Facebook page to learn more about what we have been up to this year, enrollment, and upcoming events!

Project Close Up 2023

Ten outstanding AHS student ambassadors were “closeup” with Washington D.C. this May. Arcadia High students took in the sights, met new friends, cordially debated, participated in a Mock Congress, and some even flew for the first time. Students had a blast learning about our democratic process with students from around the country including Iowa, Rhode Island, Michigan, Colorado, Connecticut, New York, North Dakota, and California.

They had the chance to meet with Senator Johnson and Congressman Van Orden to discuss issues of importance as well as tour the Capitol. The activity packed week started off with the Holocaust Museum, Memorial visits to Thomas Jefferson, Lincoln, Korean & Vietnam War, Franklin Delano Roosevelt, Iwo Jima, Martin Luther King,

Jr., & US Air Force, seeing a theatrical production Shear Madness at the Kennedy Center, participating in numerous seminars, watching the Changing of the Guard and laying of the wreath at Arlington Cemetery, taking in all various Smithsonian's

Museums, and culminating with a tour of the White House.

Here are a few participant quotes: **Eldon** “We were lucky to have gone during ASL week, where kids who were deaf, blind, or none of the above, were gathered to share their political views in a safe environment.” **Jennifer** “I learned that to make new friends you have to come out of your shell and be social to other people.” **Maria** “I learned the importance of respect even if it's the opposing viewpoint.” **Ithzel** “The first thing I have learned was how to appreciate not only the dedication that our country took to build, but the foundation it was built on.” **Briana** “Some stairs in the House of Representatives still have blood from long ago.” **Christian** “That people from different parts of the country do have similar things to me.” **Kelly** “I learned new ASL signs.” **Peyton** “Meeting new friends.” **Rae** “I learned about how a mock trial is run and each person's role in that trial.” **Simon** “I learned about political efficacy. What it is, strategies to have it and why it is important. It was something that I never realized I needed to do until after this trip. It is important to advocate for your viewpoints and your beliefs.”

Advisor Mrs. Schock would like to **thank all** that made it possible for this year's Close Up ambassadors as they let their voices be heard and promoted democracy at its finest. If you will be an Arcadia Junior or Senior next fall and would like to attend AHS Close Up in 2024, contact Mrs. Schock for this trip of a lifetime awaits YOU!

8th Grade Business Explore

These 8th grade students used their entrepreneurial spirit to raise \$350 for St Jude Children's Hospital. This is the last ice cream project for the middle school but in the last two years, we have raised over \$2000 and donated to a variety of charities. Great job, students!

2023 Summer School Fun

From koalas, kangaroos, possums, emus, and wombats to the Great Barrier Reef, Sydney Opera House, Uluru, and the culture and foods- third graders enjoyed their time with Australia.

They heard books, wrote their own stories, played math games, taste tested spiced gum drops from the kookaburra and his gum tree, sang songs, jumped like kangaroos, decorated and threw boomerangs, and painted their own special Aborigine paintings. Even Australian yoga poses helped our imaginations soar so we could feel like we were there. Good day

4th graders did a STEM project on making their own ukuleles! From gluing the base and the neck together to stringing and tuning, they did it all! Thank you to [Ashley Furniture](#) for creating this opportunity

Future Business Leaders of America—Nationals

In June, Kealey Ziegeweid and Tegan Michalek represented Arcadia High School and the State of Wisconsin at the FBLA (Future Business Leaders of America) National Convention in Atlanta, Georgia. The girls competed in Entrepreneurship. To qualify for Nationals they had to take a written test and if they scored in the top 8 out of twenty-five teams, they had to prepare a case problem and present it to judges.

After competing against others from all 50 states, they took in the sights of Atlanta with their coach, Mrs. Baumgartner.

Way to go, girls!

Letter to Households—National School Lunch/Breakfast

Children need healthy meals to learn. The Arcadia School District offers healthy meals every school day. Students in grades K-4 may buy lunch for \$2.70. Students in grades 5-12 may buy lunch for \$2.95. Students in grades K-12 may buy breakfast for \$1.60. Your children may qualify for free meals or reduced price meals. Reduced price is \$.030 for breakfast and \$.40 for lunch. A free or reduced lunch application can be found on our website, or at any school office. Below are common questions and answers.

Do I need to fill out an application for each child?

No. *Use one Free and Reduced Price School Meals Application for all students in your household.* **We cannot approve an application that is not complete, so be sure to fill out all required information. Return the completed application to: Lunch Program, School District of Arcadia, 358 R. River St., WI 54612.**

Who can get free or reduced price meals?

1. All children in households receiving benefits from FoodShare, the Food Distribution Program on Indian Reservations (FDPIR), or **W-2 Cash Benefits** are eligible for free meals.
2. Foster children that are under the legal responsibility of a foster care agency or court are eligible for free meals.
3. Children participating in their school's Head Start program are eligible for free meals.
4. Children who meet the definition of homeless, runaway, or migrant are eligible for free meals.
5. Children may qualify to receive free or reduced price meals if your household's income is within the limits on the Federal Income Eligibility Guidelines. See chart on page 13.

Can I apply online?

Yes! You are encouraged to complete an online application instead of a paper application if you are able. The online application has the same requirements and will ask you for the same information as the paper application. Visit **arcadia.k12.wi.us/departments/food-service** to begin or to learn more about the online application process. Contact **Jacqueline Deniz, 358 E. River Street, Arcadia, WI 54612, 608-323-3315 ext. 2501.** **if you have any questions about the application process.**

How do I know if my children qualify as homeless, migrant, or runaway?

Do the members of your household lack a permanent address? Are you staying together in a shelter, hotel, or other temporary housing arrangement? Does your family relocate on a seasonal basis? Are any children living with you who have chosen to leave their prior family or household? If you believe children in your household meet these descriptions and haven't been told your children will get free meals, please call or e-mail **Lance Bagstad, 323-3315, ext. 3160, bagstadl@arcadia.k12.wi.us**

My child's application was approved last year.

Do I need to fill out another one?

Yes, your child's application is only good for that school year and for the first few days of this school year through 10/15/23. You must send in a new application unless the school told you that your child is eligible for the

new school year. If you do not send in a new application that is approved by the school or you have not been notified that your child is eligible for free meals, your child will be charged the full price for meals.

I get WIC. Can my children get free meals?

Children in households participating in WIC may be eligible for free or reduced price meals, but it is based on income. Please submit an application.

Will the information I give be checked?

Yes, and we may also ask you to provide written proof of the household income you report.

If I don't qualify now, may I apply again later?

Yes. You may apply at any time during the school year. For example, children with a parent or guardian who becomes unemployed may become eligible for free and reduced price meals if the household income drops below the income limit. (See chart on page 13)

What if I disagree with the school's decision about my application?

You should talk to school officials. You may also ask for a hearing by calling or writing to: Lance Bagstad, Superintendent, 730 Raider, Suite 3150, Arcadia, WI 54612, phone 608-323-3315.

May I apply if someone in my household is not a U.S. citizen?

Yes, you or your child(ren) do not have to be U.S. citizens to qualify for free or reduced price meals.

What if my income is not always the same?

List the amount that you normally receive. For example, if you normally get \$1,000 each month, but you missed some work last month and only got \$900, put down that you get \$1,000 per month. If you normally get overtime, include it, but not if you only work overtime sometimes. If you have lost a job or had your hours or wages reduced, use your current income.

We are in the military.

Do we report our income differently?

Your basic pay and cash bonuses must be reported as income. If you get any cash value allowances for off-base housing, food, or clothing, or receive Family Subsistence Supplemental Allowance payments, it must also be included as income. However, if your housing is part of the Military Housing Privatization Initiative, do not include your housing allowance as income. Do not include any combat pay resulting from deployment as income.

My family needs more help. Are there other programs we might apply for?

To find out how to apply for Food Share or other assistance benefits, contact your local county human services or call 1-800-362-3002.

If you have other questions or need help, call 608-323-3315.

Lance Bagstad, Superintendent

Student Accident Insurance—Enroll Online

As a service to parents, the school district makes available to parents an accident insurance plan through Student Assurance Services, Inc. of Stillwater, WI. Students are **NOT** covered by accident insurance through the school district. The Student Assurance Services plan provides for benefits for medical services incurred because of an accident. A brochure explaining the plan and a link to enroll is part of the required student registration on Infinite Campus.

Parents who wish to apply for this coverage should read the brochure explaining the program carefully. Go to the link on the brochure (www.sas-mn.com) to enroll and purchase the coverage. Payment online will be required with Student Assurance Services.

WIAA requires athletes to have insurance coverage. It

is especially important that you check into this insurance if your student is in athletics and you do not have insurance.

The school district will pay half of the cost for any athlete purchasing the school-time sports or the high school football insurance package. To be reimbursed for the district portion, please send a copy of your receipt from Student Assurance Services to the District Office to Chris Hannon at hannonc@arcadia.k12.wi.us or 730 Raider Dr., Suite 3150, Arcadia, WI 54612. A check will be mailed to you for 50% of the premium - \$49.50 for the school-time K-12 package; and \$125.00 for the high school football package.

If you have any questions, please call the high school, middle school or elementary office at 323-3315.

Wis Admin Code PI 9.05

The Arcadia School District is committed to equal educational opportunity for all students in the District. It is the policy of the Arcadia School District, pursuant to s.118.13, Wis. Stats., and PI9, that no person, on the basis of sex, race, national origin, ancestry, creed, religion, pregnancy, marital or parental status, sexual orientation or physical, mental, emotional, or learning disability, may be denied admission to any school in this District or be denied participation in, be denied the benefits of, or be discriminated against in any curricular, extracurricular, pupil services, recreational, or other program.

SPECIAL EDUCATION

SS 115.77(1m)(h)

A full range of services is available to students in need of special education and other special support programs. The

programs provide either direct instruction to students or supportive services to assist students to reach their potential. Teachers are provided assistance through various resources to assist them as they teach students with special needs and abilities.

Special education programs relate to: Cognitive Disabilities, Early Childhood, Emotional Disturbance, Hearing Impaired, Learning Disabilities, Occupational Therapy, Physical Therapy, Specially Designed Physical Education, Speech/ Language, Visually Impaired, Orthopedically Impaired, and Other Health Impaired.

Upon request, the School District of Arcadia is required to evaluate a child for eligibility for special education services. A request for evaluation is known as a referral. When the district receives a referral, the district will appoint an Individualized Education Program (IEP) team to determine if the child has a disability, and if the child needs special education services. The district locates, identifies, and evaluates all children with disabilities who are enrolled by their parents in private (including religious) schools, elementary schools and secondary schools located in the school district.

A physician, nurse, psychologist, social worker, or administrator of a social agency who reasonably believes a child brought to him or her for services is a child with a disability has a legal duty to refer the child, including a homeless child, to the school district in which the child resides. Before referring the child, the person making the referral must inform the child's parent that the referral will be made.

Others, including parents, who reasonably believe a child is a child with a disability may also refer the child, including a homeless child, to the school district in which the child resides.

Referrals must be in writing and include the reason why the person believes the child is a child with a disability. A referral may be made by contacting Katie Schaefer, Director of Pupil Services, School District of Arcadia, at 608-323-3315, Ext. 3165, or by writing her at 756 Raider Drive, Arcadia, WI 54612.

Information about sudden cardiac arrest must be included on the same sheet as the information about concussions and head injuries, and because a signed copy of the concussion and head injury sheet must be returned prior to participation, the practical impact is that the signed sheet will need to be returned to the school or other activity operator before a person is permitted to participate. Boletín de agosto Desde el Escritorio del Superintendente Lance Bagstad

Junio y julio parecen ir más y más rápido cada verano. Parece que acabamos de celebrar nuestra ceremonia de graduación para la Clase de 2023 y nuestros estudiantes y personal se estaban preparando para el verano. Ahora, aquí estamos preparándonos para darles la bienvenida a todos para el año escolar 2023-2024. Muchos miembros del personal han estado trabajando mucho durante el verano para prepararse para el nuevo año. Aunque el verano parece ser una época más tranquila para los distritos escolares, eso no significa que muchos de los miembros del personal no sigan trabajando diligentemente para asegurarse de que todo esté listo para los estudiantes cuando regresen en otoño.

Mientras nos preparamos para el nuevo curso escolar, esperamos con emoción conocer a los nuevos alumnos que se unirán a nosotros, el nuevo personal que se unirá a nosotros y las cosas nuevas y emocionantes que el nuevo curso escolar siempre trae consigo. Aunque muchas cosas siguen igual de un año para otro, también hay muchas que cambian. Las nuevas personas traen nuevas ideas y nuevas oportunidades. Damos la bienvenida al nuevo personal y a los nuevos alumnos de nuestro distrito.

A medida que se acerca el nuevo año, tenga en cuenta los cambios en las rutas de transporte. Es posible que vea algunos ligeros cambios con respecto a años anteriores, ya que nuestro departamento de transporte trabaja para modificar las rutas para satisfacer las necesidades de nuestras familias y para que podamos cubrir las rutas con el personal de transporte actual. Hablando de personal de transporte, si usted está interesado en ganar unos dólares extra, por favor póngase en contacto con John Krett para discutir la posibilidad de convertirse en un conductor para nosotros o servir como conductor sustituto. ¡Siempre estamos buscando conductores de autobús adicionales y puede que haya un puesto para usted!

Quiero terminar felicitando a la Clase de 2023. Esperemos que la experiencia acumulada durante sus cuatro años de preparatoria les ayude de manera positiva en el futuro. La trayectoria académica de la Clase 2023 en preparatoria pudo haber llegado a su fin, pero no se trata de un final, sino de un nuevo comienzo. Independientemente de cuáles sean sus planes después de la escuela preparatoria, cada uno de ustedes saldrá y tendrá muchas oportunidades de hacer grandes contribuciones a la sociedad. Tomen las lecciones que han aprendido y aplíquenlas a su futuro. ¡Sean grandes, Clase de 2023!

Nuevo programa "Alza la voz"

Cómo nos preparamos para embarcarnos en otro viaje enriquecedor de la educación, estamos encantados de presentar una valiosa iniciativa que desempeñará un papel fundamental en la garantía de un entorno seguro e inclusivo para nuestros estudiantes, personal y familias.

Estamos encantados de anunciar que el Distrito Escolar de Arcadia adoptará el programa "Alza la Voz", en colaboración con el Departamento de Justicia de Wisconsin. Esta iniciativa tiene como objetivo capacitar a toda nuestra comunidad escolar, proporcionando una vía para el diálogo abierto y la promoción de una cultura de seguridad y respeto.

"Alza la Voz" es una plataforma integral diseñada para animar a todos en nuestro distrito escolar a informar de cualquier preocupación que puedan tener, desde incidentes de acoso escolar, problemas de seguridad, o cualquier forma de mala conducta. Este programa hace hincapié en la importancia de alzar la voz y escuchar activamente,

fomentando un entorno en el que todas las voces son escuchadas y valoradas.

Nuestro compromiso con el bienestar y el desarrollo de nuestros alumnos va más allá de lo académico. Al aplicar "Alza la Voz", pretendemos crear un sentimiento más fuerte de unidad y confianza dentro de nuestra comunidad, donde cada miembro se sienta apoyado y protegido.

Animamos a todos los padres, tutores, estudiantes y personal a familiarizarse con el programa "Alza la Voz" y a participar activamente en su implementación. Juntos, podemos construir un entorno de aprendizaje más seguro e integrador para nuestros hijos.

En los próximos días, recibirán más información sobre cómo acceder al programa y los recursos disponibles para ayudarles a navegar por sus funciones.

Gracias por su continuo apoyo y colaboración mientras trabajamos juntos para hacer del Distrito Escolar de Arcadia un lugar de crecimiento, respeto y cambio positivo.

A medida que el proceso de registro se produce nuevos estudiantes se seguirán añadiendo a nuestras rutas, esto puede causar más alteraciones de los horarios de subida y bajada previamente publicados. Infinite Campus tendrá la información más actualizada disponible para los estudiantes y los padres.

Cualquier cambio en el transporte de su hijo/a después de la escuela debe ser comunicado antes de la 1:30 p.m. No se harán cambios de transporte que no sean de emergencia después de la hora límite de la 1:30 p.m. Después de la hora límite de la 1:30 p.m., por favor haga arreglos para recoger a su hijo(a) en su parada de autobús regular. Todos los estudiantes reciben nuevas etiquetas de autobús cada año. Los estudiantes de Secundaria y Preparatoria pueden recoger sus etiquetas de autobús de los asistentes administrativos de la oficina. Los maestros de los estudiantes de primaria tendrán sus etiquetas de autobús para distribuir a los niños que viajan en los autobuses. Gracias por su ayuda.

Pautas de Colección del Departamento de Servicios de Alimentos

El Distrito usa un sistema automatizado de contabilidad del almuerzo (Cajero de almuerzos) para registrar los pagos del servicio de alimentos y controlar las transacciones de alimentos. El sistema funciona como un sistema de débito. Se espera que los padres / tutores mantengan su cuenta de almuerzo en un estado **positivo**. Cualquier fondo restante en la cuenta de almuerzos familiares al final del año escolar se transferirá al próximo año escolar. Los reembolsos se emitirán previa solicitud escrita de los padres.

Los padres / tutores que afirman que la situación financiera de su familia es tal que no pueden pagar el costo de las comidas de sus hijos se les invitará a hacer la solicitud de comidas gratuitas o a precio reducido de acuerdo con las regulaciones federales.

Política de a la carta (solo para la escuela preparatoria): Los estudiantes deben tener un saldo positivo en su cuenta para realizar compras en la línea de alimentos a la carta. Si la cuenta tiene un saldo negativo, el estudiante tendrá que comer de la línea regular de almuerzo hasta que haya un saldo positivo.

Colección de Cargos Relacionados con el Servicio de Alimentos: Se espera que el Superintendente, o la persona designada, protejan a los contribuyentes del Distrito al hacer todos los esfuerzos posibles por recolectar

todos los cargos relacionados con el servicio de alimentos debido al Distrito. El Distrito tendrá pautas establecidas que identifican los criterios para el uso de un tribunal de reclamos menores, agencias / servicio de colección y cancelación de deudas.

Balances de cuenta negativa: Se informará a todos los estudiantes sobre los saldos de cuenta negativa en la línea del almuerzo. Estados de cuenta se enviarán semanalmente a la casa cuando el saldo de la cuenta se encuentre entre \$ 20.00 y -\$20.00.

Todas las cuentas con un valor negativo de \$ -20.00 o menos recibirán una notificación por correo. El pago se espera dentro de los siete días posteriores al envío. No se permitirá a los estudiantes comprar porciones adicionales o artículos a la carta durante el período de tiempo en que la cuenta alcanza un saldo negativo y comienzan a negar el acceso al programa de servicio de alimentos.

Negación de acceso al programa de almuerzo escolar debido a falta de pago: de acuerdo con las regulaciones de USDA, a los niños que reciben beneficios de comida gratis no se les puede negar una comida por ningún motivo, incluida la falta de mantenimiento de la cuenta de almuerzo familiar en un estado positivo.

¿CÓMO SÉ SI MIS HIJOS CALIFICAN COMO "SIN HOGAR, MIGRANTE, O FUGITIVO?"

No tienen una dirección permanente? ¿Permanecen ustedes en un hospicio, hotel, u otro lugar temporal? ¿Se muda su familia según la temporada? ¿Viven con usted algunos niños que han escogido abandonar a su familia? Si usted cree que hay niños en su hogar que cumplen con estas descripciones y no les han dicho que sus hijos van a recibir comida gratuita, favor de llamar o enviar un correo electrónico al Lance Bagstad, Superintendente, 308-323-3315 ext 3160, bagstadl@arcadia.k12.wi.us.

¿LA SOLICITUD DE MI HIJO/A FUE APROBADA EL AÑO PASADO. ¿NECESITO LLENAR UNA NUEVA?

Sí. La solicitud de su hijo solo es válida para ese año escolar y para los primeros días de este año escolar, hasta **10/10/2022**. Usted debe entregar una nueva solicitud a menos de que la

escuela le informó que su hijo es elegible para el nuevo año escolar. Si no envía una nueva solicitud que haya sido aprobada por la escuela o no ha recibido notificación de que su hijo es elegible para comidas gratuitas, a su hijo se le cobrará el precio total de las comidas.

Sí. También podemos pedir prueba escrita del ingreso del hogar que usted reporta.

SI NO CALIFICO AHORA, PUEDO SOLICITAR DESPUES?

Sí, usted puede solicitar en cualquier momento durante el año escolar. Si usted ha perdido su trabajo o le han reducido sus horas o ingresos, use su ingreso actual.

Esto explica cómo usaremos la información que nos brinda.

Ley Nacional de Comedores Escolares Richard B. Russell pide la información en esta solicitud. No tiene que dar la información, pero si usted no la provee, no podemos aprobar comidas gratis o a precio reducido para sus niños. Usted debe incluir los últimos cuatro números del Seguro Social (SSN) del miembro adulto que firma la solicitud. Utilizamos su información para determinar si su niño es elegible para las comidas gratis o a precio reducido, y para administrar y hacer respetar los programas de almuerzo y desayuno. Podemos compartir la información sobre su elegibilidad con los programas de educación, salud, y nutrición para ayudarles a evaluar, financiar, o determinar los beneficios de sus programas, así como con los auditores de revisión de programas, y los oficiales encargados de investigar violaciones del reglamento programático.
