To nurture critical thinkers who commit to college and career success through collaboration, exploration, and determination.

GUIDING PRINCIPLES:

- Providing researched based instruction
- Respecting and valuing all cultures
- Developing the creative child through Fine Arts Instruction
- Fostering collaborative decision-making
- Involving parents as a vital part of a student's success.
- Utilizing technology as a tool for student success
- Fostering individuality to help students reach their potential.
- Encouraging and motivating students to be responsible and accountable for their academic success
- Facilitating and monitoring daily school attendance as critical to student success
- Promoting physical well-being is important for student achievement

LARKSPUR SIGNATURE PROGRAMS

Larkspur is home to a few select Signature programs making us unique. These programs help us provide an enriched student experience that will give them skills for a lifetime. These programs offer a coherent and cohesive approach to learning throughout all subject areas.

PBIS

Our school is participating in an important district initiative called Positive Behavior Interventions and Support (PBIS).

PBIS is a process for creating safer and more effective schools. It is a systems approach to enhancing the capacity of schools to educate all children by developing research-based, school-wide, and classroom behavior support systems. The process focuses on improving a school's ability to teach and support positive behavior for all students. PBIS provides systems for schools to design, implement, and evaluate effective school-wide, classroom, non-classroom, and student specific plans. PBIS includes school-wide procedures and processes intended for all students and all staff in all settings. PBIS is not a program or a curriculum. It is a team-based process for systemic problem solving, planning, and evaluation. It is an approach to creating a safe and productive learning environment where teachers can teach and all students can learn.

AVID

We have implemented AVID (Achievement Via Individual Determination). AVID's mission is to close the opportunity gap by preparing all students for college readiness and success in a global society.

Accelerated Reading

This computerized and individualized reading management program encourages students to read more and better books independently.

Community Partnerships

We have established several partnerships with area businesses that enrich our campus by providing financial, in-kind, and volunteer support. We continuously are working to maintain and create new partnerships. (Scottsdale Bible Church, Safeway, Target, Fry's, Home Depot, are only a few.)

Kagan Cooperative Learning Institute

Teachers utilize cooperative learning structures, which enable students to work in groups to solve real-life problems.

Title I Programs

Our school receives extra federal funding to provide pullout remedial support for students who function below grade level in reading and/or math.

ABSENCE REPORTING

Under the District's attendance and excuse policy, it is the parent/guardian's responsibility to notify the school of an absence. We urge you to call the Hotline (449-3301), available 24 hours a day, or the school office (449-3300 prior to 9:00 a.m. on the actual day of absence.) If parent contact is not made on or before the day the child is absent, a truancy code will be entered for that day of absence.

ARRIVAL

Students are welcomed on campus after 7:55 a.m. Be advised that there is **NO SUPERVISION** prior to that time. Once students arrive at school, they may not leave campus unless a parent/guardian checks them out through the school office. ***ALL VISITORS MUST IMMEDIATELY CHECK INTO THE OFFICE UPON ARRIVAL ON OUR CAMPUS.***

LATE ARRIVALS

A student who arrives late to school **must go directly to the office**. No student arriving after the 8:15 bell has rung will be allowed in class without a parent bringing them into the office, or a phone call to the office, prior to their arrival at school. The student **MUST** have a green tardy slip, signed by our office staff, to enter the classroom.

ATTENDANCE

The attainment of academic excellence requires attendance on a daily basis. Attendance is the responsibility of the parent/guardian and the student. Credit, promotion and/or open enrollment may be withheld if this requirement is not met.

Administration Office

2430 E. Larkspur Drive
Phoenix, Az 85032

Dear Parent/Guardian:

School attendance is not only a good habit, but state law requires it. Arizona State Law (15-802.E, 15-803.) requires every person who has custody of a child between the ages of six and sixteen years shall make sure the child attends school for the full time school is in session unless unable to attend due to illness or another legitimate reason.

To encourage and improve school attendance, Larkspur Elementary School has implemented a truancy program in partnership with Maricopa County Juvenile Court. This truancy program is called C.U.T.S. (Court Unified Truancy Suppression). We will be tracking attendance very closely. Your child is expected to be at school every day, unless there is an excused reason not to be. An absence is defined as a minimum of one missed class period per day. An unexcused absence will count as a truant day as defined by law. A student is **“habitually truant”** if he/she has **five or more unexcused absences** from school. A student that is **absent more than ten percent (18 days)** of the required number of school days per year is considered to have “excessive absences” **whether the absence is excused or unexcused.**

When a student has **five** or more unexcused absences or **19** excessive absences (excused OR unexcused), the student can be cited to the CUTS Program through the Juvenile Court. **The hearing will be held at the Juvenile Court Center.** A parent or legal guardian must be present with the student at the time of the hearing. Consequences at the hearing may include the following: required attendance of the parent and the child at an education class (to be held on Saturdays), work hours assigned to the child, counseling, etc. The parent will be assessed a \$50 Diversion Fee. Failure to complete these consequences may result in suspension of your child’s driver’s license, or inability to get a driver’s license until their 18th birthday and/or formal court proceedings. It is the parent’s/guardian’s responsibility to ensure their child’s attendance in an approved academic setting. If you fail to take the necessary steps to provide your child with appropriate education you may receive a citation. If convicted, it is a Class 3 misdemeanor punishable by jail time and/or fine.

The education of your child is extremely important to us. This program is another way that Larkspur Elementary School is working with the community to ensure a quality education for all students. Please note that the school also reserves the right to have a CUTS Officer speak at Orientations and Assemblies, as well as to individual groups of students regarding the importance of school. If you have any questions or concerns, please feel free to contact Larkspur Elementary School at 602-449-3300.

Thank you for your support regarding this program.

Jamie Roberson
Principal

AUTOMOBILES

We ask that parent/guardians drop-off and pick-up children in the drop off lane, entering off of Larkspur Drive. Please pull forward to the furthest opening in the fence before allowing your child to exit from your vehicle. Do not use the front of the school as a drop-off/pick-up area; and please do not block the crossing lane. Feel free to park and then walk your child up to the drop-off area.

BICYCLES

Students in grades 4-6 may ride their bikes to school independently. Students in grades K-3 must be accompanied by an adult if they ride their bikes to school. We require that bicycles be locked in the bike rack inside the bike compound. **All bicycles are parked at school at the owner's risk.** Although we take all possible precautions, we cannot assume responsibility for student bicycles.

Students are required to walk their bicycles on all school property, and to cross at the appropriate crosswalks. Bicycle rules must be followed at all times. We encourage the use of bicycle helmets for all students riding their bikes to school. Violation of these rules will result in revocation of bicycle privileges.

BIRTHDAYS

We allow the celebration of a student's birthday at the end of the day. All arrangements must be made with their homeroom teachers. Food safety and public health regulations dictate that any 'treats' for a party be pre-packaged individually from the store. This rule applies to food and drinks. Balloons, stuffed animals, flowers, etc. will not be allowed to be delivered to students in the classroom. (*Please note: Balloons are not allowed on the school buses.*)

BREAKFAST

- All students will be served, **free of charge**, breakfast each morning. Breakfast is served at 8:15 for every student.

BUS PRIVILEGES

All passengers are under the authority of the bus driver and shall observe the following rules to retain your privilege of riding the bus:

1. Obey the bus driver at all times.
2. Bus aisles/emergency exits shall remain clear of all objects.
3. Stay seated with your back against the backrest, legs facing forward, and all parts of the body out of the aisle.
4. Keep your body and objects to yourself and inside the bus.
5. Talk quietly, use respectful language.
6. No food or drinks on the bus (water in plastic bottles is acceptable.)
7. Animals, insects, skateboards, glass containers, weapons/dangerous instruments, tobacco, alcohol, or drugs not permitted.
8. Balloons or oversized stuffed animals are not allowed on the buses.

BUS RIDERS

Only those students living in designated areas are permitted to ride the school bus. All students must obey the bus rules. Once students are on the bus they will not be released to anyone except through the school office. Those students receiving referrals for inappropriate behavior on the bus, or at the bus stop, may be suspended from riding the bus for a period of time determined by the Principal.

CELL PHONES / TABLETS / SMART WATCHES

Students are discouraged from having cell phones, tablets and smart watches with cell connectivity on campus. If a student brings a cell phone/tablet/smart watch on campus, **it is to be turned off and kept in the backpack for the entire day. Repeated incidents of having a cell phone/tablet/smart watch out of the backpack during the school day will result in parent contact.** Under no circumstances is a

student to use a cell phone/tablet/smart watch while on campus. Larkspur assumes no liability for stolen, lost, or damaged cell phones, tablets or smart watches.

CHANGES TO GOING HOME

Any phone calls to or from a student must be screened through the office. We understand that emergencies do occur during the day, but please try to make plans the night before for after school instructions (take the bus, walk home with somebody, being picked up by someone, etc.)

Students going home with other students: Office must have a written note from both students' parents.

CROSSWALK

Crosswalks are painted at the intersections of 24th Street and Sweetwater, 24th Street and Larkspur, 28th Street and Larkspur, and at Larkspur Drive and the parking lot entrance. When students are in the vicinity of the crosswalk, they are required to cross the street with the assistance of the Crossing Guard.

Our Crossing Guards are scheduled at the following times.

7:40 - 8:15 a.m.

12:00 - 12:20 p.m. for early dismissals

2:45 - 3:00 p.m. for all regular dismissals

DEPARTURE FROM SCHOOL

Students are expected to proceed immediately to the south exits of the school upon dismissal at 2:45 p.m. and are expected to leave campus immediately, unless waiting for a parent or guardian. They are not to loiter on school grounds, including playgrounds. Exceptions are when students participate in supervised, after school programs

DIGITAL CITIZENSHIP

The following guidelines and policies apply to:

- Students who use devices belonging to the Paradise Valley Unified School District.
- Students who access network resources available through the Paradise Valley Unified School District.
- Students who bring personal electronic devices to Paradise Valley Unified School District schools and events.

Network access, including the Internet, is available to students. Official district student email accounts are also provided upon enrollment to enable more efficient communication with students and parents. Official student accounts utilize the Google Suites applications, which includes, but is not limited to, email, Google Documents, YouTube, Blogger, and Hangouts.

The District has taken technical and organizational precautions to restrict access to controversial materials; however, on a shared network it is impossible to control all controversial materials. District administration believes the valuable information and interaction available on our network and the Internet far outweigh the possibility that users may experience material inconsistent with the educational goals of the district.

Guidelines for Acceptable Use:

- Only devices (computers, phones, drivers, etc.) approved by district administration may be connected to the district network.
- Computers, telecommunications, and network resources are to be used for educational purposes only.
- Students shall not purposely submit, publish, display or retrieve any defamatory, inaccurate, abusive, obscene, profane, threatening, sexually oriented, racially offensive or illegal material.
- Students shall abide by all copyright and trademark laws and regulations.
- Students shall not reveal personally identifiable data unless authorized to do so by designated school authorities.
- Students shall not reveal their personal logins/passwords, allow others to work using their login/passwords, or attempt to discover the logins/passwords of others.

- Students shall not use the network in any way that would disrupt the use of the network by others.
- Students shall not attempt to harm hardware, software or data, nor interfere with the security of any computer, telecommunication or network resource.
- Students shall regularly read and respond to communication received via district-provided email accounts according to the timeline expectations established by their school authorities.

Privileges and Responsibilities:

The use of Paradise Valley Unified School District computer, telecommunication, and network resources is a privilege and may be revoked at any time. Violations of this privilege may result in disciplinary action under the guidelines and through the authority of the Governing Board and its policies.

Parents may prohibit their students from the use of certain types of technology and the internet by notifying school administration in accordance with state statute 15-1046.

Services:

The Paradise Valley Unified School District reserves the right to monitor the use of district computer, telecommunications and network resources. In particular, electronic mail or direct electronic communication is not private and may be read and monitored by school personnel. Should it become necessary, files may be deleted.

The Paradise Valley Unified School District is not responsible for any service interruptions, changes or consequences resulting from system use, even if these arise from circumstances under the control of the district.

The Paradise Valley Unified School District may make rules, as needed, for the operation of the system.

Digital Etiquette and Digital Privacy

The use of digital devices and social media during the school day must be approved by your teacher or school administration. Unless specifically authorized by school administration, the following guidelines should be followed when photographing, creating video, and/or posting to social media any Paradise Valley Unified School District student or staff member. See Electronic Devices in the PVSchools Parent Student Handbook for more information.

Parents, protect the privacy rights of children when photographing/recording your own child's school experience. Although you may be comfortable posting, emailing and sharing photos or videos of your child, other parents may not feel the same. Additionally, the posting of the photograph of a child under court protection may put that child's safety at risk.

Students, protect the privacy rights of your fellow students and staff by photographing/recording others with permission and consent.

Parents and students protect the privacy of others by:

- framing your photo/video in such a way as to exclude others.
- shoot classroom photos or videos from behind so that faces are not visible.
- crop photos to exclude others before posting them online or otherwise sharing them

DRESS FOR SUCCESS

Larkspur is a place of learning; therefore, appropriate attire, hair color, jewelry, and hairstyles are required. Clothing/jewelry should not be worn that is hazardous to the health and safety of students or disruptive to the learning environment. Hair color should not interfere with, or be disruptive to the learning environment. Hairstyles should not be disruptive.

Footwear must be worn by students at all times; sandals should have a heel strap, and should not be worn on the days that your child has P.E. (Tennis shoes are recommended.) Platform shoes are not acceptable for school.

Shirts and blouses must have at least 2 finger widths of coverage at the top shoulder. Necklines must be high enough to allow for appropriate coverage. Shirts must cover the waistline of shorts, slacks, and skirts with no midriff or back skin showing at any time. Backless or halter tops, and sheer garments without an appropriate undershirt are not permitted. Any clothing allowing undergarments to show is inappropriate and is not permitted.

Shorts and skirts must be long enough to cover the buttocks at all times.

Hats, beanies, caps, bandannas, hoods, and sunglasses are not allowed to be worn in the classroom/building. They are allowed to be worn on the playground.

Any type of dress/attire that interferes with the learning of your student and others is not allowed at any time.

Exceptions to dress code can be for religious or health reasons. ***All requests for dress code exceptions must be submitted in writing to the school principal.***

Examples of clothing ***NOT*** to be worn are: see-through blouses or shirts, net shirts, half shirts, halter tops, tank tops with undergarment strap showing, spaghetti straps, t-shirts with vulgar language or pictures advertising alcohol, drugs, tobacco, firearms, or violence, short-shorts, cutoffs with exposed undergarments, muscle shirts or gaping tank tops, shoes with wheels, baggy pants, low cut tops, or chain wallets.

A student will either change into clothing kept in the nurse's office, or be sent home to change if the school deems the dress does not meet these standards. If there is a disagreement regarding the dress code, the ***principal shall prevail.***

Clothing can limit a student's ability to access the curriculum. Therefore your student shall always be ready and dressed to move and go outside in order to access all the aspects of their curriculum.

DRUGS AND ALCOHOL

Drugs and alcohol are not permitted. Students using or possessing drugs or alcohol will be suspended from school.

FIELD TRIPS

Field Trips are considered an extension of the classroom. Students must display the skills and behavior required to attend field trips. Permission slips need to be returned to the school prior to any student going on a field trip, verbal permission is ***NOT*** acceptable. If any parent wishes to remove their child from a field trip to take them home, the student must be signed out through the office. If a parent would like to attend a field trip as a chaperone, please visit <https://www.pvschools.net/community/volunteer> to complete the Volunteer Application.

HARASSMENT/BULLYING

All students have the right to learn and attend school without the fear of being harassed or bullied.

Larkspur has a no tolerance policy for any type of Harassment/Bullying. Students found guilty of harassment/bullying are subject to disciplinary actions, which may include:

- Warning
- Parent Called
- In/Out of School Suspension
- Restorative Justice

Consequence depends on frequency and severity of a child's actions.

To report incidents of harassment or bullying follow this procedure:

1. Contact the closest adult and report the incident. If you want to remain anonymous go to the office to report, or tell your teacher and he/she can report to the office on your behalf.
2. All reports of harassment/bullying will be investigated.
3. All persons filing a false report will be subject to the same consequences as above.
4. Retaliation for filing a Harassment/Bullying complaint will result in the same disciplinary actions as above.

Parent reporting: Contact your child's teacher or call the principal to report any incidents of harassment/bullying. 602-449-3300.

Teacher reporting: Report all incidents of Bullying/Harassment to the Principal.

A copy of the Paradise Valley School District policy on Harassment, Intimidation and Bullying can be found on the district website at

https://resources.finalseite.net/images/v1661449614/pvschoolsnet/pzjv5hzz1hn8yxect2gr/2022-23_PV_Family-Student_Handbook.pdf (page 8)

HEALTH SERVICES

Our school has a registered nurse on campus. The school nurse does not diagnose illnesses. Only a qualified medical doctor can diagnose illness. Please do not send your ill child to school to be diagnosed by the nurse; you will be called to pick up your student.

Medications: When students must take medication at school, either by a physician's order or by parent/guardian request, ***the following steps will be required:***

Prescription Medication

1. Medication must be delivered to the nurse in the ***original prescription container.***
2. The prescription label must have the ***student's name***, current date, name of medication, dosage, and the time to be given.
3. A ***permission form*** must be signed by the parent/guardian authorizing the nurse to administer the medication.

Non-Prescription Medication

1. Medication must be delivered to the nurse in the ***original container*** or packaged by the manufacturer.
2. Dosage to be given must be in keeping with the manufacturer's recommendation as printed on the label.
3. A ***permission form*** must be signed by the parent/guardian authorizing the nurse to administer.

Teachers are *NOT* permitted to keep or administer medication. *NO CHILD MAY CARRY MEDICINE TO ADMINISTER TO THEMSELVES.* These requirements are made for the protection of all children.

Immunizations: Arizona law ARS 15-803, requires that an immunization history for each child be on file ***PRIOR*** to school attendance.

Emergency Information: The online completion of the Emergency information per student is a priority at the beginning of the school year. Please see that the information is complete and kept up-to-date as to address, telephone numbers, etc.

Please provide the name, address, and telephone number of at least one person other than yourself who would care for your child in case of illness.

It is the responsibility of the parent/guardian to provide transportation and care of a sick child.
Your cooperation in providing this important information to the nurse's office is appreciated.

HOMEWORK

Homework is a valuable learning activity. It serves to provide the students with an opportunity to practice skills, develop self-discipline, responsibility, time management. It is also an opportunity for parents to be involved in what your student is learning. Assignment of appropriate homework is encouraged, and the Governing Board will support teachers in the application of sanctions to ensure that students do not ignore their homework assignments. Homework should be seen as an opportunity to make mistakes and to learn from these mistakes. As such, homework assignments are not used for grading purposes, but for reinforcement of skills the students are learning in class. Every assignment turned into a teacher should be acknowledged. If a student chooses not to turn in or complete a homework assignment the consequence for not doing the work is to do the work during a non-instructional time of the school day.

Although parents/guardians may be asked to help with studying, homework is the student's responsibility. The staff will try hard to see that students understand the assignment and have the proper preparation for completion of the assignment.

Communication between teachers and parents regarding homework is considered essential. Parents should consult with individual teachers as to the expectations and how parents may help in this effort. On days of absences, parents must request homework in the morning from the office and may be picked up after 2:45 in the front office.

Please review your student's homework calendar DAILY. Sign off when work has been completed if required by the homeroom teacher. It is your student's responsibility to bring necessary materials for you to see how each assignment is structured.

We ask that you sign off on a DAILY basis to ensure that your student understands each assignment. Please contact your student's teacher immediately if any questions arise.

INSURANCE

If you do not have accident or medical coverage for your child, you might want to consider the school insurance program. Forms are available in the office. Accidents do happen, BE PREPARED.

ITEMS PROHIBITED FROM SCHOOL:

1. Weapons (real or fake)
2. Gum and candy, unless authorized by and supervised by the teacher.
3. iPods, music players, unless authorized by and supervised by the teacher
4. Roller skates, roller blades, roller shoes, skateboards
5. Electronic games, laser pens, shock pens.
6. Personal computers unless authorized by and supervised by the teacher.
7. Toys
8. Baseball/football/basketball cards, other trading cards, or playing cards, unless under the direction and supervision of a teacher.

These items can distract from the educational program and are in danger of being damaged, lost or stolen. The school will assume ***no responsibility*** for items stolen or lost.

LEAVING SCHOOL BEFORE DISMISSAL

Parents and guardians wishing to pick up a student during the day for a medical appointment, etc., must come to the office and have the student paged. Parents or guardians will be asked to "sign-out" for their student on the computer in the office and show a photo I.D. to office staff. Students will only be released by the office staff to those persons named on the Emergency Card on file. All visitors should note that it is a violation of state law for visitors to the campus to fail to report directly to the school office upon arrival. ***Students will not be called to the office ahead of the parent/guardian arriving – parent/guardian must be present.***

LOST AND FOUND

Everything that a student brings to school should be plainly marked with both first and last names. Found items will be retained in the lost and found container outside of the cafeteria in the hallway. If items are not claimed promptly, they will be donated to a charitable organization at various times during the school

year. Small items found, such as wallets or jewelry, are turned in to the office. ***Neither the school nor district offices will be held liable for items lost at school.***

LUNCH

Hot lunches are served at school to students in grades K-6 at a cost of \$2.50 per day, which includes milk or juice. If a student brings lunch from home, milk or apple juice can be purchased for 25¢ per day.

PLEASE DO NOT SEND SODA TO SCHOOL.

We have a debit system for purchasing lunches. Students can deposit money in their account daily in the lunchroom BEFORE SCHOOL between 8:00 and 8:15 a.m. You can now add money to your child's lunch account online at EZSchoolPay.com. Students are given their I.D. number and need to memorize their number to expedite the lunch line. Teacher helpers will also be on hand to assist students.

Low and negative balances on students' meal accounts will be communicated to households by the school.

Please note: **APPLICATIONS FOR FREE AND REDUCED LUNCHES** are given to each student at the beginning of the school year, upon late enrollment, and upon request. Applications are available in the school office. All application information is kept confidential.

You may apply online at: <https://www.pvschools.net/families/lunch-menus>

MAKE-UP WORK

For a prolonged absence, parents/guardians must request work to be done at home. In order to provide time for teachers to prepare materials, requests should be made to the office early in the morning and picked up in the office after 2:45 p.m., unless arrangements have been made with the teacher for an alternate time.

MUSIC

Larkspur has a full time music program. Pupils in grades K-6 are scheduled automatically for their classes. Larkspur's chorus is the Larkspur Choir & Musical Theater program (LCMT). Students in grades 4-6 are eligible to join.

Students in grades 4-6 are eligible for an instrumental music program that includes band and strings. Information will come home with interested students at the beginning of the school year. Parents must complete necessary paperwork for their child to participate in the instrumental music program. All 4-6 grade students registered for the instrumental music program will not have the same number of music classes as other students not in the instrumental program.

PARENT PARTICIPATION

Parent involvement at Larkspur is an essential element of our students' success. Parents are encouraged to participate in their children's education in a variety of ways:

- Volunteer at school: in a classroom, the office or other special areas.
- Join and become active in our P.T.S.A. (Parent, Teacher, Student Association): This organization provides our students with in-school programs, extra-curricular activities, parent programs, and fund raising projects that benefit all students.
- Attend meetings of the Larkspur School Council (**in person or via Google Meet Link in Public Calendar**): This group meets to discuss current and future plans and programs in our school. Members are elected in May for two or three year terms. Dates are announced in the newsletter and meetings are held in the Principal's office.
- Participate on school committees that guide the school in areas of curriculum and programs.

PHYSICAL EDUCATION

Physical Education classes are provided for students in grades K-6. For safety reasons, all students must wear appropriate clothing and footwear, i.e., sneakers or other rubber soled shoes. Strapless sandals and thongs will not be permitted. Special uniforms are not required. There is no showering after physical education classes. Dresses should be avoided on P.E. day, or students should wear shorts underneath.

Listed below are the procedures for any student to be excused from physical education:

- For a temporary P.E. excuse of one to three days, a written excuse must be submitted to the nurse between 8:15 and 8:35 a.m. The note must specify the limitations of participation as well as the illness or injury. The nurse will complete the appropriate form on behalf of student to give to the physical education teacher.
- For long-term excuses of more than three (3) days, the parent is required to obtain a written statement from the student's physician describing the limitations, health problem and the length of time to be excused from active physical education participation.

PRINCIPAL'S LIST / HONOR ROLL

Student recognition is important to promote student self-esteem, enjoyment and a feeling of belonging to school. Classroom teachers recognize students throughout the year in a number of ways.

School-wide efforts for student recognition include the following:

- **Principal's List**: Students in grades 5 and 6 are eligible on a **quarterly** basis.
Criteria are:
 - Student earns A or A- in all areas
 - Student earns S or above in all areas, work habits and behavior (no minus marks).
- **Honor Roll**: Students in grades 5 and 6 are eligible on a **quarterly** basis.
Criteria are:
 - Student earns A, A-, B+, B, or B- in all areas
 - Student earns S or above in all areas, work habits and behavior (no minus marks).
- **Merit Awards**: Every student at Larkspur is eligible to receive this recognition based on exemplary behavior toward another child or adult. Incentives may be coupons, certificates, announced on morning announcements, etc.
- **Contests**: Throughout the year, Larkspur has writing and oratorical contests such as Spelling Bee, Poetry Contest, and/or Science Fair. All participants will receive recognition.
- **Personal Achievement**: This is an award that will recognize a student for personal achievement in the academic environment. This award is usually given to a student who has not been recognized on the Principal's List or Honor Roll.

It is our philosophy that all students who participate, and who try their best deserve recognition. We encourage parents to help us recognize your child's special qualities on a daily basis.

STAFF LOUNGE

The staff lounge is reserved for the exclusive use of employees and volunteers. Students are not to use the staff lounge.

STUDY SKILLS

The Larkspur staff uses a comprehensive Study Skills Program to encourage responsibility and organization in our students. This program has the following components:

- a. Use of a school-wide, homework calendar.

- b. Use of consistent assignment format in grade 3-6.
- c. Completion of all homework assignments.

TELEPHONE USE

Students may use the telephone ONLY for emergencies, and ONLY with a teacher or school staff person's permission. Students are not permitted to call home for forgotten homework, musical instruments, after school plans, etc. No verbal permission will be accepted for field trips. Cell phones, tablets and smart watches may not be used on campus. Parent phone calls will not be put through to classrooms for any reason during teaching periods. You may, however, be placed into a teacher's voicemail for the teacher to return the call.

TRAFFIC SAFETY

To ensure safety, review the following rules:

- a. Use the drop-off/pick-up lane in the lot coming off of Larkspur for all student drop-offs and pick-ups. Pull all the way up to the numbered fence openings. Staff will be available to assist in traffic flow and assist with all children being picked-up and dropped-off.
- b. Remind your children to use crosswalks to cross the streets, with no running in the crosswalks. Bikes must be walked across in the crosswalks.
- c. Do not park in front of the school or in the crosswalk area by the front office. They are not allowed to cross this front lot for any reason without adult supervision.
- d. Students are not allowed to be dismissed from the front office area without adult supervision.

VISITORS

Let us know in advance when you plan to visit the school. While visitors are always welcome, busy classrooms are sometimes engaged in activities that will provide observers little information. Therefore, we may suggest another day or time period. Contact your child's teacher for an appointment. All visitors must sign-in with the office and receive a visitor pass upon arrival on campus. All visitors (non-students) must report immediately to the office upon arrival to the campus. Non-compliance with this direction will constitute a criminal trespass violation. Staff members have been instructed not to engage in conversation with visitors without a badge, other than to instruct the visitor to report to the office for sign-in. This is for the safety of all children at Larkspur.

While visiting the campus, you are NOT to speak to students for any reason, notify a staff member for any concerns you may have. Classroom observations are granted only by the principal.

VOLUNTEERS

We love volunteers at Larkspur. In order to become a volunteer, there are certain guidelines we must abide by per district policy. Please come to the front office to receive the necessary paperwork to become a volunteer. Please keep in mind that this procedure may take anywhere from 7-14 days for completion.

Volunteers are allowed in the classrooms as soon as the district has given the school the clearance for you to volunteer. Volunteer packets for field trips will not be accepted on the day of the field trip.

A FINAL NOTE

Thank you for helping your child to understand this handbook. It is intended to be as comprehensive as possible. However, situations may arise which are not covered. Since this handbook is a guide to policies and procedure, the school administration reserves the right to adjust, modify, or delete as necessary. We sincerely hope you keep this booklet and refer to it to answer your questions.
