

Hello Pontiac School District Staff,

I am excited to announce the new work order software that we will be using this year, FMX (this system will replace SchoolDude). This software will allow you to easily enter work orders (including tracking all work orders), request furniture, event set up, etc. Our district-wide launch will take place on July 1, 2023. *Please do not use School Dude after July 1, 2023.*

For any questions regarding this transition, please contact me at 248-977-6058 (call or text) or email at tiffany.cavill@pontiacschools.org

We are connected to FMX through our Active Directory/Google SSO so your login info will be the same as your work email. Follow the instructions below to log in:

1) Open your internet browser (Chrome, Firefox, Internet Explorer, etc.) and navigate to pontiacschools.gofmx.com.

2) Click the **Log in with Google Login** button to log in to FMX. This will register you as a Staff member.

Refer to the links for education on how to properly submit requests:

Click to [here](#) learn how to submit a Maintenance Request (video).

Click [here](#) for step by step instructions on how to submit a Maintenance Request.

If you have additional questions, contact me at 248-977-6058 (call or text) or email at tiffany.cavill@pontiacschools.org or the FMX Customer Support Team at support@gofmx.com.

Thank you,
Tiffany Cavill
