

## COMING SOON!

### A New Lincoln Elementary

Even during these difficult times, construction has been able to move forward. The construction crews continue to work on the new elementary school while our buildings are closed to students.

## RECENTLY COMPLETED WORK

- Storm piping continued
- The building was started with concrete and masonry work
- New waterline to the building was installed
- Middle School South parking lot was fenced in and getting ready for demolition

## UPCOMING WORK

- Foundations will continue with concrete and masonry
- Underground electric and plumbing will begin
- Demo to the existing Middle School South parking lot will take place
- Work on the new parking lot will begin

## DID YOU KNOW?

Masonry can be easily recycled and is made primarily of natural ingredients.
