

## COMING SOON!

### A New Lincoln Elementary

Just look at all those big, wonderful windows!  
We are looking forward to so much natural light  
brightening our classrooms and learning spaces.

## RECENTLY COMPLETED WORK

- Interior framing continues
- Exterior brick ongoing around the building
- Window installation begun
- Interior stairs set and roof almost complete
- Fencing installed around the property and grass is growing around Middle School South

## UPCOMING WORK

- Interior drywall will start to be hung
- Brick will continue around the front of the building
- Trees will get planted in the new parking lot
- Remaining windows will be installed
- Air handling equipment will be set on the roof and mechanical and electrical work will continue inside the building above the ceiling

## DID YOU KNOW?

We will be planting over 100 new trees and evergreens on this project! Just a few of those will get planted in the next few weeks and the remainder in Spring 2021.
