UPCOMING WORK

- Flooring and painting will continue throughout the building
- Casework installation will begin in the classrooms
- Plumbing fixtures and toilet partitions will be installed in the restrooms
- Doors/hardware will be hung in the classrooms
- Gymnasium equipment will be installed
- Exterior sidewalks and curbs will continue with the start of spring

DID YOU KNOW?

LED lights can produce the same amount of light as a fluorescent light using much less energy. The LED bulb can burn for about 50,000+ hours. All the lights in the new school are LED lights.
