Fax: 817.568.3508

A great place to begin any research project, this online edition of the premiere encyclopedia provides three levels of learning (Elem/JH/HS). Articles, biographies, atlases, images and media, a pop-up dictionary, primary sources, country comparison, and a fun “Did You Know?” will spur students on to further research. Double click on any word, and a pop-up dictionary appears for help with definition and pronunciation.

Also known as United Streaming, DE is ideal for science fair ideas/projects, world languages, health resources, history, and language arts. Interactive and engaging, teachers can set up classrooms and use Builder Tools to create lesson plans and distribute materials to students.

Our school code is 498B-520E. You must use this code to set up any new account. DE is best used with your own account so that you can maintain your own folders.

Note: Any 0's in above passcode are zeroes.

Gale offers a fairly comprehensive subset of individual databases that can accurately be

The ultimate guide to everything Texas! A handbook, an almanac, and a Texas-sized shopping extravaganza, here you can find information about Texas’ 254 counties, Native Americans who once lived in the Lone Star State as well as information about African Americans and Tejanos who were all a part of this great state. This resource is invaluable for those students studying Texas history and geography.
