

PTO VOLUNTEERS MUST BE FINGERPRINTED!

Thank you for your interest in our PTO. Anyone wanting to volunteer at any of our PTO events must be fingerprinted through the Humboldt Unified School District.

To complete the Volunteer Application please visit the District website at www.humboldtunified.com and click on "About Us" for the volunteer opportunities page. You will then click on the "Online Volunteer Application" at the left of the page.

Fingerprinting can take up to 6 weeks to process so if you are considering volunteering in any of our schools it would help to get a jump start on this process.

Fingerprinting is conducted free of charge on Tuesdays and Fridays from 10:00 AM to 12:00 PM through the district office located at 6411 N Robert Rd., Prescott Valley. Summer hours may vary so please call ahead.

Thank you and we hope to see you at our PTO meetings. We welcome any and all volunteers to our events throughout the year. It's a great way to stay connected to your children and their school!

We have ***so many volunteer opportunities*** available to you, and your experience and skills are needed and welcomed. If you have any questions about fingerprinting please contact the specific school's administration or the District Volunteer Coordinator at 928-759-4000 or shelly.bentz@humboldtunified.com
