

Healthy Classroom Snack List

The MSD of Wabash County Healthy Classroom Snack List was developed to help parents and school staff select healthy and nut-free snack options when bringing in snacks for the entire class for events such as birthdays, holidays, rewards, etc. We take great care in making sure all students feel welcomed and safe within the classroom. Certain foods may trigger life threatening allergic reactions.

In order to qualify for a healthy snack, the snack should...

- Contain 200 calories or less per serving
- Include less than 2 grams of saturated fat
- Contain zero (0) grams of trans fat
- Contain less than 200 mg of sodium per serving
- Include zero (0) grams of added sugars
- Have a whole grain, fruit, or vegetable listed first in the ingredient list.

- Whole grain bagels or english muffins with cream cheese
- Fat-free or low-fat pudding
- Whole grain cereal bars
- Baked whole grain tortilla chips and salsa

- Baked chips (small portions)

Ideas for Non-Food Celebrations & Rewards

We know that birthdays and other celebrations are important to every child, and that kids like to celebrate with their classmates. Below are some suggestions for no-food celebrations and rewards. Check with your child's teacher first to make sure the birthday plans fit into their schedule.

- Bring party favors in for each classmate (bouncy balls, erasers, stickers, decorative pencils, bracelets, notepads, whistles, bubbles, washable tattoos, chalk, etc.)
- Buy something for the classroom (books, board games, music, art supplies, plants or flowers.
- Connect with your child's teacher to learn about other non-food celebrations or rewards that promote wellness. Some ideas might include extra physical activity time and free choice time.

Kids ages 2-18 should have less than 25 grams or six teaspoons of added sugars daily for a healthy heart.

Healthy kids are sweet enough!!
