

**ADDENDUM NO. 1**  
**QUESTIONS AND ANSWERS**

CONTRACT #2124 – 8/1/23 – Furnishing Transportation and Disposal Services of Liquid Sewage  
Sludge Generated from the Town of Vernon Water Pollution Control Facility

	<b>QUESTIONS</b>	<b>ANSWERS</b>
1.	How many trucks per day or is there a typical weekly schedule you can provide?	Monday – Thursday 5 loads, Friday 3 loads, Saturday & Sunday 2 loads.
2.	How long does it take to load?	25 Minutes
3.	Is there typically a need to haul on weekends or holidays? Or is this for emergent situations?	Weekends yes, Holidays no.
4.	Please confirm annual gallons. There is a large difference between 2023 and previous years.	Refer to schedule for bid purposes.
5.	Please provide analytical information on the scum.	No analytical available, scum is primary grease.
6.	We have uncertainty that our disposal location will accept the scum comingled with the liquid sludge. Will you consider a separate line item for the scum disposal.	Yes, a separate line item will be considered.
