*Thanks for all your help in preparing your child for a great year!*

\*\*We recommend the Case-It D-Ring binder because of its durability. One of our students was able to keep his same Case-It binder throughout his 3<sup>rd</sup>, 4<sup>th</sup>, and 5<sup>th</sup> grade year!

The D-Ring (as opposed to a round ring) allows the students' planners to lie flat so students can write in their planner without taking the planner out of the notebook. The Case-It also has an organizing file system that helps students stay organized, and it contains a small pencil pouch. The student who used this binder usually chose not to bring a backpack to school because they could carry all of their supplies in the binder. Please
