2023-2024 School Accountability Report Card

(Published During the 2024-2025 School Year)

General Information about the School Accountability Report Card (SARC)

SARC Overview

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or the LCAP, see the CDE LCFF web page at <https://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

A hard copy of the School Accountability Report Card is available at your School Office, upon request.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

California School Dashboard

The California School Dashboard (Dashboard) <https://www.caschooldashboard.org/> reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

Admission Requirements for the University of California (UC)	Admission requirements for the UC follow guidelines set forth in the Master Plan, which requires that the top one-eighth of the state's high school graduates, as well as those transfer students who have successfully completed specified college course work, be eligible for admission to the UC. These requirements are designed to ensure that all eligible students are adequately prepared for University-level work. For general admissions requirements, please visit the UC Admissions Information website at https://admission.universityofcalifornia.edu/ .
Admission Requirements for the California State University (CSU)	Eligibility for admission to the CSU is determined by three factors: (1) Specific high school courses, (2) Grades in specified courses and test scores, and (3) Graduation from high school. Some campuses have higher standards for particular majors or students who live outside the local campus area. Because of the number of students who apply, a few campuses have higher standards (supplementary admission criteria) for all applicants. Most CSU campuses have local admission guarantee policies for students who graduate or transfer from high schools and colleges that are historically served by a CSU campus in that region. For admission, application, and fee information, see the CSU website at https://www2.calstate.edu/ .

direction for our English Language Learner students. Students are rewarded for academic achievement, character, excellent attendance, and for citizenship. Focusing on the positive behaviors, through the newly implemented Dragon Scales, helps to improve the school culture at Del Sur School. Through the implementation of counselor-led classroom lessons, our program provides all of our students with social skills instruction as well as tailored lessons, as needed. Del Sur School continues to ensure that student learning is a priority through student engagement through inquiry-based instructional strategies that emphasize the Universal Design for Learning framework, the use of learning objectives and goals, data analysis, and professional development. Del Sur also offers after-school tutoring for 7th-8th grade students, extended reading program for our K-6th grade students, enrichment programs such as gardening and field trips, and a 10-week literacy program for English Language Learner educational partners. The majority of classrooms on campus our campus utilize Google Classroom and technology is widely used by all grade levels through the incorporation of 1:1 Chromebooks and the ViewSonic Boards in each classroom. All classrooms have Chromebook towers and/or Chromebook carts. We have a school garden, that students, staff, and the greater community have worked diligently to create together. At this time, Del Sur is working to grow in the opportunities to provide a variety of clubs and/or after school extra-curricular programs. We offer an Student Government (ASB) elective for 7th and 8th grader students. Students in 6th, 7th, and 8th grade are encouraged to join our sports teams including Cross Country, Basketball, Volleyball, Soccer, and Track & Field. In addition, our school site offers our middle school students the a variety of electives including: math support, literacy support, AVID, Science of Forensics, Science of Robotics, Student Government, Wood Shop, Band, Art, and Advanced Art. Teachers meet in professional learning communities (PLC/Data Teams) regularly where teachers create common formative and summative assessments, analyze assessments and develop strategies to best meet the needs of all students through the Response to Intervention Program being implemented for the 2024-2025 academic year. Del Sur Staff has attended Capturing Kids Hearts training to continue to build relationships with all education partners.

Mission Statement

Del Sur School is a dynamic learning community committed to preparing students socially and academically to be college and career-ready. "Pointing the Way & Providing the Path."

A. Conditions of Learning

State Priority: Basic

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair.

2024-25 Quality, Currency, Availability of Textbooks and Other Instructional Materials

Westside Union School District provides all students with textbooks and other instructional materials to support the district's adopted curricular programs. Funding is provided by the state for the acquisition of textbooks and instructional materials that are aligned with State Board adopted content standards in Reading/Language Arts/English Language Development, Mathematics, History/Social Science, and Science. The following are the instructional programs currently adopted by our district:

School Facility Conditions and Planned Improvements

The school includes 27 permanent classrooms, 12 portable classrooms, 1 shower/changing facility, gymnasium, cafeteria, library, music room, playground equipment, athletic field, picnic tables, grass play areas, and a separate kindergarten grade play area with equipment. Our state-of-the-art gymnasium facility opened in August 2001. Our playground is painted with a variety of colorful activities and games for students to participate in as part of our "Peaceful Playgrounds" program. A mural greets visitors as they enter the school office. Safety inspections and safety meetings are conducted monthly, as is training of staff on issues related to safety. Del Sur provides students with a safe, clean, and pleasant environment in which to grow and mature. Our True Leaders program has helped lead our campus effort to connect students to the school through anti-bullying and teen summit events.

Eight-five concentrated photovoltaic solar panels were installed to supply electric power to the school.

B. Pupil Outcomes	State Priority: Pupil Achievement
	<p>The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):</p> <p>Statewide Assessments (i.e., California Assessment of Student Performance and Progress [CAASPP] System includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities).</p> <p>The CAASPP System encompasses the following assessments and student participation requirements:</p> <ol style="list-style-type: none"> Smarter Balanced Summative Assessments and CAAs for ELA in grades three through eight and grade eleven. Smarter Balanced Summative Assessments and CAAs for mathematics in grades three through eight and grade eleven. California Science Test (CAST) and CAAs for Science in grades five, eight, and once in high school (i.e., grade ten, eleven, or twelve). <p>College and Career Ready The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.</p>

2023-24 CAASPP Test Results in ELA by Student Group

This table displays CAASPP test results in ELA by student group for students grades three through eight and grade eleven taking and completing a state-administered assessment.

ELA test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAA divided by the total number of students who participated in both assessments.

To protect student privacy, double dashes (--) are used in the table when the cell size within a selected student population is ten or fewer.

Note: The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

B. Pupil Outcomes

State Priority: Other Pupil Outcomes

The SARC provides the following information relevant to the State priority: Other Pupil Outcomes (Priority 8): Pupil outcomes in the subject area of physical education.

2023-24 California Physical Fitness Test Results					
This table displays the percentage of students participating in each of the five fitness components of the California Physical Fitness Test Results. The administration of the PFT requires only participation results for these five fitness areas. Percentages are not calculated and double dashes (--) appear in the table when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3): Efforts the school district makes to seek parent input in making decisions regarding the school district and at each school site.

2024-25 Opportunities for Parental Involvement
<p>Del Sur Senior Elementary School offers multiple opportunities for parental involvement within our school site as well as throughout the Westside Union School District. At the district level, parents are encouraged to participate in the Superintendent's Advisory Committee and District English Language Advisory Committee. At Del Sur, educational partners are encouraged to serve on the School Site Council, the Safety Committee, and the English Learner Advisory Committee. Del Sur's PTSA maintains a strong and positive presence on our campus by providing a variety of educational supports and services to our students and staff members. In addition, many of our educational partners volunteer on a regular basis in their children's classrooms as well as in other classrooms. Volunteers are a vital part of the culture at Del Sur as they provide assistance at sporting events, dances, and field trips. Furthermore, Del Sur's Educational Partners are invited and encouraged to attend Parent University nights with themes ranging from specific curriculum nights, AVID, cyber-bullying awareness, controlled substance use/abuse, and how to help your student succeed in school. During this school year, Del Sur will also be offering parent support meetings for suicide prevention, additional information on controlled substance use, foster parents, and a Book Reading Club for English Language Learner Families.</p> <p>The aforementioned opportunities for Del Sur's Educational Partners provides a platform for our community to lead and support school-wide events, hear from staff members, partner organizations, and outside agencies about a variety of topics to support the academic, social, emotional, and physical well-being of our students as well as provide opportunities to get involved. As always, Del Sur welcomes all educational partners to be involved in every facet of school planning and program implementation in order to enhance the academic and social success of all our students.</p>

2024-25 School Safety Plan

In compliance with Senate Bill 187 and Education Code 35294.6 each Westside School has developed a comprehensive safety plan. These plans are updated annually and approved by the school board by March 1 each year. The elements of this plan

2024-25 School Safety Plan

include disaster preparedness and procedures. Routine emergency preparedness drills are conducted monthly to ensure the safety and well being of students and staff in the event that there is a need for such an evacuation.

Fiscal Year 2023-24 Types of Services Funded

A range of academic and social emotional support services exist for Westside students, many of which are unique to individual school sites and are tailored to meet the needs of the members of each school community. These supports are provided by counselors, school psychologists, school nurses, physical education teachers, a community liaison, attendance liaisons, and/or behavior specialists.

Student Study and Child Study Teams assist students experiencing academic and/or social emotional challenges, those with special needs, and with assessing eligibility for placement in special classes and/or recommending specialized services. Special services and classes are offered for students with learning disabilities as well as other students with exceptional needs.

A team of 15 counselors provides a range of services for students. Programs are developed and provided based on student data, such as referrals for threatening or self-harm, grades, and attendance. The counseling program is grounded in the American School Counselor Association (ASCA) framework with five schools certified as Recognized ASCA Model Programs. All students receive Tier 1 lessons that focus on social/emotional development, attendance, and college and career readiness. Examples of counseling Tier 2 support may include instruction for smaller student groups addressing strong-willed behaviors or coping skills for students exhibiting challenges due to trauma or anxiety. Counselors are also involved in community outreach and service clubs, such as Student Ambassadors or Kindness Clubs. School counselors are assisted by a cadre of Campus Climate Assistants incorporating social-emotional support and structure for students during recess and/or lunch. Supplemental services may also include referrals to School-Based Mental Health Services.

Several programs, designed to build students' emotional intelligence and capacity and to promote positive and proactive social decision making, reduce bullying, and build an inclusive culture continue to be implemented districtwide. These programs include BoysTown, Leadership Development through Physical Education, Playworks, and Capturing Kids Hearts.

The NWEA Map Growth assessment system has been actively used across the district since the spring of 2018. NWEA Map Growth is a computer adaptive, standards-based diagnostic assessment designed to measure student achievement in the moment and growth over time. Teachers use this data to design instructional experiences to accelerate areas of academic strength for children. NWEA data informs district, site, and grade level Professional Learning Communities with yearlong planning, classroom instruction, and all tiered systems of support and intervention.

Each school site has at least one bilingual assistant to support continual communication with parents of English learners as well as provide supplemental classroom instruction. The bilingual assistants encourage parent participation in advisory groups and also continue to run parent outreach programs to support literacy, such as the Latino Literacy Project.

A team of attendance liaisons and a community liaison address attendance barriers for students with chronic absences. Supplemental school supplies for home use, Chromebooks, backpacks, and hygiene kits are provided as needed to foster youth or students experiencing homelessness and financial hardship.

Professional Development

Westside continues to annually sponsor supplemental professional development for certificated staff during Westside Institute offerings. Summer Institute of 2023 focused on publisher provided training to support the new adoption of math instructional materials, Illustrative Math by Imagine Learning. This was followed up with an intensive wide district training in Fall 2023 hosted by the district, facilitated by site administrators, and centered around "big ideas" and instructional shifts within the recently revised CA Math Framework adopted by the State Board of Education. The 2024 Westside Summer Institute will join forces with New Teacher Support to provide ten intensive days of training for new teachers with topics ranging from classroom management, parent engagement, curriculum, lesson planning and design, ELD, standards based instruction and assessment. Three of these days will focus on Thinking Maps and writing pathways in Narrative, Informational, and Response to Text genres which will be open for all teachers to participate. The 2024 Westside Fall Institute will be presented in partnership with CAST and will focus on Universal Design for Learning

Professional development addressing reading achievement continues to be a central focus for the 23-24 school year. Each summer, the district contracts with the Consortium on Reading Excellence in Education (CORE) to provide an Online Language & Literacy Academy (previously known as OERA: Online Elementary Reading Academy) to 50 participants. The Online Language & Literacy Academy program consists of nine modules taken over 12 weeks with a portfolio submitted as a culminating activity. To date, over 200 teachers and administrators have participated in the summer reading academies over the course of the past four years.

This series provides certificated staff with best practices and evidence-based strategies to use during first instruction as well as targeted intervention.

Throughout the school year, Westside Union School District New Teacher Support (NTS) team offers programs to clear both the administrative and teaching credentials for new hires. The robust program for teachers consists of weekly meetings with a full-time release mentor. Each new teacher is provided with at least one hour of support per week. This includes support in the classroom, lesson planning, and working towards the achievement of an individualized goal based on the California Standards for the Teaching Profession (CSTP) that pre-assessments showed as an area of growth for the candidate. Each candidate works in collaboration with their mentor to set and work towards achieving this goal throughout the year. In addition, the NTS program offers candidates support in the form of professional development. Regularly occurring sessions include training on addressing the unique needs of student groups such as English Learners, using data to drive instruction, standards-based grading, the Individualized Educational Program (IEP) process, and classroom management.

The District's administrative program pairs new administrators with highly qualified coaches. These pairs meet for a total of at least 40 hours a year to work towards mastery of three self-developed goals based on the California Professional Standards for Educational Leaders (CPSEL). Additionally, candidates work with their coaches to complete at least 20 hours of professional development designed to further develop high standards of practice.

Professional Development

Annually, professional development on suicide prevention to both certificated and classified staff members is conducted. Professional development is also provided to certificated staff on topics such as human trafficking, the impact of trauma, and the tiered supports embedded in the comprehensive counseling program.

Advancement Via Individual Determination (AVID) professional development is also provided annually across the District. Professional development is tailored to the specific needs of the students on campus, and focuses on intentional strategies to support Writing, Inquiry, Collaboration, Organization, and Reading (WICOR). Strategies embedded during instruction support increased access to the core content and student engagement. Professional development is conducted at school sites and at AVID Summer Institute.

English Language Development (ELD) is a component of the Structured English Immersion program provided for English Learners. All certificated staff receive training on English Language Development, both integrated and designated. Professional development for certificated staff also includes work in the English Language Development standards, strategies to support English Learners, progress monitoring of English Learners, and targeted support for English Learners in all content areas.

Leadership development Through Physical Education (LDTPPE) is a supplemental curriculum to enhance current elementary physical education programming by teaching, developing, and practicing key Social Emotional Learning (SEL) skills. All PE teachers have participated in two full days of training, which include curriculum concepts, language, and skills and activities with a particular focus on building a positive and cohesive community of learners. This training focused on the implementation of techniques that build positive adult to student and student to student relationships resulting in atmospheres where all students can heal from elevated emotional stressors and embrace SEL skills to engage in learning. Additionally, all PE teachers are offered two personalized coaching sessions to better support the integrations of SEL into daily instruction. Additional layered work tailored to the needs of the school sites may also include work in social-emotional learning programs such as Leadership Development Through Physical Education, Boys Town, Where Everyone Belongs, and Capturing Kids Hearts.

This table displays the number of school days dedicated to staff development and continuous improvement.
