

Confidentiality Agreement for Hiring Committee Members

To protect the privacy of candidates and to preserve the integrity of the recruiting process, all search committee members are required to maintain confidentiality throughout and after the conclusion of the recruitment process. Confidential information includes matters discovered or discussed during the recruiting process. All information relating to the search may only be discussed with other search committee members.

The members of the Hiring Committee agree to uphold the Confidentiality for Candidate Searches, and will maintain all information and documents related to this search with complete confidentiality.
