Mission Statement/Message from Principal

Welcome to the 2023-2024 school year! I am excited to meet all our new and existing staff and to work alongside such a committed group of professionals. I know that there is much I can learn from their many years of experience here at Back Bay High School. I am equally as excited to get to know and build relationships with our students and parents.

Being an alternative site, we get to know our students at a deeper level than most schools. We have two major objectives as BB/MV: 1) make sure that all students are on track and graduate; 2) all students leave us with a plan for future success, whether that is going to a four-year university, a community college, a trade school, the military, or the world of work. Whatever a student's passion is, we want to help them get the training they will need to be successful in their chosen endeavor.

A staff focus this year will be working together to create the school that our students and staff want. This will be a school that is not only safe and nurturing but also one that holds students to higher standards of academics and behavior. We want to give our students the tools they will need to succeed beyond the walls of BB/MV.

In addition, we want to create opportunities for students to let us know what it is they want out of our school and help to build a school community that encourages and motivates students to prepare for their future. We want to offer more classes and opportunities for student engagement to excite students about coming to Back Bay every day.

We believe that every student has the capacity to dream and strive to be their best. Our job to help them get there.

All the best!

Dr. B

Attendance/Absences

Reporting and Clearing Absences

Parents/guardians should call the Attendance Line (949) 515-3385 to report any absence. Students may also submit a note from home to the Attendance Clerk explaining the reason for absence. The note can only be signed by a parent or guardian and must contain the student's name, the reason for the absence, and the date of the absence.

**ALL ABSENCES MUST BE CLEARED WITHIN 72 HOURS.
UNCLEARED ABSENCES WILL BECOME A "CUT" (TRUANCY) IF NOT CLEARED.**

Whenever a student is absent from school or class, the actual reason for the absence shall be determined by a qualified school employee. All absences must be verified to the office no later than three (3) school days after the absence. If the absence is not verified, it will automatically be converted to a truancy ("cut"). A medical release for school re-entry may be required following an illness, chronic medical condition, surgery, possible contagious infection, or referral by the health office. Please also inform the classroom teacher and health office of any limitations or restrictions following an illness, surgery, broken bone, or other medical condition. Additionally, it is requested that any planned absences be communicated to the office and teacher in advance, when possible.

Copies of [Board Policy 5113](#), [Administrative Regulation 5113](#), and [Administrative Regulation 5113.1](#) are available at www.nmusd.us.

A Note to Students Regarding Attendance

Your parents/guardians work together with staff members to develop the best possible circumstances for your success. Your attendance demonstrates whether you are serious about earning a high school diploma to prepare for your future after high school. You cannot demonstrate productivity unless you are here, on time, every day.

This is a fact of life whether you are in school or on a job. Absent/tardy employees lose jobs. Absent students cannot make up deficient credits, obtain and retain a work permit, earn credits through community experience or continue to earn graduation requirements. We encourage you, and will hold you accountable, to uphold your responsibilities.

Tardiness

Unless you are seated in the classroom when the final bell rings, you are tardy. You must be on time to earn full credit. Teachers will note when you are late and may call home to discuss continuing tardiness. Habitual tardiness will be referred to Administration.

Unexcused Absences / Vacations

The Newport-Mesa Unified School District is committed to providing each student a world-class education. This commitment can only be realized if all stakeholders, parents, students, and the school participate fully in the educational process. Student holidays are listed below for your reference.

- September 4, 2023 Labor Day
- November 1, 2023 Staff Development Day
- November 10, 2023 Veterans' Day
- November 22 - 24, 2023 Thanksgiving Recess
- December 22, 2023 Preparation Day (7-12)
- December 25, 2023 - January 5, 2024 Winter Recess
(School resumes Monday, January 8, 2024)
- January 15, 2024 Martin Luther King, Jr. Day
- February 19 - 23, 2024 President's Recess
- April 8 - 12, 2024 Spring Recess
- May 27, 2024 Memorial Day

We encourage families to plan their vacations on the dates listed above. A vacation absence is considered to be an unexcused absence. If you choose to take vacation on days other than school holidays and are absent for five consecutive days (unexcused absence), your child may not be guaranteed the same classroom assignment and/or school. This administrative practice would only be implemented if the classroom seat is needed for a new student. Each individual school site will determine the academic responsibility of students absent due to vacation and will assign student work as appropriate, but the school cannot be responsible for providing a full, independent study course during the absence.

Excused Absences (EC §§48205, 48980)

The California State Education Code Section 48205 outlines when a child shall be excused from school. This Section of the Education Code includes illness, medical or dental services, attendance at a funeral service, the illness or medical appointment of a parent, and for justifiable personal reasons approved by the principal. Your child will be allowed to complete all assignments and tests missed during such an excused absence. Students would not be in jeopardy of losing their seat at a school due to an excused absence.

Absences For Religious Purposes (EC §§46014, 48980)

With your written consent, your child may be excused from school in order to participate in religious exercises or to receive moral and religious instruction at your child's place of worship or at other suitable place or places away from school property designated by the religious group. Your child may not be excused from school for this purpose on more than four days per school month.

Grade Reduction/Loss of Academic Credit (EC §§48205, 48980)

Your child may not have his/her grade reduced or lose academic credit for any absence or absences excused under Education Code section 48205, when missed assignments and tests that can reasonably be provided are satisfactorily completed within a reasonable period of time.

Excuse To Obtain Confidential Medical Services (EC §46010.1)

Pupils in grades 7 to 12 may be excused from school for the purpose of obtaining confidential medical services, without the consent of the pupil's parent/guardian.

Pregnant And Parenting Pupils (EC §§ 222.5, 46015, 48205, 48980)

A pregnant or parenting pupil is entitled to eight weeks of parental leave from school, as specified, but is not required to take all or part of the leave. Absences taken for parental leave shall be excused absences until the pupil is able to return to school. A pupil will not be penalized academically for leave taken and is entitled to opportunities to make up work missed during his/her leave, including makeup work plans and reenrollment in courses.

Education Code §48205

(a) Notwithstanding Section 48200, a pupil shall be excused from school when the absence is:

- (1) Due to the pupil's illness, including an absence for the benefit of the pupil's mental or behavioral health.
- (2) Due to quarantine under the direction of a county or city health officer.
- (3) For the purpose of having medical, dental, optometrical, or chiropractic services rendered.
- (4) For the purpose of attending the funeral services of a member of the pupil's immediate family, so long as the absence is not more than one day if the service is conducted in California and not more than three days if the service is conducted outside California.
- (5) For the purpose of jury duty in the manner provided for by law.
- (6) Due to illness or medical appointment during school hours of a child of whom the pupil is the custodial parent, including absences to care for a sick child, for which the school shall not require a note from a doctor.
- (7) For justifiable personal reasons, including, but not limited to, an appearance in court, attendance at a funeral service, observance of a holiday or ceremony of the pupil's religion, attendance at a religious retreat, attendance at an employment conference, or attendance at an educational conference on the legislative or judicial process offered by a nonprofit organization, when the pupil's absence is requested in writing by the parent or guardian and approved by the principal or a designated representative pursuant to uniform standards established by the governing board of the school district.
- (8) For the purpose of serving as a member of a precinct board for an election pursuant to Section 12302 of the Elections Code.
- (9) For the purpose of spending time with a member of the pupil's immediate family who is an active duty member of the uniformed services, as defined in Section 49701, and has been called to duty for, is on leave from, or has immediately returned from, deployment to a combat zone or combat support position. Absences granted pursuant to this paragraph shall be granted for a period of time to be determined at the discretion of the superintendent of the school district.
- (10) For the purpose of attending the pupil's naturalization ceremony to become a United States citizen.
- (11) For the purpose of participating in a cultural ceremony or event.
- (12) (A) For the purpose of a middle school or high school pupil engaging in a civic or political event, as provided in subparagraph (B), provided that the pupil notifies the school ahead of the absence.
(B) (i) A middle school or high school pupil who is absent pursuant to subparagraph (A) is required to be excused for only one school day-long absence per school year.
(ii) A middle school or high school pupil who is absent pursuant to subparagraph (A) may be permitted additional excused absences in the discretion of a school administrator, as described in subdivision (c) of Section 48260.
- (13) Authorized at the discretion of a school administrator, as described in subdivision (c) of Section 48260.

(b) A pupil absent from school under this section shall be allowed to complete all assignments and tests missed during the absence that can be reasonably provided and, upon satisfactory completion within a reasonable period of time, shall be given full credit therefor. The teacher of the class from which a

pupil is absent shall determine which tests and assignments shall be reasonably equivalent to, but not necessarily identical to, the tests and assignments that the pupil missed during the absence.

- (c) For purposes of this section, attendance at religious retreats shall not exceed four hours per semester.
- (d) Absences pursuant to this section are deemed to be absences in computing average daily attendance and shall not generate state apportionment payments.
- (e) For purposes of this section, the following definitions apply:
 - (1) A “civic or political event” includes, but is not limited to, voting, poll working, strikes, public commenting, candidate speeches, political or civic forums, and town halls.
 - (2) “Cultural” means relating to the habits, practices, beliefs, and traditions of a certain group of people.
 - (3) “Immediate family” means the parent or guardian, brother or sister, grandparent, or any other relative living in the household of the pupil.

Amended by Stats. 2022, c. 921 (S.B.955), § 1, eff. Jan. 1, 2023.)

Bicycles (including eBikes), Scooters, And Skateboards

Students may use bicycles (including eBikes*), scooters or skateboards to come to or leave school, under the following conditions:

1. Walk your eBike, scooter, skateboard, and bike at all times on campus.
2. With your own lock, secure your eBike, scooter, skateboard, and bike locked in the designated lock up area.
3. Do not leave your eBike, scooter, skateboard, or bike in the designated lock up area overnight.
4. Secured helmets are mandatory when riding your eBike, scooter, skateboard, and bike.
5. The school is not responsible for any damage, theft, or personal injury.
6. Must not be parked in a manner that blocks any ingress or egress areas of the campus.
7. Must be parked in designated area(s).
8. Any of these items left in undesignated areas may be moved and/or subject to confiscation and parent pick-up.
9. School is not responsible for property damage resulting in the necessity to move items that are posing a safety concern and/or not parked in designated areas.

Use of hoverboards, Class 3 eBikes (Per CA AB1096), and any other motorized vehicle are prohibited on campus by students.

eBikes

For the safety of all, anyone using an eBike, must only park in designated areas. When arriving at, or on any part of the school campus, all traffic signs, site procedures, and protocols for community safety should be followed. All are expected to abide by all traffic rules and follow the directions of school personnel, as safety is our top priority.

Reckless driving, failure to follow the direction of school personnel, or other serious driving violations will be decided by the school’s administrator and may result in consequences. In some circumstances, law enforcement may be called and may elect to issue additional consequences.

Skateboards

Skateboarding is not allowed on the school campus at any time. Motorized skateboards are not allowed on campus at any time. Skateboarding is a reasonable form of transportation for many students; however, the school may have no facilities to store skateboards. Furthermore, skateboarding on campus represents a dangerous risk of injury and damage to property. The school is not responsible for any damage or loss of skateboards, or personal injury from skateboarding.

Cell Phones

NMUSD recognizes that the use of smartphones and other mobile communication devices on campus may be beneficial to student learning and well-being but could be disruptive of the instructional program in some circumstances. The district permits limited use of mobile communication devices on campus in accordance with law and Board Policy 5131.8.

A copy of [Board Policy 5131.8](#) is available at www.nmusd.us.

Lost and Found

Students often misplace items while at school. We make every effort to return items with identification to students as soon as possible. By marking the student's name on backpacks, clothing, notebooks, calculators, etc., they have a much better chance of finding an article that has been lost. Students should turn in found items and look for lost items in the front office.

**BACK BAY HIGH SCHOOL IS NOT RESPONSIBLE
FOR LOST, MISPLACED, OR STOLEN ITEMS**

Discipline

In the Newport-Mesa USD, we closely follow the California Education Code for discipline. We believe in progressive discipline, with high levels of accountability and support, when appropriate. This can include a variety of interventions, including other means of correction and alternatives to suspension. When necessary and at the discretion of the site administrator, suspensions will also be used when a student's behavior and choices result in the need for such action. In the most significant and serious of incidents, a student may also be recommended for expulsion to the Office of Student Services.

To learn more about the specific disciplinary practices at your school, please contact a site administrator.

Copies of BP [5144](#), [5131](#), [5144.1](#) and AR [5144](#), [5144.1](#), [5144.2](#) are available at www.nmusd.us.

Dress Code

Appropriate dress and grooming contribute to a productive learning environment. Newport-Mesa expects students to give proper attention to personal cleanliness and to wear clothes that are suitable for the school activities in which they participate. Students' clothing must not present a health or safety hazard or a distraction which would interfere with the educational process.

STUDENTS, IF YOU NEED SOMETHING DIFFERENT TO WEAR DUE TO A DRESS CODE VIOLATION, SOMETHING YOU'RE WEARING WAS DAMAGED, OR YOU'RE SIMPLY COLD AND NEED A HOODIE, PLEASE SEE ONE OF THE STAFF IN ROOM A4, WHERE THE PRINCIPAL'S OFFICE IS LOCATED. WE HAVE FREE CLOTHES TO GIVE YOU!

Copies of [Board Policy 5132](#) and [Administrative Regulation 5132](#) are available at www.nmusd.us.

Emergency Procedures

We have implemented the “I Love U Guys” Standard Response Protocol (SRP), which is a uniform, planned and practiced response to an incident. It defines the five actions to take in an emergency: Hold, Secure, Lockdown, Evacuate, and Shelter. Staff and student trainings are conducted annually at the start of the school year to familiarize ourselves with the emergency actions, and fire, lockdown, secure, earthquake, and disaster drills are conducted throughout the year. In collaboration with local law enforcement and school resource officers (SROs), safety drills utilize the common language defined in the SRP. Please familiarize yourself with the five SRP actions so that in the event of an emergency, you have a clear understanding of the action being taken to support immediate safety efforts. Corresponding signage with descriptions of the five actions are displayed throughout our schools.

In the event of an earthquake or disaster, we have established the following procedures for the safety of all school occupants:

- Absolutely no parking in the parking lot to allow emergency vehicles access.
- Do not enter the school building. Rescue teams are equipped for this purpose.
- Report to the Reunification Center in front of the school office to pick-up your child.
- Reinforce the necessity of your child remaining at school until an adult listed as an emergency contact in Aeries arrives to pick them up.

Message from the Nurse

The Health Office

The school nurse is the health expert at school and uses professional skills to promote the well-being and success of students. The health assistant also provides support to students under the direction of the school nurse. Please contact the school for more information or if your student has a health concern and you would like to consult with the school nurse. Check <http://web.nmusd.us/healthservices> for more information.

Immunizations

The district follows State immunization laws which indicate specific immunizations that are required prior to school entry and for school participation through verification of a valid vaccine record. Personal or religious beliefs exemptions are no longer accepted in place of required vaccines. Personal/religious beliefs exemptions already on file for a continuing student enrolled in the district will remain valid until the student reaches an immunization checkpoint or grade span. Grade spans are: birth to preschool, kindergarten (including transitional kindergarten), grades 1-6, and grades 7-12.

Please let your school nurse know when your child's immunizations are updated and if you have questions.

Medical Exemptions for Immunization Requirements

Under current California law, a doctor may issue a medical exemption for students whose medical circumstances are such that immunization is not considered safe under the standard of medical care. Medical exemptions can only be issued through the California Immunization Registry - Medical Exemption

(CAIR-ME) website <https://cair.cdph.ca.gov/exemptions> by physicians licensed in California. An existing medical exemption on file at school will remain valid until the earliest of:

- When the student enrolls in the next grade span (Pre-K, TK/K-6th grade, 7th-12th grade)
- Revocation of the exemption by the appropriate authority

Physical Exams and Oral Health Assessment

Physical exams and oral health assessments are required at specified grade levels. Please refer to student enrollment information located on the website <http://web.nmusd.us/healthservices> or school for information about school health requirements.

Medication and Medical Procedures

Medication and medical procedures at school require written authorization from the parent and the prescribing physician. Forms are available from the school or Health Services website <http://web.nmusd.us/healthservices>. Medication must be in a pharmacy labeled container for the medication to be given at school. Over-the-counter medication and products also require written physician orders. Please provide the school with extra medication for disaster preparation.

Illness Prevention and Health Checks Prior to School

School nurses work collaboratively with the Orange County Health Care Agency regarding communicable disease concerns at school. For the health and safety of students, and to minimize the potential spread of illness to students and staff, parents are asked to conduct a health check at home prior to sending students to school. If your student is ill, please keep your student home, contact your doctor, and notify the school and school nurse. We ask you to keep your student home if the following symptoms are present:

- Fever of a 100.4°F degrees or higher
- New cough, shortness of breath, or difficulty breathing
- Abdominal pain, nausea, vomiting, diarrhea
- Unusual rash, rash, and fever
- Body Aches
- Sore throat
- New loss of taste or smell
- Unusual fatigue or irritability

This list is not a comprehensive list of symptoms. Always consult your healthcare provider for health concerns. Students must be fever-free, without medication, for 24 hours before returning to school and symptoms should be resolving.

Current Health and Contact Information

Up-to-date health information, phone and cell numbers are essential in case your student becomes ill or injured at school or if there is a disaster. We strive to maintain confidentiality of all health records. Health information may be shared with appropriate staff as necessary.

911 Calls

A School Emergency 911 call may incur paramedic and ambulance fees to the family. Accident or health insurance may mitigate these costs.

Health Screenings

Health screenings are provided according to State requirements and when students are referred to the nurse. Vision and hearing screening are done at State required grade levels and when concerns are noted. Dental, nutrition, height and weight screening may also be done as the school nurse deems appropriate. The parent/guardian will be notified if areas of concern are found. Parents/guardians are invited to notify the

nurse if they have concerns and may “opt” out of health screenings by sending a written note to the school nurse.

Medi-Cal Program for Local Education Agencies

The school district participates in the California Medi-Cal Program for Local Education Agencies. This allows reimbursement to the district with federal Medi-Caid funds for select medically necessary services provided to eligible students at school. These services may include speech and language therapy, occupational/physical therapy, transportation, mental health, and specialized physical health care services. In accordance with the local educational agency rules and guidelines, eligible student health data may be forwarded to the school district's billing agency, in accordance with confidentiality laws and Health Insurance Portability and Accountability Act (HIPAA) compliance. Parent and Family Engagement

Back Bay Continuation High School has developed a written Title I parent and family engagement policy with input from Title I parents and family members. The policy describes the means for carrying out the following Title I parent and family engagement requirements [20 USC 6318 Section 1118(c),-(g) inclusive].

The school followed this process to develop the policy: Back Bay gathers input on the policy at SSC and ELAC meetings. The school distributes the policy to parents and family members of Title I students by doing the following: The policy is distributed in the Student-Parent Handbook.

Involvement of Parents in the Title I Program

To involve and engage parents and family members in the Title I program at Back Bay High School, the following practices have been established:

Annual Meeting: The school convenes an annual meeting, at a convenient time, to which all parents of participating children shall be invited to attend and encouraged to attend, to inform parents and family members of their school's participation in the Title I program and to explain the requirements, and the right of the parents to be involved. (20 USC 6318 (c)(1))

Flexible Number of Meetings: The school offers a flexible number of meetings, such as meetings in the morning or evening, and may provide Title I funds, transportation, childcare, or home visits, as such services relate to parent involvement. (20 USC 6318 (c)(2)) The activities the school will carry out to address this requirement include: Each year at BBHS we have a Back to School Night. Parents are engaged with staff and are given the opportunity to attend their children's classes and meet their teachers. They are also given a

copy of their student's credit summary, so the parents see the classes needed and the goals set for the year and for graduation. This process is reproduced in spring at Open House. In addition, information will be communicated through ELAC and site council meetings. Also posted on our website.

Planning, Review, and Improvement with Parent/Family Input: The school involves parents in an organized, ongoing, and timely way, in the planning, review, and improvement of the school's Title I program, including the planning, review, and improvement of the school parent and family engagement policy and the joint development of the schoolwide program plan. (20 USC 6318 (c)(3)) The activities the school will carry out to address this requirement include: Open House and posts on School Loop will convey the message to parents in Spanish and English.

Civility Policy

It is the intent of the Board of Education to provide an orderly and safe learning environment in which students and adults feel comfortable, share the responsibility for maintaining a positive school climate, and take pride in their school, its achievements, and its environment.

This policy promotes mutual respect, civility, and orderly conduct among members of the school community including all employees, parents/guardians, students, and the public at all schools, district facilities, and at athletic and extracurricular events. This policy is not intended to deprive any person of his/her right to freedom of expression that is protected from governmental restriction on school grounds and district facilities/activities. Uncivil conduct does not include the expression of controversial or differing viewpoints.

The basic purpose of this policy is three-fold:

1. To promote a work and learning environment that is safe, productive, and nurturing for all staff and students, and to encourage the free flow of ideas without fear or intimidation
2. To provide our students with appropriate models for respectful problem-solving and conflict resolution
3. To reduce the potential triggers for violent conduct, such as fear, anger, frustration, and alienation, especially by making problem-solving procedures and alternatives to violence readily accessible to both students and adults

For purposes of this policy, uncivil conduct includes the following:

1. Directing vulgar, obscene, threatening, or profane gestures or verbal and/or written communications at another person.
2. Taunting, jeering, inciting others to taunt or jeer at a person.
3. Yelling at another person during a meeting or conference.
4. Repeatedly interrupting another person who is speaking at an appropriate time and place.
5. Imposing personal demands at times or in settings where they conflict with another's assigned duties, supervision responsibilities, and established practices.
6. Using racial/ethnic, religious, religion, gender, color, sexual, sexuality, or disability epithets.
7. Gesturing in a manner that would put a reasonable person in fear for his/her personal safety.
8. Invading the personal space of a person after being directed to move away.
9. Physically blocking a person's entrance to or exit from a room or location.
10. Remaining in a classroom or school area after a teacher or administrator in authority has directed one to leave.
11. Conduct which is likely to interfere with the peaceful conduct of the activities of the campus or facility.

Persons who perceive they have been subjected to uncivil conduct will be urged to resolve their concerns through simple, direct, or assisted communication with the person(s) at the source of the concern. When this is not possible or appropriate, any person who needs help identifying and/or using appropriate problem-solving procedures may seek assistance from the school administrator. Persons are encouraged to work out issues of concern promptly, and preferably, no later than two days after an incident has occurred. No retaliation will be permitted against persons for working in good faith under this policy and its related administrative regulation to resolve concerns.

This policy seeks to promote a school and workplace culture of respect and civility. Severe or persistent acts of uncivil conduct may, however, violate other school rules, such as the district's policies against harassment and sexual harassment or specific conduct codes. Violation of such policies may result in discipline, removal from district facilities and events, adverse employment action, or criminal charges as applicable. Nothing in this policy is intended to interfere with the ability of school officials to maintain order and discipline in the schools or to enforce school rules and applicable laws.

Dangerous Objects/Weapons

The Newport-Mesa Unified School District is committed to providing a safe school and working environment. Both California State Education Code and Newport Mesa Unified School District Board policy (BP [3515.7](#), [5131.7](#), AR [5131.7](#)) state that possession of a firearm, knife, explosive or other dangerous object of no reasonable use to students is grounds for expulsion.

Please be aware that all District schools will vigorously prosecute any student found to have a dangerous weapon or object in his/her possession while on school grounds or while attending an authorized school activity. Such prosecution will normally involve the applicable law enforcement agency and end with the student facing expulsion from the District.

Weapons and dangerous objects include, but are not limited to any firearm, stun gun, air gun, spring activated gun, toy guns (imitation firearms), slingshots, bludgeons, brass knuckles, any knife (including pocket knives and cutting blades), chains, clubs, stars, explosives, fireworks, etc. Also included are articles designed for other purposes but which could easily be used to inflict bodily harm and/or intimidate (examples are belts, files, compasses, Scissors, bats, etc.). The Federal Gun Free Schools Act requires that any student bringing a firearm to school is subject to one calendar year of expulsion and referral of the student to law enforcement.

Administrators or other delegated school officials will confiscate any article, when in their professional judgment such article may, in a given circumstance, be utilized as weapon or dangerous object.

When reasonable suspicion arises that use or possession of a pupil's property is illegal, illicit, disruptive, or a danger to the general welfare of pupils and staff, a search may be conducted of the pupil's person or personal property. Student lockers and desks are the property of the school and are subject to search.

Anyone who knows of a weapon on school grounds or at a school-sponsored or school-related activity is encouraged to immediately contact his/her teacher, the principal or any other available school employee.

For more information, please contact any assistant principal or principal of any school.

Drugs/Alcohol/Tobacco/Other Controlled Substances

Students possessing, using or selling alcohol or other drugs or related paraphernalia shall be subject to disciplinary procedures including suspension or expulsion and/or referral to law enforcement in accordance with law, Board policy and administrative regulation. In addition, such students may be referred to an appropriate counseling program, transferred to an alternative placement, and/or be restricted from extracurricular activities, including athletics.

Students shall not possess, smoke, or use tobacco or any product containing tobacco or nicotine while on campus, while attending school-sponsored activities, or while under the supervision and control of district employees.

English Learner Supports/Reclassification

Language Acquisition Programs

NMUSD is required to provide a Structured English Immersion (SEI) program option for our English Learner Students. This is a language acquisition program for English learners in which nearly all classroom instruction is provided in English, but with curriculum and a presentation designed for pupils who are learning English. At minimum, students are offered ELD and access to grade level academic subject matter content.

Newport-Mesa also offers two Dual Language Immersion (DLI) Programs: Mandarin Dual Immersion at College Park Elementary School/Costa Mesa Middle School, and Spanish Dual-Immersion at Whittier Elementary School/Ensign Intermediate School. To learn more about NMUSD dual immersion programs, please visit the NMUSD Dual Immersion webpage: <https://web.nmusd.us/dualimmersion>.

Requesting a Language Acquisition Program

Language acquisition programs are educational programs designed to ensure English acquisition occurs as rapidly and effectively as possible and provide instruction to English learners based on the state-adopted academic content standards, including English language development (ELD) standards.

Parents/Guardians may choose a language acquisition program that best suits their child. Schools in which the parents or legal guardians of 30 pupils or more per school or the parents or legal guardians of 20 pupils or more in any grade request a language acquisition program that is designed to provide language instruction shall be required to offer such a program to the extent possible.

Parents may provide input regarding language acquisition programs during the development of the Local Control Accountability Plan. If interested in a different program from those listed above, please contact the Director of Multilingual Programs at 949-515-6701 to ask about the process.

Parents of English learners have a right to decline or opt their children out of the school district's language acquisition program or opt out of particular English learner service(s) within a language acquisition program. However, districts remain obligated to provide the student meaningful instruction until the student is reclassified, inform the parent when progress is not made, and offer the parent programs and services to consider at that time.

Language Assessment

Every spring (February - May), English Learner students take a test called the Summative English Language Proficiency Assessment for California (ELPAC). This test is part of the California assessment system and is aligned with California's English Language Development Standards.

These standards make sure English learners have a high-quality program that will enable them to attain proficiency in English—developing the necessary skills and confidence in listening, speaking, reading, and writing— so they can be successful in the classroom. The ELPAC helps teachers across the state see how well students are doing with those skills.

Your child’s student score report shows an overall score/performance level, consisting of oral language skills (speaking, listening) and written language skills (reading, writing).

The ELPAC Web site at <https://web.nmusd.us/elpac> has the following materials to help parents understand the ELPAC. These materials include:

- Sample ELPAC Student Score Report
- ELPAC Parent Guide
- ELPAC Starting Smarter Resources

Reclassification (Exit) Criteria

How can my child qualify to reclassify as Fluent English Proficient (RFEP)? The goal of language acquisition programs is for students to become proficient in English as rapidly and effectively as possible and to meet state academic achievement measures. The district’s reclassification criteria are listed below.

Homeless Liaison/McKinney Vento

Homeless Liaison

Homeless pupils have certain rights under California and United States law. For information concerning these rights, please contact the District's liaison for homeless children and youths, Christy Flores, who may be contacted at 714-424-3691.

McKinney-Vento Homeless Education Assistance Act

The McKinney-Vento Homeless Assistance Act is a federal legislation that ensures the educational rights and protections of children and youth experiencing homelessness. It requires all local educational agencies (LEAs) to ensure that homeless students have access to the same free, appropriate public education, including public preschools, as provided to other children and youth.

Does your living situation meet the definition of homelessness?

The McKinney-Vento Act defines the term "homeless children and youths" as individuals who lack a fixed, regular, and adequate nighttime residence. You may be considered homeless if you are:

- Temporarily staying with other people, often called "doubled up", because you cannot afford to live alone. This can include sharing another person's house, such as a friend or relative, because you lost your housing or don't have another safe place to go.
- Staying in emergency housing, like emergency or transitional shelters. This can include domestic violence shelters, trailers provided by FEMA (Federal Emergency Management Agency), housing paid for by programs such as Rapid Re-Housing, transitional living facilities, etc.
- Staying in a hotel/motel, cars, parks or any public or private places not designed for humans to live in. This can include camping grounds, cars, or any place outside/not meant for human habitation (abandoned buildings, bus or train station).
- Staying in substandard housing or housing with inadequate space for the number of occupants.

Additional Definition:

If you are not living with your parent or guardian, you may be considered an Unaccompanied Youth.

Unsure if you are eligible? Contact the district McKinney-Vento liaison to see what services and supports may be available.

For more information, including rights and services, visit the McKinney-Vento Homeless Education Program website at www.nmusd.us/homeless or contact the district's McKinney-Vento liaison Christy Flores at cflores@nmusd.us or 714-424-3691.

Immigration Status of Pupils

Your Child has the Right to a Free Public Education

- All children in the United States have a Constitutional right to equal access to free public education, regardless of immigration status and regardless of the immigration status of the students' parents or guardians.
- In California:
 - All children have the right to a free public education.
 - All children ages 6 to 18 years must be enrolled in school.
 - All students and staff have the right to attend safe, secure, and peaceful schools.
 - All students have a right to be in a public school learning environment free from discrimination, harassment, bullying, violence, and intimidation.

- All students have equal opportunity to participate in any program or activity offered by the school, and cannot be discriminated against based on their race, nationality, gender, religion, or immigration status, among other characteristics.

Information Required for School Enrollment

- When enrolling a child, schools must accept a variety of documents from the student’s parent or guardian to demonstrate proof of child’s age or residency.
- You never have to provide information about citizenship/immigration status to have your child enrolled in school. Also, you never have to provide a Social Security number to have your child enrolled in school.

Confidentiality of Personal Information

- Federal and state laws protect student education records and personal information. These laws generally require that schools get written consent from parents or guardians before releasing student information, unless the release of information is for educational purposes, is already public, or is in response to a court order or subpoena.
- Some schools collect and provide publicly basic student “directory information.” If they do, then each year, your child’s school district must provide parents/guardians with written notice of the school’s directory information policy, and let you know of your option to refuse release of your child’s information in the directory.

Family Safety Plans if You Are Detained or Deported

You have the option to provide your child’s school with emergency contact information, including the information of secondary contacts, to identify a trusted adult guardian who can care for your child in the event you are detained or deported. You have the option to complete a Caregiver’s Authorization Affidavit or a Petition for Appointment of Temporary Guardian of the Person, which may enable a trusted adult the authority to make educational and medical decisions for your child.

Right to File a Complaint

Your child has the right to report a hate crime or file a complaint to the school district if he or she is discriminated against, harassed, intimidated, or bullied on the basis of his or her actual or perceived nationality, ethnicity, or immigration status.

Mental Health and Wellness

In an effort to continuously support our commitment to promoting the health, safety, and well-being of students, parents, and staff, the Newport-Mesa Unified School District has a variety of resources available both at your school site as well as within the community. To access these supports and for more information about the services available, please contact your school mental health provider (school counselor, school psychologist, or school social worker) or your school’s administrator.

The district has partnered with Care Solace. Care Solace is an online resource with a live 24/7 concierge meant to assist individuals in finding local mental health related programs and counseling services. For more information, visit the [NMUSD Care Solace website](#).

Additional resources, including Suicide Prevention, can be found on the [NMUSD Mental Health and Wellness website](#) and the [NMUSD Family Resources website](#).

For all other information, please contact Student Services at 714-424-5020.
